### LENHART GETS DECISION OVER WES KETCHELL

SEATTLE, Jan. 2 (AP)—Freddie Lenhart, Spokane light heavyweight, was awarded the decision over Wesley (K. O.) Ketchell, Salt Lake cut-throat, in a bloody, hard-hitting eight round battle that was the main event of a fight program here yesterday afternoon.

Lenhart used a ten-pound weight advantage to good effect, continually pounding the Salt Lake boy with short jabs. Ketchell was continually trying for a knockout wallop, and although he rocked Lenhart in the fourth and seventh rounds with vicious lefts, failed to get over a finishing punch.

Lenhart won five rounds to Ketchell's three. The bout was a rematch, the Spokane lad having won a six-round scrap from Ketchell in their last meeting here a month ago.

Lenhart won five rounds to Ketchell's three. The bout was a rematch, the Spokane lad having won a six-round scrap from Ketchell in their last meeting here a month ago.

### TROJANS DEFEAT TULANE 21 TO 12

Southern California Wins Football Championship At Pasadena.

By Paul Zimmerman (Associated Press Sports Writer) PASADENA, Cal., Jan. 2 (AP)—On the scroll of Rose Tournament intercollegiate football history was recorded today the south's first defeat. A mighty University of Southern California team which saw its breaks and accepted them, turned the trick before 88,000 persons yesterday by outscoring a gallant green garbed Tulane eleven 21 to 12 in a contest perhaps unmatched in the annals of the 17-year-old classic.

Plunkert Proves Process It was Ernie Plunkert, an all-American of two years standing, who furnished the margin of victory by two touchdowns delivered in quick succession in the third period, thereby terminating a gridiron career barren of much pigskin packing.

After setting the pace through the opening period, Tulane meted out some of its own medicine in the form of a 23-yard pass, Orville Mohler to Gordon Clark, which gave Coach Howard Jones' eleven its first scoring chance.

It caught the Greenies unprepared and placed the ball on the 28-yard line. Then, massing its mighty interference in front of Gatus Shaver, the Trojans escorted him to the six yard line on a determined thrust.

Sparling Scores Here Ray Sparling, left end, was called back for the reverse play which baffled so many foes this year and he scored. Johnny Baker's place kicked for a 7 to 0 lead at half time.

The third period was young when Plunkert fired scored. Tulane had attempted two drives without success and the Trojans one when Shaver broke loose to place the ball on the 28 yard line. Erny was given the ball on his one play—a reverse over the weak side—and without interference he cut through tackle to score untouched.

The fourth period was young when Plunkert fired scored. Tulane had attempted two drives without success and the Trojans one when Shaver broke loose to place the ball on the 28 yard line. Erny was given the ball on his one play—a reverse over the weak side—and without interference he cut through tackle to score untouched.

Greenies Break Loose Tired of such proceedings, the Greenies burst loose and staged a sustained drive of 75 yards in ten plays from the kickoff to relate to Glover with a dash of 33 yards put the ball on the 10-yard line. Two plays later Zimmerman tossed a short pass to Vernon Haynes over the center of the line for a touchdown.

Again the Greenies scored after Mohler had muffed the ball on his 85-yard line. Zimmerman threw a long pass which a Trojan back deflected slightly into Dalrymple's hands placing the ball on the three yard line. Glover slipped across on his double-reverse.

It was the sturdy line play of Tulane which slowed Troy's vaunted power to a pause and it was the same group of forwards who made it possible for the Greenies to back to out-down their opponents 18 to 11, and gain 378 yards to 233 for Southern California.

Defense Twice Revamped That Southern California was hard put to stop the Green tide, was shown in the fact that it revamped its defense twice during the struggle. Tulane completed 5 of 19 forward passes. The Trojans succeeded in making only one of five good, but a touchdown resulted in that instance.

By winning, Southern California not only became the national champion, but established itself as the only team to have won three Rose Bowl appearances. Alabama won twice and tied once to approach this mark.

It was the South's first defeat in Rose Bowl play.

### Army And Navy Are Negotiating

WEST POINT, N. Y., Jan. 2 (AP)—Major Philip B. Fleming, graduate manager of athletics at the military academy, today said reports of an agreement between West Point and the naval academy for a resumption of athletic relations were premature. Major Fleming said negotiations were being carried on but denied any definite agreement had been signed.

