## Henry Cotton To Play In Open At Toledo In July

LONDON, June 13 (AP)—Henry Cotton, young professional golfer who refused to join this year's British Ryder Cup team except on his own terms, sailed today for the United States to play in the American open at Toledo in July.

"I shall be at Columbus on the days of the Ryder Cup match," Cotton said, "and if I am needed and asked, will play for Great Britain."

Cotton, considered the best of the young British professionals, led the field at Carnoustie in the British open for two days, then faded badly on the last 36 holes and finished in a tie for tenth place.

His refusal to join the Ryder Cup team was on the grounds that he thought he had a good chance to win the United States open and didn't want to be forced to return with the team without having a chance to cash in on the title.

## English Team In Final Net Round

EASTBOURNE, Eng., June 13 (AP)—England today defeated Japan in doubles making the series three matches to none and advancing the English team to the final round of the Davis Cup tennis play.

Fred Perry and G. P. Hughes paired to defeat Jiro Sato and Minoru Kawachi, of Japan, in straight sets 6-4, 6-4, 8-6.

Perry and H. W. (Bunny) Austin won the two singles matches yesterday from the States, Jiro and G. P.

England will play either Czechoslovakia or Denmark, the finalists in the lower bracket, in the zone that gives the right to play the United States.

CHICAGO, June 13 (AP)—Frank "Jakie" May, Cub southpaw relief pitcher, will be no help to weaving mates until he recovers from injuries suffered in an automobile accident yesterday.

May suffered a slight concussion of the brain and cuts on his face when his car was struck by one driven by N. A. Stillwell, after the Cub-Philadelphia game yesterday. He was taken to a hospital, but was taken to his apartment after an examination by Dr. John F. Davis, club physician, who said the player would not "be out of the game very long."

## Boston Braves Give Cardinals Three Defeats

By Hugh S. Fullerton Jr. (Associated Press Sports Writer)

The real tough spots in the current pennant race have been few and far between for the St. Louis Cardinals, but they seem to have struck one in the current series with the Boston Braves.

Up to yesterday, the Cards had not lost more than two games in a row all season and had done that only on three previous occasions.

They have stepped up and made it three straight over the National League champions, winning 7 to 5, 5 to 2 and 7 to 1.

They were sent against each other, Grimes yielded 15 hits, including homers by Berger and Dresser, before he was removed in the sixth while Brandt lasted until the final frame, giving only seven hits and fanning six.

The defeat reduced the Cardinals' lead to 2½ games as the Chicago Cubs and New York Giants continued their neck and neck race with a victory apiece. The Cubs made it three straight over Philadelphia by a 7 to 4 count while the Giants overcame Pittsburgh 8 to 2.

Frank Wolf made his first start for the Phillies and did a good job up to the sixth inning. Then the Cubs scored twice to take the lead and increased it right up to the eighth despite the efforts of three more Philadelphia hurlers.

Fred Fitzsimmons pitched eight shutout innings for the Giants, after a shaky start, granting only six hits altogether, while New York piled up 14 blows.

In the American league, Cleveland's mound ace, Walter Ferris, was driven from the mound in four innings by the slugging Washington Senators. Led by the supposedly injured Joe Moinan who made three hits in four times at bat, the Senators won their seventh straight game, 7 to 1.

Jack Russell set the Detroit Tigers down with three hits and Boston won 4 to 1 through a relief effort by George Uhl.

The Red Sox went into a tie with Chicago for sixth place as the White Horse dropped an 11 to 2 decision to the New York Yankees.

Roy Mahaffey gave the Philadelphia Athletics a 9 to 2 triumph over the St. Louis Browns.

## WESTERN OPEN STARTS NEXT WEEK, DAYTON

CHICAGO, June 13 (AP)—Tournament officials of the Western Golf association today abandoned hope for the entries of British Ryder Cup team members in the western open at Dayton, O., next week.

The Britons sailed later than they anticipated and don't expect to arrive in time for the big western show.

Most of the prominent golfers in America have been entered although Johnny Farrell and Walter Hagen are doubtful starters. Among those who have entered are Tommy Armour, newly crowned British open champion and former western open titleholder; Gene Sarazen, defending champion; George Von Elm, St. Louis City; Ed Dudley, Concordville, Pa.; Mortie Dutra, Long Beach, Cal.; Olin Dutra, Los Angeles; Charles "Chick" Evans, Chicago; Abe Espinosa, Chicago; Charles Lacey, Great Neck, Long Island, N. Y.; and Bob McDonald, Chicago.

A field of about 125 will start out for the title.

## Sport Slants

By Alan J. Gould (Associated Press Sports Editor)

The south contributed one of the brightest stars of the 1928 Olympic gallop in Eddie Mann, the Alabama boy who broad-jumped to world fame while rambling around for Georgia Tech and the U. S. A.

Alabama's favorite hurdling son of those days, Weems Baskin, met with a bad break of racing luck that kept him off the American team at a time when he was one of the two or three very best timber toppers in the country.

For the Olympics of 1932 Baskin indirectly hopes to strike a blow for Dixie in general and Alabama in particular by developing Percy Beard, the former Alabama Poly star, for the 110-meter high hurdles at Los Angeles.

So influential an observer as Lawson Robertson, Olympic head coach, already has picked Beard as one of the three best high hurdling prospects in the country for 1932. "Robbie" rates Beard with Lee Sentman of Illinois and Jack Keller, Ohio State's sophomore. The southern boy is 6 feet 4 inches tall and almost seems likely to step over the high sticks in full stride. He was a sensation in indoor meets last winter.

