State Figures Show Voters In 5035 Increase

SALEM, May 3 (AP)—Total registration of voters in Oregon for the May primaries showed an increase of 5035 over the registration for the general election of November, 1930, figures revealed from the 36 counties by the secretary of state revealed. The final check to be made by the state department was expected to show little change. The last of the counties to report were received today.

The greatest change noted was the increased registration on the Democratic polls, with 121,833, an increase of 13,191 over the number two years ago. The Republican party decreased 6347, or a total party registration of 293,774. The registration for the primaries in all parties is 425,162.

Small Parties Decrease The Democratic party gain was sufficient to overcome losses in all others and still account for the state's increase. Art has come to be recognized as one of the leading activities in the grade schools, ranking with the other studies as a necessary element in a child's education, and it is through the recognition of this branch of study, that the art exhibit has been made possible through proper supervision in practically every case.

Four public schools, Central, Greenwood, Riviera and Willow, will hold open house Friday afternoon, and parents and friends are invited to attend the exhibit and view the artistic work of the students, all of whom will be represented in the display.

PAIN IN YOUR SHOULDER?

USE TYSMOL FOR RELIEF Knife-like jabs of pain in the vicinity of the shoulder blade are generally due to neuritis, brought on by exposure to draughts or sudden changes of weather. In some cases there is stiffness or soreness in the muscles, making it difficult to raise the arm.

The safest and easiest way to relieve such an attack is to apply a small quantity of Tysmol over the affected area. This soothing, healing preparation is quickly absorbed through the pores and carried to the throbbing aching peripheral nerves. The pains usually stop at once, and in a very short time the last trace of soreness should disappear.

Tysmol is absolutely harmless—free from dope. Recommended for all forms of nerve pain, whether caused by neuritis, neuralgia, sciatica or rheumatism. Sold by leading druggists. Always on hand at Glass Drugs, Inc.
