## WINNING STREAK IS STRETCHED TO SEVEN CONTESTS

Oakland, However, Loses Seventh Straight; Hollywood Wins From Sacramento Team.

By the Associated Press. Los Angeles, by defeating the Seattle Indians 4-1 in the series opening last night, had stretched its winning streak to seven straight contests.

The Angels had a profitable third inning in which State tripled and two on base to account for two of the three runs in this frame. Kallio, Seattle pitcher, was nipped for 14 hits.

A home run by Quellich in the eighth which chased another runner home turned the tables in favor of Hollywood as the Stars took the opener from Sacramento 3-1. Hollywood had tied the score in this inning on Sherock's double and Bassler's single.

Oaks Lose Seventh. As the Angels were winning their seventh straight, Oakland was losing its seventh consecutive game, this time being victims of the San Francisco Seals, 10-1. The game was a hurler's duel until the eighth when the Seals scored three runs and broke a one all tie.

They came back in the ninth to add six more only two hits plus some ragged baseball and four errors by Oakland.

Portland defeated the Mission Reds 6-5 after the Missions had tied the score in the seventh. Briggs walked chosen in the ninth when the bases were full, forcing in the winning run.

Yesterday's results: R. H. E. Seattle 1 4 0 Los Angeles 4 14 0 Kallio and Ock; Sweetland and Campbell.

R. H. E. Hollywood 3 7 1 Sacramento 1 9 0 Page and Bassler; Bryan and Woodall.

R. H. E. San Francisco 10 8 1 Oakland 3 9 9 McDougall and Penebaky; Thomas and Read.

## OREGON STATE DOWNS IDAHO COUGARS WIN

CORVALLIS, Ore., May 11 (AP)—Oregon State's baseball team defeated Idaho 11 to 5 here yesterday, making a clean sweep of the two game series. Errors contributed greatly to Idaho's downfall, the Vandals being charged with ten bobbles. Hitting was evenly divided between both teams. Oregon State moved up to the 500 per cent column in the conference standings with three wins and three losses.

Idaho moved to Eugene where they open a two-game series, starting today. The score: R. H. E. Idaho 5 9 10 Oregon State 11 9 2 Spears, Swanson and Schutte; Woodard and Schneider.

COUGARS TAKE LEAD. SEATTLE, May 11 (AP)—Washington State's baseball team took the lead in conference standings here yesterday when they defeated University of Washington 4 to 3. The Cougars scored all their runs in the fifth inning when Ollie Arbelbide knocked a batter with two on.

The score: R. H. E. Washington State 4 9 2 Washington 3 6 2 Irvine, Estill and McKay; Courlay, O'Brien, Hopper and Hartnett, Pautzke.

## "Iodine" Horses Leave Carolina For Race Track

COLUMBIA, S. C. (AP)—The last of raceland's "iodine horses" have gone north to show other ponies what it means to be "iodine fed."

Several caravans of racing thoroughbreds, trained here and fed on products from South Carolina, which boasts a high iodine content in products grown in its soil, have been sent to eastern race tracks. Trainers are eager for results.

The first contingent went to Maryland and others have followed in special vans. One shipment of six cars left Columbia bearing banners which read: "Iodine horses, trained in South Carolina."

The reason for this hullabaloo about feeding horses an iodine diet is the claim that they are better fitted for racing.

Cecil J. Nagle, manager of the Buxton stables here, said "horses trained here have been very successful in possessing that extra indefinable something" so necessary for a horse to carry it through the final sprint in the home stretch.

He said that, in cooperation with Dr. William Weston, managing director of the South Carolina Resources commission and his assistants, experiments were conducted this past winter and that results are being watched by dietitians and horsemen as the animals race on northern tracks.

"Next year," Nagle said, "further and more extensive experiments will be based on results achieved this summer. Next fall some deficient horses will be brought here and fed according to recommendations of the resources commission."

## INTERCLASS BALL GAMES TO BEGIN

Six-Game Baseball Schedule to Run Out L. H. S. Athletic Program.