ANNAPOLIS, Md., Jan. 2 (AP)—Near Admiral Thomas C. Hart, superintendent of the naval academy, declined today an agreement for resumption of athletic relations with the military academy had been reached.

By Alan J. Gould (Associated Press Sports Editor) The great reducing process will be featured by interesting developments in baseball for the new year.

Will Babe Ruth's salary of \$80,000 be reduced to \$60,000 or \$50,000? Will Hack Wilson, completely divested of his \$35,000 contract and traded, stage a come-back? Will the minor leagues be able to shake off the death rattle and come back to profitable life under their reorganization scheme? Will Max Carey succeed where Wilbert Robinson failed with the Brooklyn club?

Unquestionably the big leagues will make a strenuous effort to strengthen the second division outfits, having in mind the advantage of the keenest available competition. They were doing very well until the Cardinals and Athletics ran away with the races last September.

Neither club is likely to do it again, although both undoubtedly will be favored to repeat.

NET FORCES SQUABBLE The old year has gone out with the tennis forces bickering over the disappointing showing of the 1931 American Davis cup team. The reason for its defeat, the 1932 tennis year around the slender figure of Ellsworth Vines of Pasadena, new national champion and finest singles player developed in this country since Tilden and Johnston left the international stage. Vines is now No. 1 man.

Vines, with help from Shields, Lott and Van Ryn, will be given the chance to see what he can do abroad unless there is another uprising against the idea of making a "tennis bum" out of a college boy.

Tennis affairs in this country have not been the same since France took the much prized Davis cup home. The policies of the U. S. L. T. A. have been subjected to the severest kind of criticism, indicating that Big Bill Tilden had no copyright on the business of squabbling with the ruling powers. As for example, the caustic exchange between Sam Hardy, veteran who captained the 1931 team, and Sidney Wood, 19-year-old member of it.

TROUBLE AHEAD FOR CHAMPS With the departure from competition of Bobby Jones, the invincibility of golf champions has vanished. It will be interesting to see how many of the new champions are able to withstand the shock of concerted challenges in 1932.

The new crop of youngsters probably will be more conspicuous when Francis Ouimet defends his amateur crown at Baltimore. Close by will be Billy Howell, the Virginia boy who gave Ouimet his closest match in the 1931 tournament. There are others equally as promising.

Billie Burke, who had to go 72 extra holes to win the national open, will be lucky to win again, fine a golfer as he is. With Jones missing, this and most of the other big tournaments are "open" in every sense of the word.

### Two Racing Car Accidents Mark Oakland Event

OAKLAND, Cal., Jan. 2 (AP)—Hurling at a speed of 100 miles an hour, a racing car crashed into the judges stand on the Oakland speedway yesterday, seriously injuring the driver, and inflicting minor injuries on five occupants of the stand.

Previously, another racing car had overturned, resulting in serious injuries for its driver, Ralph Hepburn, of Los Angeles. The accidents occurred during the progress of an 100-mile race, which was stopped, however, at the 51st lap on account of rain.

Bryan Salspaugh, of Rock Island, Ill., was the driver injured when his car crashed into the judges stand. Bert Dingley, Indianapolis, referee; Fred J. Wagner, Covina, starter; George Theobald, San Jose, and Police Corporal Les Manning, Oakland, assistant starters, and H. P. Weller, Oakland, regional director of the American Automobile association, were the officials injured.

Both of the racing drivers were taken to the Hayward General hospital. Physicians said they suffered severe cuts, bruises, and possible fractured skulls.

Salspaugh was still unconscious this morning, while Hepburn had regained consciousness. Hospital attendants said the condition of each was critical, and that they were almost certain the former's skull was fractured.

### Game Body Will Continue Work On 10-Year Plan

PORTLAND, Ore., Jan. 2 (AP)—The Oregon state game commission has indicated itself to what was described as "a constructive and constant program to make Oregon famous for fun."

