

Less Wheat Held By Board

HOLDINGS BELOW HUNDRED-MILLION MARK IS REPORT

Foreign Sales Reduce Supply to Approximately 96,000,000 Bushels — More to be Moved.

WASHINGTON, May 14 (AP)—Melted away under restricted monthly sales and Red Cross gifts, the farm board's holdings of actual cash wheat have dropped below the 100,000,000-bushel mark.

Recent foreign sales reduced the supply to approximately 96,000,000 bushels, and, if export credits are provided by congress, there is a possibility only 50,000,000 bushels may remain on July 1 when the farmers' new crop begins to market.

The grain stabilization corporation has, however, futures contracts for 25,000,000 bushels. Between 6,000,000 and 8,000,000 were sold in the last few days, chiefly to European countries. Although these sales exceeded the 5,000,000 monthly allotment, they will not be replaced. This is explained by the fact that some monthly sales have not approximated this figure.

TO DIE A NATURAL DEATH

CONCORD, N. H., May 14 (AP)—United States Senator George H. Moses thinks the federal farm board will die a natural death.

He made the assertion today in a letter received by a Rockingham county constituent, who had asked him to explain his stand on certain national problems.

Moses said the end of the farm board would be brought about "by reason of exhaustion of its funds and changing conditions which will render its continuance unnecessary."

WOOL MARKET

BOSTON, May 14 (AP)—Definite signs of an improvement in the wool market have been lacking the last week. While sentiment shows a little improvement, it was not stated upon any increase in actual trade. A limited amount of business was confined to a few mills that have small immediate requirements or to mills that purchased samples for testing. The most encouraging feature was an increase in number of inquiries for wool and tops.

Brooklyn Downs Cincinnati 5-3; Triple Play Made

By Gayle Talbot
(Associated Press Sports Writer)

Joe Evers and Tony Cuccinello are having the time of their young lives making the Cincinnati Reds regret the deal that sent them to Brooklyn this spring.

For two days the crack pair of infielders have played some of the most brilliant ball of their careers in helping the Dodgers blight the Reds' first division hopes. As on the previous day, their batting and fielding was a potent factor in Brooklyn's second straight triumph yesterday, 5 to 3.

Triple Play Engineered

Stripp hit two doubles and Cuccinello the same number of singles, and Tony further distinguished himself by acting as middleman in the season's first triple play. The wholesale killing, which went from Glenn Wright to Cuccinello to long George Kelly, stopped the Reds in the third inning after the first two batters had gotten on.

Darby Vance had little difficulty holding the five-run lead his mates had given him by piling into Larry Benton the first three innings. The Dazzler allowed but eight hits, one of which was a homerun by his old Brooklyn mate, Babe Herman.

The Boston Braves lost an opportunity to climb within a game of the National league top when the Chicago Cubs rallied to score twice in the last of the ninth and with, 3 to 2. Guy Bush won his own game when he drove the winning run across after two were out.

Cards Win

The St. Louis Cardinals jumped on Ed Holley, Phillie recruit, for five runs in the seventh inning to tie the score and then were on to win in the tenth, 8 to 7. Harvey Hendrick's homerun featured the seventh inning outburst. The Giants again were rained out at Pittsburgh.

Alvin Crowder set the Detroit Tigers down with two singles, struck out six and didn't permit a runner past first as the Washington Senators won, 7 to 0. Crowder helped his own cause with a triple and a single.

The Athletics walloped St. Louis, 9 to 4, in the only other American league hit. The Mackmen collected 17 hits off Blaeholder and Coffman while George Earshaw was scattering six. Jimmy Fox hit four singles, period.

Butter Market Shows a Steady To Strong Tone

PORTLAND, May 14 (AP)—Market for butter reflects a steady to strong tone at the weekend with demand rather keen and no burdensome surplus in sight. Demand for ice cream has cut down somewhat the manufacture of butter.

Price changes are still infrequent in the egg markets of the country. Locally there remains a lack of change. Coops and private firms in general are maintaining their prices. Unattached producers are still shading.

In general steady tone is showing for live chickens. The market for broilers of small size is the exception. In that line there remains a very sluggish call with Western Washington overloading the wants here.

At the weekend there was a fairly steady tone noted in the market for country zilled meats with some showing of strength in calves. Hogs were just holding. Good lambs were less plentiful but there was plenty of medium to poor stuff.

General slipping of new crop onion prices is reflected in California and Texas, the two big supplying states at the moment.

Sharp advance of 25c pyramid is showing for asparagus here for the weekend, the result of increasing demand and less liberal offerings according to trade leaders. Sales at \$1.75 pyramid.

California strawberries advanced sharply Saturday with smaller supplies and a good demand for the weekend. Sales were made up to \$1.90 crates for 20s. Quality nothing to brag about.

First home grown strawberries of the season and the best fruit to arrive here for the period, was displayed on the east side farmers' wholesale market during the weekend session.

The initial supply consisted of a number of full crates of Gold Dollars from Canby, which section is noted not only for early, but for good fruit and vegetables. Sales were made at \$4 for 24s.

OREGON STATE NINE BEATEN BY WASHINGTON

COORVALLIS, Ore., May 14 (AP)—Held scoreless until the fifth inning, University of Washington defeated Oregon State college in a coast conference baseball game here Friday, 9 to 3.