With nearly three weeks of school remaining, baseball will be introduced to the high school boys beginning this afternoon, when the first of a series of six interclass games will be played. The sophomores are to meet the seniors today.

The remaining five games will be played next week. The plan is being worked out in conjunction with the American Legion Junior League plans for the summer. The games at L. H. S. will give many of the local aspirants for places on the junior league team an opportunity for early supervised baseball work. In return, the legion is furnishing the equipment, and John Garity, in charge of the legion junior league program here, will umpire the games. In this role, Mr. Garity will have an excellent opportunity to view the prospects for the junior league team who will play on the interclass teams.

Coach Ira Woodie is a former varsity baseball player, and also played on semi-pro teams in Idaho and Western Oregon.

## Imbler Baseball Team Winner Of County Pennant

IMBLER, Ore., May 11 (Special)—Imbler High school won the Union county baseball championship here yesterday, defeating Cove High 7 to 1. McKinnis pitched stellar ball, setting his opponents down in 1-2-3 order in all but two innings, the fifth and sixth, in which he pitched to five and four men, respectively. Only one Cove man passed first base—the one who scored.

Imbler batted around in the first, scoring four runs. Two more were counted in the second and another in the fifth.

Cove scored in the fifth when Smith hit a triple and scored on a passed ball. Sanderson, with a two-bagger and two singles led the sluggers and D. Fowler hit twice.

The whole Imbler team played nice ball, contributing but one error. Wagner completed the circuit when Martin, Cove centerfielder, let a sharp hit get by him.

Imbler will now play a three-game series with the Wallowa champion for the district title. The score: R. H. E. Cove 1 4 4 Imbler 7 6 1 McKinnis and D. Fowler; DeBorde and Clark.

## RABBIT PUNCH GIVES KAPLAN WIN OVER THYE

SPOKANE, Wash., May 11 (AP)—A foul rabbit punch by Ted Thye, Portland heavyweight, gave Abe Kaplan, New York, the decision in a feature wrestling bout here last night. Each had won a fall when the foul was called.

Thye delivered his punch in the fifth round, and was declared loser by Referee Freeman as Kaplan writhed on the mat. Kaplan took the first fall with a stiff right to the jaw that stretched Thye on the mat in the third round, and Thye took the second with a series of shoulder butts in the fourth. Thye weighed 198 pounds and Kaplan 220.

Billed as the semi-windup, the match between O. L. Hupp, Moscow, Idaho, and Ed Meyer, Couer d'Alene, Idaho, took all the customers' cheers. The middleweights grappled over five fast rounds to a draw. Each weighed 155 pounds.

## WOMEN GOLFERS IN ENGLAND

SOUTHAMPTON, Eng., May 11 (AP)—With many a husband in sight, the American women's golf team which will play an English team at Westworth next week, arrived today.

"After all, husbands are only a nuisance and we thought they had best be left behind," said Mrs. Gienna Collett Vane.

"Gee, I'm just crazy at seeing old England again," Helen Hicks, American champion, exclaimed. "We are just a nice quiet party of golfing girls and none of the unmarried ones got engaged on the way over."

Other members of the American team are Mrs. Leona Cheney of Los Angeles, Virginia Van Wie of Chicago, Maureen Orcutt of Englewood, N. J., Mrs. Opal S. Hill, of Kansas City, Mrs. Harley Higbie, of Detroit, and Marion Hollins, of Santa Cruz, Cal.

## MEYER SEEKS TO TOP MILTON'S RECORD OF \$49,600 FOR WINNINGS IN INDIANAPOLIS AUTO SPEED GRIND

By Claude Wolff. INDIANAPOLIS, Ind., (AP)—Louie Meyer, the calm California driver of the roaring road, has a chance by winning this year's 500-mile automobile race here May 30 to top all other money earners in the history of the classic.

Meyer will go to the starting line as the greatest money winner at Indianapolis who is still in the sport. His purse collections total \$35,500, an amount he has collected with a chance to set a purse record.