H. L. Kelly, supervisor, in expressing through The Associated Press New Year greeting to all Oregon sportsmen, said: "Oregon, because of its scenery, climate and marvelous natural resources, is one of the most delightful countries in which to live or visit. The game commission cannot improve natural scenery nor issue orders to the weather man, but it is improving the state's greatest outdoor asset—its wild life."

The accomplishment of this program, Kelly said, in speaking of the slogan—make Oregon famous for fun—"is a tremendous undertaking. Few people realize that the Willamette valley section alone is as large as some eastern states having as much money as Oregon has to spend in carrying on fish and game work, yet the Willamette valley is but a tenth of Oregon's area. In addition this state is divided into four principal sections, the Willamette valley, the Coastal region, Umpqua and Rogue rivers section, and Eastern Oregon, each of which is topographically and climatically different and requires individual solution of game conservation problems."

"This program," Kelly continued, "known as the 'ten-year plan,' is now in operation and although it has just recently been put into effect, considerable progress has been made and 1932 will be a year of results."

Matt L. Ryckman, superintendent of hatcheries, reported that from all indications fishing should be good in Oregon in 1932. His department will liberate this spring 1,837,000 steelheads; 1,032,000 cut-throats; 638,000 eastern brook; 6,125,000 rainbows.

LEO LOMSKI WINS ABERDEEN, Wash., Jan. 2 (AP)—Leo Lomski, Portland light heavyweight, knocked out George Rickard, of Tacoma, in the fourth round of a six-round bout here last night. A hard left to the body put Rickard down for the count.

### East Outslides West in Shrine Contest, 6 to 0

SAN FRANCISCO, Jan. 2 (AP)—Gridiron stars from east of the Mississippi river outslid their Western foes 6 to 0 by scoring a touchdown in the first quarter of the annual San Francisco Shrine charity football game yesterday.

Fans agreed there was no question as to the superior team in rain-soaked Kezar stadium yesterday. The West made a gallant fight, and twice a stubborn goal line defense kept the powerful Eastern ball carriers from digging their cleats in scoring turf after advancing to the five yard line, but as for a Western offensive threat, there was none.

The West squad was rich in talent for passing and the wide open style of play, but never had a chance to use it. The Western weather man turned his back on his own sons and drowned out their chances for victory. The field was soaked at the start of the game, and rain started falling soon afterwards.

The players quickly worked the middle of the gridiron into a quagmire that gave no footing for passers and runners.

Strength of the Eastern line was the most brilliant spark of a game that lacked thrills for the spectators. Pitted against the best forwards of famed Western elevens, such giants as Hickman, Marvel, Hoffman, McDurdo and Chalmers dominated the game and time after time blasted holes through which Hinkle, Russell and Morton gained momentum that carried them well into the West secondary defense before going down.

Ten first downs for the East as against one for the West, that on a penalty, is a representation of the comparative offensive strength of the teams. The East advanced a net total of 138 yards, while the West gained just ten more yards than her backs lost on the slippery battle ground.

Of seven passes, five by the West and two by the East, none was completed. Merle Hufford's punts, most of them carrying well over forty yards, provided occasional sparkle, but for the most part potential brilliance of both teams was shrouded by dull, dripping skies.

No Time Limit For Match Here Tuesday Night Two new developments in reference to the coming wrestling match between Count Harkovskiy and Howard Cantonwine added zest to local sports gossip today.

One was that the contest will be a no time limit affair, best two out of three falls to decide the winner. Police Gazette rules will be followed and in a no time limit match, they provide that after a knockout, the wrestler may have 10 minutes in which to return to the match. In the case of a double knockout, such as was witnessed here two weeks ago, the match is halted until both men can return.

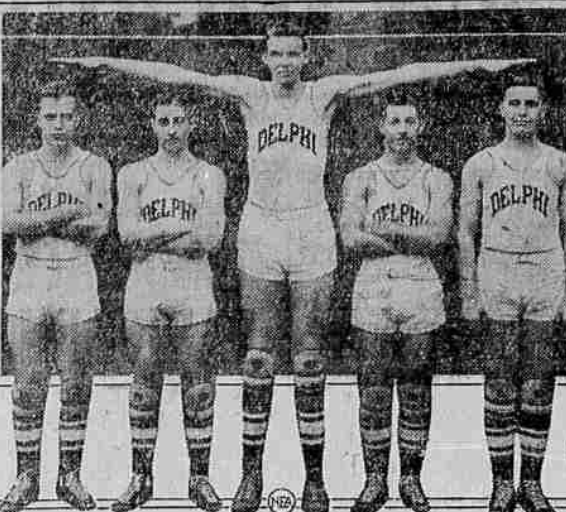

The other development was the announcement that Ray McCarroll, local promoter and heavyweight wrestler, will meet Cliff White, of Denver, in a one-hour time limit preliminary grapple.

