

Tony Freitas Pitches No-Hit, No-Run Game

SENATORS BLANK OAKLAND 2-0 IN NIGHT CONTEST

Portland Gains as Hollywood Stars Stop San Francisco Seals; Angels Defeat Missions.

By the Associated Press. The Sacramento Senators had something to boast about today that no other Pacific Coast league team could equal—a no hit, no run pitcher. He is Tony Freitas, a southpaw, who blanked Oakland last night to hurl his team to a 2-0 victory and incidentally enter baseball's valhalla.

Not a batter reached first off Freitas until the seventh when he issued a walk. Another batter was passed in the ninth. The Senators scored their runs off Ray Thomas in the fourth.

Seals Stopped. The San Francisco Seals were stopped by Hollywood last night and their heading back while placed and held them in first place temporarily stopped. The score was 6-5. The winning rally came in the eighth on Al McDonald's single and Jack Sherlock's double.

Portland handed the Seattle Indians their third straight beating in a game which saw twelve batters walked by the rival pitchers. The score was 6-2.

Los Angeles tapped the offerings of Herman Pilleite frequently last night as the Angels defeated the Mission Reds 6-1. Pilleite was retired in the last two innings in favor of Grant Bowler who yielded four hits but fanned three Angel batters.

Yesterday's results: R. H. E. Oakland 0 9 0 Sacramento 2 10 0 Thomas and Gaston; Freitas and Woodall.

R. H. E. San Francisco 6 10 2 Hollywood 0 9 0 McDougall and Penebsky; Page, Turner and Mayer.

R. H. E. Seattle 3 7 2 Portland 6 10 1 Nelson, Freitas and Bottarini; Shores and Fitzpatrick.

R. H. E. Los Angeles 6 10 0 Missions 1 9 2 Sweetland and Campbell; H. Pilleite, Bowler and Hoffman.

Bob Kruse Beats Dr. Karl Sarpolis

VANCOUVER, B. C., May 6 (AP)—Bob Kruse, 200, Portland, took two out of three falls from Karl Sarpolis, 210, Cleveland, to win a wrestling exhibition here last night. Sarpolis applied his flying scissors in the second round for the first fall, with Kruse evening the match in the third with a series of flying arm locks and a body press. Kruse took the deciding fall in the fourth with more flying arm locks. In the semi-final, Jack McLaughlin, 184, Vancouver, won from Bull-dog Jackson, 187, of Klamath Falls, on a foul in the fourth round, after each had taken falls.

Woman Sea-Goer Learns Tricks Of Good Grooming

WASHINGTON (AP)—After crossing the ocean 20 times Miss Mary C. Kennedy of Lafayette, Indiana, has worked out a system whereby she says a woman can always look fresh and feel buoyant while traveling. She advocates plenty of fresh air, lots of exercise and an occasional meal on deck as a means of avoiding seasickness. "Travel light and always take along a tiny electric iron to keep your costumes pressed" is her advice for keeping fresh and well groomed. Ten European tours have taught her a good deal about comfortable traveling. A good-sized suitcase and handbag have been the sum total of her European luggage for many years. Yet out of these things she has come home with suitable for every occasion. Miss Kennedy is general director of the National Business and Professional Women's good will tours. She will make her 21st ocean crossing this summer. An African explorer reports finding a tribe whose entire vocabulary doesn't exceed ten words. We suggest importing these natives for use as radio announcers.

Lomskt and Byrne Battle to a Draw

MARSHFIELD, Ore., May 6 (AP)—Leo Lomskt, Portland, and Jimmy Byrne, Marshfield, fought a torrid ten round boxing match here last night, each scoring a knockdown. Lomskt was sent to the canvas for a count of nine in the second round, but he returned the compliment in kind, flooring Byrne for a nine count in the fourth. Byrne's aggressiveness overcame Lomskt's slight lead to earn him a draw.

After deciding the contest a draw and leaving the referee and referee and deavored to reverse his decision and award the decision to Byrne, but the Marshfield boxing commission ruled his first decision should stand.

More than 300 of the finest rifle and pistol shots, civilian and military, from Montana, Idaho, Oregon and Washington were registered for the five days of competition.

Infield Switch Is "Clicking" For Eagles Ball Club

Last night's practice of the Eagles baseball team was the most satisfactory so far this season. Boone, who has been holding down second base, shifted places with Posey, who was formerly at third. With Hall at first, Posey at second, Evans at shortstop and Boone at third, the infield "clicked." Although the practice field was very rough and unfavorable for the handling of ground balls, the majority of plays attempted were carried out without error. The second base-shortstop combination worked smoothly which augurs well for double plays in the future.