Milton Twice Victor. Tommy Milton, only driver ever to win the 500-mile race twice, heads all drivers in winnings. Of the \$1,278,850 the speedway corporation has distributed to drivers since 1909, Milton got \$49,600. He won in 1921 and 1923 and has retired.

A man who never won a 500-mile race is the next biggest money winner. He is Harry Hartz, who collected \$37,000 by finishing second in 1922, 1923 and 1925 and fourth in 1924 and 1925. Second prize in the long race is \$10,000 and first is \$20,000. Hartz quit the pilot's game after cracking up a few years ago.

Even The Best Fall. Some of the country's greatest drivers in the last decade have found gold hard to win on the hard bricks of the bumpy 2 1/2 mile track here. They provided fans with thrills, pleasure and some of them went broke doing it.

Eddie Rickenbacker, American war hero, was president of the speedway corporation, was one who gambled on his driving for years but never profited financially. His long career in speedway competition netted him only \$1400 from local promoters. He finished in the money, tenth, in 1914.

Barney Victim of Luck. Barney Oldfield, grand old man of automobile racing, tried for years to increase his bankroll here. His fame as a daredevil pilot gained him the finest cars of his day, but something always went wrong and he only earned \$4700. He was fifth in 1914 and 1916.

"Wild Bob" Burman, killed at Santa Monica, flirted with the gods of chance here and won only \$2900. The late Jimmy Murphy was a big winner, however, his collections totaling \$33,500, the same as those of the youthful Meyer.

Ralph De Palma won \$31,400. His nephew, Peter, profited \$25,200, and Rene Thomas, the Frenchman, took away \$30,000 in 1914 and 1915. Jules Goux, another Frenchman, pulled down \$28,500 by winning in 1913 and taking fourth in 1914 and third in 1919.

Among younger drivers, Louie Schneider, victor a year ago, is collector of \$25,000. Billy Arnold, ahead at the finish line in 1920, \$23,400, and George Souders, 1927 winner, has retired.

## Miracle Victor In Newmarket Stakes

NEWMARKET, Eng., May 11 (AP)—Lord Roseberry's Miracle, second choice for the derby at Epsom Downs July 1, today won the Newmarket stakes at a mile and a quarter for three-year-olds.

Miracle won by four lengths from Mrs. L. Rihl's Rolling Rock, another derby entry, with the Aga Khan's derby eligible Bulandshar third, three quarters of a length back.

The stakes were \$1000 with extras.

## Eagles and E.O.N. Teams Will Play

After a good work-out last night in which several infield combinations were tried out the La Grande Eagles baseball team is ready for its practice game this afternoon, which will start at 4:45 o'clock on the High school field, with Coach Bob Quinn's Normal school nine.

Budd Gatt is scheduled to start on the mound for the Eagles.

More than 3,000 varieties of soybeans were brought into the United States by a federal expedition from Asia.

An American-built bridge in Canton, China, will be completed in June, at an estimated cost of \$1,200,000.

Louie Meyer (framed, center) will send his car to the starting line (pictured at bottom) in the 500-mile auto speed classic at Indianapolis, May 30 with a chance to top all money winners since the race was started. Milton and Hartz, (left) retired as first and second in money winning. Oldfield and Rickenbacker (right), two grand veterans, never could get going in the chase for gold.

## Cubs Threaten To Make League Race a Runaway

By Gayle Talbot. (Associated Press Sports Writer)

Tearing along three games in front of their closest pursuers today, their great pitching staff mowing down opposing batsmen with relentless efficiency and their hitters humping in unison, the Chicago Cubs threaten to make a runaway of the National league race.

When young Lon Warneke set the New York Giants down yesterday, 9 to 2, the leaders scored their fourth straight victory over eastern clubs and their thirteenth win in sixteen engagements. Unless Rogers Hornsby's team is slowed down soon, it will pile up such an advantage it will be able to coast through to the flag.