Efforts are also being made to line up a boxing preliminary for the card, which will begin at 8 o'clock Tuesday night at the Eagles hall.

Bob Kruse Wins From Cantonwine VANCOUVER, B. C., Jan. 2 (AP)—Bob Kruse, 198, Portland, took two out of three falls to defeat Howard Cantonwine, 228, Iowa, in the main event of the New Year's wrestling card here.

In the semi-final Tommy Thompson, 208, San Francisco, took two out of three falls from Casey O'Dale, 215, also of San Francisco.

### This Is Stretching a Point

Control of the tip-off in basketball is a large part of a successful season, some coaches declare, so if you would judge from this picture why shouldn't Delphi, Ind., high school have a winning campaign? They will control the tip-off by reason of a 6-foot 7-inch center, a sophomore named Lamb. Lamb shadows his teammates. They are Forwards Patton and McDowell, under his right arm, and Guards Koup and Whitman, under his left arm.

### MORGAN BEATS PORTLAND MAN IN SIX ROUNDS

PORTLAND, Ore., Jan. 2 (AP)—Tod Morgan, formerly junior lightweight champion of the world, easily outboxed Eddie Volk, Portland, in a six-round New Year's day battle here, before a crowd that almost filled the Civic auditorium.

Volk connected with a hard left hook late in the first round but that was the only time he held the upper hand. In the third, with Morgan apparently on the defensive, Volk seemed to get careless and Tod's left shot out, flooring the Portland youngster for eight counts.

Morgan weighed 140, Volk 138. In the semi-final Johnny Hansen, 147, Portland, dropped the decision to Cyclone Page, 146, New York, after six rounds of fierce fighting. Hansen was knocked down for a nine-count in the first.

Carl Johnson, 131, Seattle, defeated Pastor Callipso, 131, Manila, in six rounds.

### OKLAHOMA U. BEATS HAWAII BY TOUCHDOWN

HONOLULU, Jan. 2 (AP)—The University of Oklahoma's football squad successfully invaded the Hawaiian Islands yesterday, defeating the University of Hawaii's team, 7 to 0, in a New Year's contest.

The visitors held a greater advantage than the score indicated. Led by Masard, their star fullback, they dominated the game for three periods, keeping the ball in Hawaii's territory most of the time.

The Oklahomans were the first team this year to defeat the Hawaiians.

ALBANY, Ore., Jan. 2 (AP)—Robin Reed, of Reedport, Ore., newspaper publisher-welterweight wrestler, had his hands full in defeating Percy

Jackson, Louisville, in a New Year's bout here yesterday. Jackson trapped Reed in a combination toe and wristlock hold for the first fall in one minute 45 seconds. Spectacular work brought Reed the second fall in 4 1/2 minutes after a series of whip wristlocks. Jackson suffered the dislocation of a vertebrae and was easy for the final fall in one minute, five seconds.

### Oregon Five Easy Winner, 50 to 14

EUGENE, Ore., Jan. 2 (AP)—Oregon's basketball quintet swamped Pacific university 50 to 14 here last night. Oregon scored 13 points before the Badgers got started, and led 37 to 6 at the half. Pacific rallied in the second half and held the Webfoots to 13 points. Coach Reinhardt used substitutes freely.

W. S. C. WINS WITH EASE PULLMAN, Wash., Jan. 2 (AP)—Washington State college overwhelmed Montana's basketball team 54 to 25 in a non-conference game here last night.

W. S. C. WINS WITH EASE PULLMAN, Wash., Jan. 2 (AP)—Washington State college overwhelmed Montana's basketball team 54 to 25 in a non-conference game here last night.
