## FRIEND TOLD HIM ABOUT ALL-BRAN

Those who are bothered with constipation should read Mr. Gelpke's unsolicited letter:  
"I have suffered with constipation for years. A friend of mine told me to try ALL-BRAN. I have taken ALL-BRAN for the past six weeks as a breakfast food. It has regulated my bowels as clockwork. Now I would not be without a package at all times."—Mr. Leslie Gelpke, 273 Ridgewood Ave., Newark, N. J.

## Common constipation—with its headaches, loss of appetite, sleep- lessness—is due to lack of "bulk" to exercise the intestines. Vitamin B to help tone the intestinal tract. Both are present in Kellogg's ALL- BRAN, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that in lettuce. Within the body, it forms a soft mass, which gently clears the intestines of wastes. Being a natural corrective, ALL-BRAN is not habit-forming.

## Try ALL-BRAN in place of pills and drugs—so often harmful. Just eat two tablespoons daily— serious cases with every meal. If your intestinal trouble is not re- lieved this way, see your doctor.

In the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.