Warneke's sensational hurling has rounded out one of the most formidable staffs in either league. In winning his first five games, in each of which he went the full distance, the 23-year-old product of Mount Ida, Ark., has given up only nine hits, his work has overshadowed that of such veteran mates as Malone, Bush, Smith, Root and Grimes, and they have done best enough.

The Giants could find Warneke for only five hits yesterday, two of which came after two were out in the ninth and provided their second run. In six of the nine innings he was unflappable. His teammates whaled three Giant hurlers for 11 safeties, every man in the lineup getting at least one. They were helped along by three Giant errors, running the total for McGraw's crew to 42 miscues in 20 games.

The day's only other National league bout saw the Phillies break Cincinnati's five-game winning streak, 4 to 0, behind Ray Benges's effective pitching. Five Red hits were widely spaced. Rain checked the scheduled activities at Pittsburgh and St. Louis.

Sorrell in Rare Form. Vic Sorrell turned in the day's American league masterpiece when he allowed the Boston Red Sox only two hits in pitching the Detroit Tigers to a 11 to 0 victory. Ray Rhyne's two singles knocked Sorrell out of a no-hit game.

Lefty Grove was almost as effective as the Athletics blanked the Chicago White Sox, 9 to 0. The great southpaw allowed six hits but bore down in the pinches. Jimmy

## Sport Slants

By Alan J. Gould. (Associated Press Sports Editor)

The golf ball situation appears to have turned the corner, anyway.

over the "balloon" sphere echoed over the fairways from one coast to the other. Old Joe Duffer was flying the distress signal and he didn't hesitate to let the game's ruling powers know about it.

Now there isn't a single complaint on file in the offices of the United States Golf association.

So much improved are things, in fact, that H. H. Ramsay, the genial chief executive of the U. S. G. A., and his associates now can move around freely among friends and the general public without being obliged to duck.

All because they listened to the walls of 1931 and authorized the manufacturers to add seven-one-hundredths of an ounce to the weight of the official ball.

The heavier "balloon" ball so far has met with universal approval. It doesn't cure a slice, bounce automatically out of traps or whistle in the tall grass, but it behaves better in the wind and is more consistently satisfactory to handle on

## GOLF PLUM TO EAST

This year's renewal of the Walker Cup international golf battle will be played somewhere along the Atlantic seaboard, since the matter of traveling expense is an item to be considered for the British as well as the American forces.

It means that all three of the principal golfing classes of the season will be produced in the east. Baltimore has the national amateur, Flushing, L. I., the national open, so that the Boston or Philadelphia districts will offer logical sites for the Walker Cup matches.

## LUCKY ELEVEN

In the sixteen opening major league lineups appeared the names of only eleven players making their debut as regulars in the big show. Only eleven out of several hundred hopefuls in the spring training camps, but it's a pretty fair showing for the rookies at that. It's considered lucky when as many as a half dozen make the grade on getaway day.

Six of the brand-new arrivals in fact company were in American league ranks, five among National league clubs.

Here's the list: Chicago White Sox—Harold Anderson, center field, and Carey Selph, second base.

New York Yankees—Frank Crosetti, third base, and Otto Saltzgeber, second base.

Detroit Tigers—Harry Davis, first base, and Bill Lawrence, right field. New York Giants—Len Koenecke, left field.

Phillies—George Davis, center field. Chicago Cubs—Stanley Hack, third base.

Cincinnati Reds—Joe Morrissey, shortstop. Boston Braves—Fritz Knoch, third base.

## PRODUCTION OF MUTTON REDUCED BY GOOD ROADS

COLUMBUS, Ohio (AP)—C. R. Arnold, Ohio State university extension economist, is of the belief good roads are partly responsible for decrease in the number of sheep in Ohio.

He explains it thus: Improved transportation facilities encouraged the growing of crops and raising of livestock other than sheep, particularly dairy cattle.

Fifty years ago, he says, five million sheep were raised on Ohio farms. The 1930 census shows this number has dwindled to two million.
