EX-SERVICE MEN MARCH IN LA GRANDE

Starr announced. "This does not indicate a lack of respect for or appreciation of the fine services rendered by the presidents of the college and university but neither has aspired to the position nor expected to be chosen for it. I am sure that the campaign put on for the selection of Dr. Kerr was without his knowledge or consent, and personally I assume he is embarrassed by it because it is not in harmony with his desires as expressed by board members."

SCHOOL WORK IN STATE ALLOCATED

(Continued From Page One) Under "preparation for teaching," the poster lists high school teacher training as being provided on a parallel basis for assigned specialties at both Corvallis and Eugene. Elementary teacher training is provided at Ashland, La Grande and Monmouth on a comparable basis through two-year curricula leading to the state normal school diploma. This entitles graduates to teach in the elementary schools.

OUT-OF-STATE MAN SOUGHT

PORTLAND, May 13 (AP)—No one in this state is being considered for the position of chancellor of Oregon's higher education system. This statement was made here last night by C. L. Starr, president of the board of higher education, who said that neither President W. J. Kerr, of Oregon State college, nor President Arnold Bennett, Hall of the university, is being considered as a candidate. "It has been understood by members of the state board of higher education for some months that the chancellor selected by the board would be from without the state."

"JAFSIE" FREED FOLLOWING QUIZ

(Continued from Page One) Condon, he said, offered \$1,000 reward in his first "Jafsie" advertisement. He got into communication with persons purporting to be the kidnapers by letter. The first letter contained no piece of clothing but later ones did and these bits of cloth, taken to Colonel Lindbergh by Condon, convinced the aviator the aged educator was really in touch with the kidnapers. Marshall said he was ready to seek murder indictments in connection with the death of the baby just as soon as evidence warrants, but there was no justification for such action yet. He disclosed he had been in conference with Col. Lindbergh until three o'clock this morning, going over all details and mapping out a plan of campaign against the kidnapers-murderers.

NOW SCIENCE TELLS WHY BRAN IS SO GOOD FOR HEALTH

Kellogg's ALL-BRAN Has "Bulk" and Vitamin B; Also Healthful Iron. By using Kellogg's ALL-BRAN, millions of people have overcome common constipation, and the headaches, loss of appetite and energy that so frequently result. New laboratory tests show ALL-BRAN supplies two things needed to overcome temporary and recurring constipation: "Bulk" to exercise the intestines. Vitamin B to help tone the intestinal tract. The "bulk" in ALL-BRAN is much like that of lettuce. Within the body, it forms a soft mass. Gently it clears the intestines of wastes. Further experiments prove ALL-BRAN provides twice as much blood-building iron as an equal amount by weight of beef liver. Eat this delicious cereal and avoid pills and drugs. They cause artificial action, and often lead to harmful habits. Try two tablespoonfuls of Kellogg's ALL-BRAN daily—sufficient to overcome most types of constipation. If your intestinal trouble is not relieved this way, see your doctor. ALL-BRAN has a delicious, nut-sweet flavor. Enjoy as a cereal with milk or cream, or use in making fluffy bran muffins, breads, omelets, etc. Recipes on the red-and-green package. Sold by all grocers. Made by Kellogg in Battle Creek.

Nation Mourns His Death

Here is the curly-haired little boy, Charles Augustus Lindbergh Jr., for whom the entire nation sought after his kidnaping the first of March. Yesterday the little body of the child was found, with evidence that he had been murdered brutally shortly after he was snatched from his crib. The above is perhaps the most excellent likeness of the child, whose death is causing an entire nation to mourn.