Oregon State errors were costly and resulted in many unearned runs for the Huskies. In the ninth Nelson stretched a single into a home run through Baecht's error in left field. Score: R. H. E. Washington 9 11 1 Oregon State 3 11 5 Hopper and Hartnett; Peterson and Keema.

Peru Abandons Gold Standard

LIMA, Peru, May 14 (AP)—Peru today abandoned the gold standard for what was described as a temporary period.

OREGON COLLEGES DOPED TO LOSE

Washington and Washington State Victories Likely in Dual Meets.

COORVALLIS, Ore., May 14 (AP)—Not even the most optimistic Oregon fans expect Oregon State college trackmen to give Washington State college a close run in a dual meet to be held here this afternoon.

All the "dope" favors the Cougars. Last month the University of Washington swamped Oregon State, 92 to 38, but last week had difficulty in subduing Washington State, 65 to 63, victory coming only in the final event of the meet—the relay. Washington State captured eight firsts in the meet with Washington, Oregon State won only three firsts.

The Orangemen will be handicapped by the absence of two men who had been counted on to gather a number of points today. Bob Bronson, a quarter miler, is ill with bronchitis, and Carl Ayers, who won the javelin event against Washington last year, recently irritated an old arm injury and will be unable to compete further this season.

OREGON MEETING HUSKIES

EUGENE, Ore., May 14 (AP)—Hard fights for first place in a number of events were expected to develop in a dual track meet between the University of Oregon and University of Washington here today.

Washington, however, was believed to have enough greater all-around strength to win the meet handily. Oregon expects to capture first place in the 220-yard dash. Captain Starr has traveled the distance in 21.3, while Pederson, the Husky speedster, was clocked at 22.7 against Washington State recently.

Close contests also are looked for in the quarter mile, the high hurdles, low hurdles, discus and javelin and high jump. The Webfoots' chief weakness is in the mile and two-mile events.

The Huskies arrived here yesterday and Hee Edmundson, coach, pronounced them all in trim physically.

Veterans Making Red Poppies For Sale 'Poppy Day'

Making of paper poppies has assumed the proportions of a major industry in the United States this month with thousands of disabled World war veterans working to complete a huge supply of the little red memorial flowers for the American Legion auxiliary's annual "Poppy Day" sale.

Mrs. Walter Palmer is poppy chairman of the La Grande unit of the auxiliary, and has information that more than 10,000,000 poppies will be made by the disabled veterans—giving them employment in 58 government hospitals in 34 different states. Poppies which the La Grande auxiliary will offer for sale on "Poppy Day" are now being made in the U. S. Veterans' hospital in Portland.

The auxiliary supplies the materials and the patients are paid for making the flowers.

To each poppy is attached a label bearing the name of the American Legion auxiliary and the statement that the poppy is made in the U. S. Veterans' hospital in Portland. This label gives assurance to the purchaser that the poppy was made by a needy disabled veteran and that every penny of the money paid for the flower goes to aid disabled veterans and their families, and the families of soldiers who have died.

At The La Grande Theatres

LEWIS NOVEL TO BE PICTURIZED

"Arrowsmith" to be Shown on Liberty Screen Sunday and Monday.

THEATRE PROGRAMS FOR THE WEEK

Liberty
Sunday and Monday, May 15-16—Ronald Coleman in "Arrowsmith" by Sinclair Lewis.
Tuesday, Wednesday, Thursday, May 17, 18, 19—Ruth Chatterton in "The Rich Are Always With Us."
Friday and Saturday, May 20-21—"The Crowd Roars" with James Cagney and Joan Blondell.
Granada
Saturday and Sunday, May 14-15—Tom Keene in "Freighters of Destiny."

The opening feature of the week's program at the Liberty theatre is Samuel Goldwyn's "Arrowsmith," with Ronald Colman and Helen Hayes in the stellar roles.

Metropolitan cities already have hailed this picture as one of the most important of the year and Sinclair Lewis, the author, said after witnessing its New York premiere, that it had succeeded in doing everything he had tried to do in the book. The novel won a Pulitzer prize on publication.

Others in the cast include Richard Bennett, A. E. Anson, Charlotte Henry, De Witt Jennings, Beulah Bondi, Myrna Loy.

"The Rich Are Always With Us" — The second picture of the week, "The Rich Are Always With Us," begins a three-day run on Tuesday.

Ruth Chatterton has the leading role, that of the wealthiest member of a wealthy set, happily married until she discovers her husband "cheating" with a heartless debutante. A divorce follows—but see it yourself.

Others of importance in the cast are Bette Davis, John Miljan, Adrienne Dore, John Wray, Mae Madison, Robert Warwick, Virginia Hammond, Walter Walker and Burton Churchill.

"The Crowd Roars" — The ever popular Jimmy Cagney and Joan Blondell are cast in the final picture of the week, "The Crowd Roars," which is to show Friday and Saturday.

It is a story of men who risk death for the sheer thrill of it—and their women are helpless slaves to a life that leaps from ecstasy to tragedy in the flash of a second.

Others in the cast include Ann Dvorak, Eric Linden and 12 famous automobile race drivers.

EAGLES PLAY BAKER SUNDAY AT BALL PARK

The Baker and La Grande Eagles will tangle at 2 o'clock tomorrow afternoon at the High school ball field in what promises to be a hard-fought tilt. The Eagles nine, with several practice games played, has had only one setback—that at the hands of the Eastern Oregon Normal school team. The Baker outfit also has been cleaning up its early season opposition.

The La Grande starting lineup tomorrow is given by Manager D. W.
