

La Grande's 2nd Annual

PET PARADE

The boys and girls of Union and Wallowa counties will have a big time Saturday afternoon when they take part in the Second Annual Pet Parade and compete for the many attractive prizes offered by the merchants of La Grande. Last year's parade was eight blocks long, and scores of pet animals were entered. This year's parade will be bigger and better! Read the following instructions and list of prizes.

All boys and girls who wish to enter their pets in the parade should assemble at the corner of Hemlock and Washington streets at 12:30 P. M. Saturday. Each entrant should bring one of the blanks (published daily in the Observer) properly filled out.

In addition to entering their pets, boys and girls may arrange stunts of various kinds, such as clowning, or fake horses or other animals, and prizes will be awarded according to the ingenuity of the entries. The parade will start from Hemlock and Washington at 1:00 P. M.