EAST'S CHANCE  
The east will be better equipped to meet the next challenge of far western college talent than it was to cope with the whirlwind rush of Southern California and Stanford on Franklin field.

We refer to the Poughkeepsie regatta, where the other members of the Pacific coast "Big Four"—California, Washington, Oregon and the powerful naval forces of Cornell, Columbia and Syracuse, among others.

For a number of years the Naval academy alone of the eastern fleet was able to give Washington's great crews much of a sea-going argument over the four-mile route down the Hudson from Krum's Elbow. California came along with a recent breaking crew in 1928 to row the boys dizzy on the crest of an ebb tide, but the situation has undergone rapid alternation since then.

Columbia stood off Washington in 1929 and last year it was 1-2-3 for the east after a long lapse as Cornell, Syracuse and M. I. T. crossed the finish line in that order to the accompaniment of a lot of frantic foot-ing and boisterous cheering.

POWERFUL BOATLOADS  
Washington and California have started eastward with powerful, experienced crews. The Huskies won the coast championship from the Golden Bears on the Oakland Estuary in record time, 14:53 4-3, for three miles.

This combination has been kept intact for Poughkeepsie, barring accidents or illness. California, on the other hand, has shaken up its varsity boatload and probably will row on the Hudson with Reg Rhein, powerful sophomore, stroking the shell, instead of Ed Salisbury. Duncan Green last year's stroke, is in the "engine room" at No. 6.

Both coast crews will average under 180 pounds per man, big enough as boatloads of college oarsmen are, but neither so rangy nor beefy as the championship Cornell varsity, which averages around 184 pounds of power per man.

## "DIZZY" DEAN TO WED

HOUSTON, Tex., June 13 (AP)—Jerome "Dizzy" Dean, banished to the Texas league by the St. Louis Cardinals, won his tenth game of the season for Houston here last night and announced he would be married today to Miss Patricia Nash.

Several days ago Miss Nash, young and pretty Houston brunette, said she and the eccentric pitcher would not be married until the end of the present baseball season.

She was not available for a statement on her plans last night.

## No Fouls To Be Called In Fight

CLEVELAND, June 13 (AP)—There will be no victory on a foul in the heavyweight championship set to between Max Schmeling and "Young" Stribling July 3.

The Cleveland boxing commission announced that in the event either fighter claims a foul, he will be sent to his corner and examined by a physician. If unable to continue, the bout will be ruled "no contest." If he is able to continue after a five minute rest, but refuses to do so, it will be ruled a technical knockout and the fighter claiming a foul will lose his purse.

The commission also announced that it will choose the referee, who will be in sole charge of the fight so long as he sticks to advance instructions. The two judges will do nothing more than ballot on the decision.

schools under one head. Another resolution favored adequate millage tax for higher education, recommending against additional appropriations.

The resolution contained a warning that on account of rumors that the board of higher education "may retaliate on the purported action of the grange upon the referendum of the appropriation for higher education by reprisals upon the farmers' extension and research work, because of said referendum, the grange warns the board of higher education that it will do everything in its power to protect the farmers' interests, the extension service and the research devoted to the advancement of agriculture."

The educational committee of the grange is composed of F. M. Gill, of The Dalles; Loyd M. Graham, forest Grove, and Mrs. Corretta Martin Pierce, La Grande, who also is a member of the higher education board.

## Complete Trial of J. Falin In Baker

BAKER, Ore., June 13 (AP)—John Falin, on trial for manslaughter here in connection with the death of Sam Rizer from stab wounds received in a fight, testified from the witness stand yesterday that he did not draw his knife against Rizer until after he had been knocked down three times.

He used the weapon, he declared, only because he was in fear of death. The fight took place May 24 at a dance hall near Richland.

Falin denied having had the open knife in his hand a few minutes before the altercation started, in contradiction to testimony of two state witnesses. The fight occurred in the dark. Character witnesses were introduced to show that Rizer was of a quarrelsome nature.

Both sides completed their testimony at noon. The case was expected to reach the jury late yesterday.

## Little Progress In Raising Submarine

WEIHAIWEI, June 13 (AP)—Handicapped by continuing bad weather, the U. S. S. Pigeon and other surface vessels today made little progress in the task of salvaging the sunken British submarine Poseidon which was sent to the bottom early this week in collision with a Chinese merchantman. The Pigeon is using her compressed air apparatus to pump water out of the hull so that she may be raised.

Some of the survivors who escaped from a forward compartment by using the Davis "lung" after the submarine had been sunk, today had high praise for one of their non-commissioned officers who calmed the crew and organized their escape, a task which required much skill, knowledge and presence of mind.

YOUNG WINS TITLE  
PORTLAND, June 13 (AP)—In a bitly fought contest with W. E. Lamm, of Klamath Falls, George Young, Portland troubleshooter, won the Oregon state doubles title in the three-day tournament of the Portland Gun club here yesterday.

Twenty-five pairs of targets were not enough to decide the title, as

Young and Lamm were deadlocked at 47 each. Young won the shoot-off.

C. Hillbrand of Salem had the long run for the day with 105 broken bluebirds. After missing one target with the final 25 of the first 100 he then broke the next five and then went straight on the last century for the day.
