Hear Complaints On Enforcement Of Grading Laws

PORTLAND, Feb. 12 (AP) — Complaints are being made by creamery interests regarding the non-enforcement of the state butter grading and branding law. Complaints of butter makers are that they are being subjected to unfair competition by reason of the undergrade butter wrapped in packages that are branded a higher grade. The practice of branding standards as extra and prime first as standard butter has become so general that the trade is being hurt to a very considerable degree. Those that want to obey the state law are being forced into irregular practices because others are taking their trade away from them with the higher branding than the actual butter content.

Trading in the butter market is somewhat mixed in character owing to the absence of definite grading arrangements. Actual demand for butter appears fully steady but buyers are somewhat afraid to purchase because of the lack of standards.

Butterfat market is steady. General trading in the market for eggs continues of fully steady character locally. Storage operations are noted generally along the Pacific Slope.

Somewhat increased supplies of chickens are now arriving in the live poultry trade with demand fairly good and no change in the general price list. Light hens are in best call.

Market for dressed turkeys continues at the extreme low point here with a very liberal amount of cull stock now arriving. Some of these are scarcely fit to sell.

There is a very good demand for quality country killed lambs. Prices are well held. Veal of top quality is holding up but the hog market is just steady in spots.

There is a pronounced scarcity of oranges locally with general stiffening of the price list. Advancements here and in the south are noted. The weather is so bad in California that shipments are impossible.

Portland is consuming an increasing volume of hot-house mushrooms. Just now the Puget Sound stock is in chief demand with sales mostly 60c lb. carton.

There is a famine of sweet potato offerings here but this will be relieved Saturday when a carload is due from California. Market is well supplied with southern yams of quality. No change in the price.

Notes of wholesale trading: More Roseburg broccoli is arriving. Quality is better but is still below standard. Sales \$1.25 to \$1.50 crate.

Carload Mexican peas reported in with sales \$6.75 crate or 18c lb.

Mining Charge Change In Paris Affects Dollar

PARIS, Feb. 12 (AP) — The American dollar dropped on the Paris exchange today from yesterday's quotation of 25.40 francs to 25.35, American bankers announced.

Emphasizing that the drop had no relation to the Glavin-Stegall banking bill, introduced in the American congress yesterday, American circles explained that the drop was attributable to a change in mining charges. They said the Bank of France had increased the gold mining charge from 22 francs per kilo to 44 francs per kilo, operative on February 15.

The Bourse opened strong this morning, following Wall Street yesterday, and as a further effect of the American credit extension. French financial experts said this afternoon that the success or failure of the new American plan depends upon the Americans themselves. They seemed agreed that the result would be beneficial if Americans show confidence in their own country and put an end to hoarding.

The prevailing view in France is that the United States will come through because of its inherent energy and courage. The financial writer in the Paris Midi said the congressional proposal modifies the status of the dollar and European creditors may be tempted to withdraw their dollar holdings. "The United States," he wrote, "has decided to place additional funds at the disposition of banks in peril, but this substitutes a peril to the dollar for the peril to the banks."

bank. Each side accused the other of having precipitated the battle anew.

Father Jacquot, French priest who arranged the truce and led the rescue party into Chapel, said the hundreds of civilians who were brought out undoubtedly escaped death.

Not all of them, he said, were loath to leave. Some, in their anxiety to seize the chance to get away, he said, would seize a table, or even a bathtub and then, when the party was ready to proceed they would remember they had left a bed-ridden mother or aunt somewhere.

Many hysterical. The people throughout the sector, which has been the no man's land for severe fighting for two weeks scarcely seemed to know what they were doing, the rescuers said. Some laughed and some sang and some cried hysterically. Cold to come to safety, the anxious ones grabbed anything they could, whether a bed post, a chair or anything that came to hand, just so it was something to save.

CHINESE ASK LEAGUE ASSEMBLY GENEVA, Feb. 12 (AP) — W. W. Yen, Chinese spokesman at the league of nations, league authorities said, presented to Sir Eric Drummond today a formal request for an extraordinary session of the league assembly to deal with the Sino-Japanese problem.

Earlier this morning a spokesman for the Chinese delegation said the league assembly had decided not to call the special assembly of the league, adding that the decision was made "for political reasons."

The time limit for calling the assembly under article XV of the league covenant, which has been invoked by China, would have expired today.

Dr. Yen filed his request with the secretary general just before ten o'clock, a few minutes before the time limit would have expired. (He declined to discuss the new move, but it was learned that the Chinese delegation had experienced some difference of opinion, particularly with regard to the wording of the request.)

It was so phrased as to create the least embarrassment for the league council and the United States which has been co-operating with the other powers in dealing with the problem of the Far East, and it is designed to take advantage of the right of appeal from the hands of the council.

The assembly, therefore, may not be summoned for several days. It was said that the Chinese want to give more time for the international commission to work at Shanghai, but they felt they could not afford to let slip this opportunity for involving the assembly.

BRITISH REGIMENT TO SHANGHAI POONA, India, Feb. 12 (AP) — The British East Lancashire regiment which was due to have gone from here to Khartoum, Egypt, in March has been ordered to Shanghai instead. It will sail about Feb. 23.

CHINESE POLICY UNCHANGED LOYANG, China, Feb. 12 (AP) — The Chinese government decided today to continue its present firm attitude toward the Sino-Japanese dispute, especially as regards Shanghai, and also to reject Japanese proposals for demilitarization of the principal Chinese ports.
