## Stage Debate On Prohibition In San Francisco

SAN FRANCISCO, June 12 (AP)—Two nationally known speakers, Dr. Clarence True Wilson, militant dry, and E. Clemens Horst, unyielding wet, will debate the prohibition question in San Francisco within three weeks.

## Stage Debate On Prohibition In San Francisco

Dr. Wilson, head of the Methodist board of temperance, prohibition, and public morals, spoke in San Francisco Wednesday night, and in his address before the Norwegian Danish Pacific Coast conference, picked up the gauntlet thrown down by Horst when Dr. Wilson confirmed reports he had accepted Horst's challenge to debate.

## Stage Debate On Prohibition In San Francisco

Horst will appear in behalf of the crusaders, the association against the prohibition amendment, and other anti-prohibition organizations. He said Dr. Wilson "gladly accepted the challenge and declared arrangements will be concluded shortly, probably to hold the debate in the civic auditorium."

## Stage Debate On Prohibition In San Francisco

In his address, Dr. Wilson remarked on a few matters political, among which was the assertion that "Senator Dwight Morrow of New Jersey does not owe his election to his liberal platform, but because he is Lindbergh's father-in-law."

## Stage Debate On Prohibition In San Francisco

The Methodist temperance head bitterly assailed Ruth Hanna McCormick, who ran in Illinois for the office of United States senator.

## Stage Debate On Prohibition In San Francisco

"She is a treacherous woman of her party," Dr. Wilson asserted, "and she is a double-crosser. She created such confusion in Illinois the legislature voted to repeal the state enforcement act."

## Stage Debate On Prohibition In San Francisco

Dr. Wilson also had a comment on the Wickersham report and Judge Clark's decision on the 18th amendment.

## Stage Debate On Prohibition In San Francisco

"The decision was light-headed, and the judge consulted newspapers and politicians rather than legal authorities, while the Wickersham report was a dry report from a wet committee, the greatest victory for prohibition in years."

## Stage Debate On Prohibition In San Francisco

Every effort of liberals to discredit prohibition, he said, has resulted in a victory for the drys.
