LAST DAY

One secret of getting ahead

You need good health to succeed. Many a man has seen his chances go because he was too sick to keep pace with competition. Often his poor health was due to constipation. This ailment frequently causes headaches, loss of energy, sleeplessness. It takes the "punch" out of your day's work.

Try eating Kellogg's ALL-BRAN. Science shows this delicious cereal supplies "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. How much safer than using pills and drugs—so often habit-forming.

Two tablespoonfuls daily will correct most types of constipation. If your intestinal trouble is not relieved this way, see your doctor.

In the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.
