

OPENING DAY IN MAJORS RUTH DAY

Big Bambino Leads Yanks to Victory Over Penant-Winning A's.

By Herbert W. Barker (Associated Press Sports Writer) For these many years Babe Ruth has been doing the unexpected...

The king-pin of the New York Yankees' devastating attack clouted two home runs and a single against big George Earnshaw and Jimmy Deshong of the Philadelphia Athletics...

A shivering crowd of 18,000 saw little Babe Ruth lead the Yankees, with praiseworthy economy, made 12 hits good for as many runs and beat the A's, 12-6.

Ruth, who never before had hit two runs in an opening day game, needed some assistance and got it from Sammy Byrd and Lou Gehrig.

The only other American league game the weather man permitted saw the Chicago White Sox pin a 9-2 beating on the St. Louis Browns.

Over in the National league, the champion Cardinals turned in an easy victory. Their two chief rivals, the New York Giants and Chicago Cubs were beaten.

Flint Rhem, who pitched the Cardinals to victory in the pennant winning years of 1926-28-30-31, held the Pittsburgh Pirates to seven hits and won, 10-2.

The Cardinals man-handled Larry French for 10 hits and eight runs in six innings with Sparky Adams and Ray Blalock getting three hits apiece.

The Giants fell victim to the effective pitching of "Fidgety Phil" Collins and a terrific hitting drive by the Phillies.

Brooklyn's revamped ball club looked good arfild but the Dodgers' tight pitching of Ed Brandt and the Boston Braves won, 8-4.

McGraw congratulated NEW YORK, Apr. 13 (AP)—John McGraw, manager of the New York Giants yesterday received the following telegram:

"I send you my heartiest congratulations upon beginning the thirtieth year of your great career as manager of the New York Giants in which you have done so much to uphold the traditions of clean sportsmanship in the most beloved national game."

It was signed by the president of the United States.

Beavers Wallop Sacs 11-9; Seals Win From Reds

By The Associated Press Hollywood's Stars and the San Francisco Seals held the honors today in the first of the coast league's "home town" battles.

The Stars downed Los Angeles 9-2 yesterday with the aid of a speedy triple play in the seventh and two doubles earlier in the game.

The Seals took their local rivals, the Mission Reds, down the line by a score of 6-5 last night and added undisputed leadership to their fold along with the victory.

The Missions had the tying run on second in the ninth but the rally was nipped.

The heavy hitting which seems to follow wherever Portland goes continued in Sacramento yesterday as the Beavers took a slugfest from the Senators, 11-9.

Loose playing featured the Seattle-Oakland game yesterday which the Indians took 11-6.

Patriotic Clothes For Debs Decried For Court Affairs

LONDON (AP)—Debs presented at the British court will wear British silks if they want to please the king and queen.

To every summons to Buckingham Palace the lord chamberlain is affixing a printed slip which reads: "Their majesties have expressed the wish that ladies attending court should, as far as possible, wear dresses of British manufacture."

In England, at least, a royal wish expressed with such definiteness is tantamount to a command.

Queen Victoria did something much like this on the wedding day of the late King Edward when she asked all royal subjects to wear favors made of British silks.

Records in seven of 11 events were broken and another was tied in the 1932 Missouri college track and field meet.

Over The Valley Personals

(Continued From Page Three) trees are being planted today in the North Powder school yard.

Mr. Huff told the News that the Baker post is co-operating with about 20 schools this spring in planting trees in school yards, and those promoting this program hope it will be continued yearly and that in another year larger and more ornamental trees may be planted.

Return Home—J. B. Lindsey, who has been at the home of his sister, Mrs. Laura Davis, in La Grande while recuperating from his illness has returned to his home at Grange Hall.

Residents of the Wolf Creek neighborhood near North Powder are glad for the sunshine of the last few days which have worked great cures on the roads in that vicinity.

(READ THE STORY, THEN COLOR THE PICTURE)

IT wasn't long until each bird flew out of sight. Then Duncy heard a very funny rumbling sound. It frightened him a bit.

He knew 'twas thunder, right nearby. A storm was brewing in the sky. Then he looked down and saw that he was floating over it.

Thought he, "I am a lucky lad. I guess I really should be glad that I am not below the clouds that seem filled up with rain."

"Perhaps this trip will end all right. I hope I land before it's night. And, too, I also hope that what I hope is not in vain."

THE bubble slowly rose and fell and Duncy got a sleepy spell. It wasn't long till he dozed off and had some crazy dreams.

In one dream he was falling fast and clouds and birds were whizzing past. Then he woke up and looked around and thought, how strange this seems.

Way down on earth the others knew that there was naught that they could do. They'd watched the bubble disappear. "It's too bad!"