Mr. Morris has been engaged by the club to scrape level and roll the baseball diamond, and the work is being done today.

With a snappy workout this evening the squad expects to be all set for the game Sunday with the Safeway stores squad. The following players probably will see service in Sunday's game at the positions indicated: Courtney and Gott, pitchers; C. Cochran and Bush, catchers; Hall, first base; Posey, second base; Boone and Faus, third base; Moore and Hoffman, left field; H. Cochran and Parker, center field; Lyons, Hart and Jennings, right field.

A's Run Ferrell From The Box In Seventh Inning

By Gayle Talbot (Associated Press Sports Writer) Wesley Ferrell won more games than any right-hander in the American league last season, 23 of them. He is now "cousin" to the Philadelphia Athletics.

The Cleveland ace started against the Mackmen six times last year, was knocked out of the box twice and charged with five defeats, almost half his total of reverses against all clubs. He didn't win one.

Yesterday, flushed from five consecutive victories over western teams, Ferrell was chosen to open the eastern campaign at Shibe park. When Ferrell finally threw in the sponge in the seventh inning he had been used for 12 hits and the score was 11 to 2. The final out was a strike by the Philadelphia pitcher.

Ferrell's rout spoiled what had been promised to be a pitchers' "natural." Lefty Grove led the invaders to six hits, struck out five, allowed half a blow until the seventh.

In the only other American league tussle, the St. Louis Browns rallied to score nine runs in the sixth and seventh rounds and defeat Boston, 11 to 3. Bump Hadley, much traveled right-hander, held the Red Sox to seven hits.

Thanks to two errors by their opponents at crucial spots, the Brooklyn Dodgers opened their tour of the National League western points with a 2 to 1 victory over the Chicago Cubs. Moore's wild throw from the outfield gave the Dodgers their first run off Charley Root in the sixth, and Stan Hack's fumble put Lopez on base with the winning run in the seventh. It was Root's first defeat this year.

Louisville, big catcher, returned to the Cincinnati lineup to knock in four runs with a homerun and a triple and prove a big factor in the Reds' 9 to 0 defeat of the Boston Braves.

Led by Bill Terry and Hughie Critz, the eighth place New York Yankees flogged the Braves, 10 to 3, and three other cardinal pitchers for a 10 to 6 victory in their opener.

The Phillies were rained out at Pittsburgh.

Kentucky Derby Is Saturday At Churchill Downs

By Alan Gould (Associated Press Sports Editor) LOUISVILLE, Ky., May 6 (AP)—It's still the one horse race in America that really grips the imagination of the sports-follower public, this Kentucky Derby. Although the practice tomorrow around the picturesque oval at Churchill Downs lacks much of its customary glamour and most of its usual thronging crowds, it is still the one horse race in America that really grips the imagination of the sports-follower public, this Kentucky Derby.

For the very reason that the field is more wide open than in years it may be a better and more exciting race, even if no more than a dozen or so go to the barrier, but the uncertainty and unrest of the times has unquestionably struck this classic of old Kentucky.

Three Horses Withdrawn Within four days this week, the great filly Top Flight, winter book favorite; Burning Blaze, western star; and New York, grand winner of the Wood Memorial, all were withdrawn. And just as though the "gate" had not already felt the blow coming, the weather man says it looks like rain for derby day.

Tick On the handsome black son of On Watch and star of the Loma stable, owned by Mrs. Louis G. Kaufman, of New York, the nearest thing now to a standout, at odds of 11 to 1. Perhaps this eastern colt is the best of a sub-normal field but there are plenty of experts who want to see it demonstrated before they will agree. Probably they figure it's about time for an upset, since the favorites have won five of the last six derbies.

Four Favored The consensus, however, is that the derby winner likely will be found among these four entries: Tick On; Burgoon King, paired with Brother Joe as Col. E. R. Bradley's entry; Lethal, the speedy property of J. H. Louchman; and Over Time as the entry of Mrs. John Hay Whitney, the former Mary Elizabeth Altemus of Philadelphia, whose colors appear in the classic for the first time.

Blue Larkspur disappointed Colonel in 1929 but his Kentucky friends believe the master of Idle Hour farm has the best chance to carry off the big prize since Bubbling Over triumphed in his colors in 1926.

