

Liberty School Fair Attended By Large Group

By Mrs. Charles Spencer (Observer Correspondent) GRANGE HALL (Special) Liberty school fair and program were held Friday afternoon at the school house. A fair-sized crowd, made up of parents and friends of the school, was in attendance. Four-H club work, including manual training and needle work articles, was on display and was well arranged. The nature study work, the penmanship and the art displays, especially the art, were also very attractive. In the manual training section, bird houses, airplanes, a radio bench, a moving picture apparatus and many more articles were shown, while in the sewing division a collection of pot holders, sea towels, pajamas, etc., were displayed. Another article of much interest was a knot board made by Delbert Groat, member of Boy Scout troop 15, of La Grande. Although the work was not done at school, the board on which 33 different kinds of knots made of rope were mounted, attracted a great deal of attention.

Beginning at 1:30 o'clock the following program was presented: 1. Songs by school—"Old Favorite Medley," "Blossom Time," "Mountain Maid's Invitation," "Shepherds of the Valley." 2. Demonstrations—(a) Geography: South America, Delbert Groat; Africa, Kenneth Ragain; Australia, Erma Gekeler; (b) History: Old Oregon Trail, Frank Johnson. 3. Cove Minstrel Show Delights Large Audience

By Mrs. A. G. Conklin (Observer Correspondent) COVE (Special) The minstrel show presented by the High school chorus Saturday evening under the direction of J. R. The ballet girls in Turkish costume were Aida Blank, Bertha Neiger, Christine Neiger, Jean Miller, LaVone Hartmark. After the opening number, "My Husky Rose" solo and chorus, the numbers were: "Who Made Love" musical reading, John Fisher; "Where My Caravan Has Led," Darcy McCool; "Ole Man River," chorus; "King of the Desert," Warren Laird; "Mighty Lak a Rose," Louise Anderson; dance by Christine Neiger and Billy Clark, with chorus; "Sleepy Time Down South," Bertha Neiger and ballet girls; (encore) "You Keep Going Your Way, and I'll Go My Way," ballet girls; "Tip Dances," John Fisher, music by Ernie Miller; "Taming of the Shrew," Billy Clark and chorus; "Little Liza Jane" chorus; closing number, "Swing Low Sweet Chariot." Payne and family, returned home Sunday. Mr. and Mrs. Payne came with her and established her in her home. Mrs. Payne likes the climate of Cove and is happy to be at home. Quarrel Changed History Had Anthony not been upset by a lover's quarrel with Cleopatra at the time of the battle of Actium, he would in all probability have become the sole sovereign lord of the earth.—Arthur Welgill.

Fly Kills Worm The long, green tomato worm is familiar to all gardeners. He relies on his color to blend perfectly with the stalks and vines of his favorite fruit and often a vine is entirely denuded of foliage before his presence is discovered by the frate gardener. There is a certain parasite fly which lays white eggs on the back of this worm which in time hatch and burrow into the body of the worm, destroying it.

Works Two Ways A military officer and a lawyer were talking of war, and the former was recounting the dangers of his profession, when the lawyer observed "that those who live by the sword must expect to die by the sword." "By a similar rule," replied the officer, "those who live by the law must expect to die by the law."

Our Name Was Mud "Science tells us now that life began in a few puddles of hot water in a polar depression." We're beginning to see the light. Our first ancestor was a mud pie.—Toledo Blade.

THE TINYMITES STORY BY HAL COCHRAN PICTURES BY JOE KING (READ THE STORY, THEN COLOR THE PICTURE) THE Tinymites were quite surprised and peevish when they realized that they had one more passenger than when they started out. The skinny who had stowed away said, "Well, I guess I'm here to stay. We're far away from land and I know you won't toss me out." "Well, wait a minute," Duncy cried. "Before we take you on our ride, just tell us one thing: Can you swim, and if you can, how far?" "If you thought you could swim ashore, you'd soon be on your way once more, 'cause in this little stream you'd be, instead of where you are."
