

ICE JAMS AT HILGARD MOVE DOWN CURRENT

By Winifred Nelson (Observer Correspondent)
HILGARD (Special)—People around Hilgard are wondering what the next change in the weather will be. The warm weather of last week caused their happy belief of the ice jams in the river, but the freezing of the river to go down and jammed the ice jams. The ice jams that blocked the river caused some damage to the river without causing any further damage to the river.

A CUPFUL OF HILLS BROS COFFEE PROVES THAT CONTROLLED ROASTING MAKES A FINER FLAVOR

As the accuracy of the hour-glass depends upon an even, continuous flow... a little at a time... Perfect roasting by Hills Bros' patented process always develops the perfect flavor of the coffee-berries.

Instead of roasting in bulk, Hills Bros. use their patented Controlled Roasting process. The coffee flows evenly, continuously through the roasters... a little at a time. Every berry is done to the perfect degree. Naturally, a perfect roast results in perfect flavor! Hills Bros. Coffee can't go stale! The vacuum process of packing coffee is the only method that fully preserves coffee freshness—the air is removed from the can and kept out. It was originated by Hills Bros. over thirty years ago. There is no magic about a vacuum can—it will not make poor coffee good, but it will keep good coffee fresh. Order Hills Bros. Coffee by name, and look for the Arab trade-mark on the can.

W. H. Bohnenkamp Co. SPECIAL Johnson's Dust Mops. Regular \$1.25 NOW 95c. Whale Oil Food. In the good old whaling days that sea captains like to talk about, whale oil was an illuminant. Now it is a food. Hydrogen gas is passed through it in the presence of nickel filings—a process of hydrogenation. A rather cheap oil is thus converted into a more expensive hard fat. A good deal of the margarine that is sold outside of America is composed of this promoted whale oil.