Two of the greatest jockeys of all time will ride Mrs. Whitney's entries. Buddy Ensor, making a big come-back, will be astride the speedster, and the porter, Ensor has never won a derby. Earle Sande will have the leg up on Over Time. He has won three derbies and will set a record if he boots home another.

Arlett's Slam Is Too Much; Bridge Player Is Kayoed

BUFFALO, N. Y., May 6 (AP)—Buz Arlett, who was playing bridge, made a grand slam and Mrs. Ida Moore, who was playing bridge, was put out at home. To uncrumble: Arlett played with the Orioles in a home run. The ball went through a window and knocked Mrs. Moore unconscious at the bridge table.

Cougars Defeat O. S. C. Thursday

CORVALLIS, Ore., May 6 (AP)—Washington State baseball team, leading the procession in the Northwest conference standings, made it two straight over Oregon State, taking yesterday's game 6 to 1. The hits, one a three-bagger by McLarney, and a long high fly by Estel in the third on which a runner scored, contributed the three runs which clinched the game for the visitors. Oregon State played errorless ball, but failed in the pinches at bat. The Orange-red scored three runs in the third inning. McLarney had a big day at bat, getting three hits, a single, a triple and a homer in five trips to the plate. Cronin hit a three-bagger in the Orange-red's first inning. Bill Esick, scout for the New York Yankees, was among the spectators.

The score: W. S. 6, O. S. 1. O. S. players: Estel and McKay; Woodard, Peterson and Keema.

Gordon Mills, Of Cove, Is Praised For Work in L. A.

By Mrs. A. G. Conklin (Observer Correspondent) COVE (Special)—When a Cove boy wins a tribute like this one about Gordon Mills and from no less a paper than the Los Angeles Saturday Night, his friends feel like "telling the world." When Earl Stendahl opened his new gallery, we all wondered as to the fate of the Ambassador Galleries, for with the division of interests we all knew that the old hospitality and artists, those studio lunches and private office chats with famed artists would never be the same. But here, as is everything, the old order gives place to the new and the Ambassador today finds itself taking on another personality, promising and quite as real. Perhaps it is that of Gordon Mills, who brings from Boston and New York his experience in optimism of eastern outlook. Starting with re-decoration of the galleries, Mr. Mills is positively accomplishing things and the initial exhibition presented under his direction is a joint showing by Paul Starrett Sample and Phil Dike.

The Mills family came here from Rock Springs, Wyo., when Gordon was a little chap, about seven years old. He went through the school here and throughout his high school career was a leader in scholastic activities and winning high grades. As a boy he was prominent in 4-H club work. After graduation he spent a year in Occidental college, Los Angeles, going east from there and last summer was graduated from Harvard in the school of fine arts. During his university years he was an honor student and received many favors from his instructors. He has been connected with the above studios since he came from the east after graduation.

This is a busy day for the Cove school, as today the students are presenting an elaborate program in observance of May day. Lavine Hallmark has been elected "Queen of the May." This evening the juniors will give a dancing party at the gym. Student body officers elected at a recent meeting are: Don H. Smith, president; Bernard DeBordo, vice president; Ruth White, secretary-treasurer; Alvin Peterman, business manager; William Facer, sergeant-at-arms and Darcy McCool, yell leader.

The hand ball court recently undertaken by the high school boys has been completed and everybody is enjoying it. School will close May 20, commencement exercises, May 19. Mr. and Mrs. Jack McBride have a baby daughter born Sunday morning. This is the third child in the family.

Mack Saunders, former Cove resident, is here from Idaho making a visit with friends. It will be remembered by Cove residents that Mr. Saunders invented a morning glory weeder. The project was backed by several La Grande men and offered for sale. It did not make an overwhelming sale, even though it was conceded to be a good tool.

REDS CROSS GETS SUPPLY OF FLOUR FOR THE NEEDY (Continued From Page One) reals, which have been turned over to the county. All of the wheat milled for this flour was local wheat, although belonging to the federal farm board, and the reason for milling some of it at Baker, it is explained, was in order to "even up" the work among plants in this section. The Pioneer mill, besides milling the 50 barrels for this county, also is milling all of the farm board wheat for distribution among the needy in Enterprise and other Wallawa county plants. The wheat was secured through the activities of the local Red Cross chapter, which made application some time ago. The Red Cross did not undertake to distribute the flour, however, turning it over to the county. During the last several months, reports state that the county has been forced to distribute about 200 sacks of flour a month to the needy in this county.
