HUSKIES WIN FROM OREGON TEAM 11 TO 7

EUGENE, Ore., May 17 (AP)—Three Oregon pitchers fell victims to University of Washington's hitters here yesterday, when the northerners took a 11 to 7 victory. Anderson, Watkins and Donin were the unlucky heavers, while Specs Putnam went the entire route for the Huskies.

BEARCATS WIN SALEM, Ore., May 17 (AP)—Williamette Bearcats, another Linfield's baseball team 9 to 0 here yesterday. Taking the lead in the second Williamette was never in danger. Lowell Gribble brightened the game with a homer in the seventh.

Yankee Hurling Stock Soaring To New Levels

By Gayle Talbot (Associated Press Sports Writer) Stock in the New York Yankees pitching department, which up to ten days ago was selling for something like a dime a dozen on the open market and very few takers at any price, had soared out of sight today.

Climaxing the most sensational streak seen in the American league in more than two decades, the Yankee curvers had tied a record that has stood for 28 years. When Vernon Gomez set the Cleveland Indians down, 8 to 0, yesterday he became the fourth consecutive member of Joe McCarthy's staff to blank the enemy.

The feat ties the league record held jointly by the Cleveland Indians and Boston Red Sox of 1903 and 1906, respectively. If today's Yankee pitcher—probably young Allen—holds the Indians scoreless for only the first two innings it will better the present mark of 41 scoreless rounds set by Cleveland's 1903 staff. The Yankees still have some distance to go, however, to equal the major league record of six straight shutouts set up by the Pittsburgh Nationals in 1903.

"Young" Corbett Whips Whitehead SAN FRANCISCO, May 17 (AP)—An overwhelming ten-round victory over Veary Whitehead, newly crowned California welterweight champion, was added today to the string of triumphs of the world's 147-pound title. But the Fresno, Cal., southpaw was still without a crown of any kind, except glory.

The Santa Monica, Cal. boy kept his title safe last night by entering the ring at 147 1/2 pounds. Corbett weighed 147 1/2. The Fresno easily took every round except the fifth and sixth, and nearly floored Whitehead in the eighth.

Stars, Now on Top, to Meet Missions—Statz Leading League. By The Associated Press Hollywood's Stars viewed the rest of the Coast League from a position atop league standings today and prepared to carry on against the last place Mission Reds tonight.

The Stars displaced San Francisco last week after a bang up series with Sacramento in which the Hollywood team took six straight games before losing the seventh and last to the Senators. The string of victories boosted them into first place as the Seals lost their series to Oakland.

Bating an average of 438, Arnold Statz, Los Angeles outfielder, led the league today and was the only player in the circuit above the 400 mark. During the series with Seattle in the past week, Statz gathered 13 hits in 22 trips to the plate, and added 26 points to his average as compared with the week previous.

Finney of Portland, is in second place with 393, and Demaree of Sacramento, is third with 392. The standings included games of Sunday, for players who have participated in 20 games or more.

Parents of Tennis Star Are Separated

SAN FRANCISCO, May 17 (AP)—The Examiner today said Dr. and Mrs. Clarence A. Willis, father and mother of Mrs. Helen Willis Moody, noted tennis star, are residing apart.

Dr. Willis, the Examiner said, had been living at the Faculty club on the University of California campus at Berkeley for almost a year. Mrs. Willis, the paper added, has been in residence at the Berkeley Women's City club for the last few months. She said she planned to leave Berkeley today to join her husband, now engaged in a European tennis campaign.

Lieutenant of King Ivan Mihailoff Is Murdered in Sofia

SOFIA, Bulgaria, May 17 (AP)—Dimitre Mihailoff, the principal lieutenant of "King" Ivan Mihailoff, who heads the movement for independence for Macedonians living in Greece, Bulgaria and Yugoslavia, was assassinated on a Sofia street last night.

He served as legal counsel for the "King," who operates from hidden strongholds in the Balkan mountains. The assassin escaped.

The Macedonian "King" is the source of numerous legends and stories in the Balkan region. For some time he has been carrying on romantic intrigues and plots in an effort to make difficult the rule of Greece, Bulgaria and Yugoslavia over the Macedonians. His prime minister is Jordan Shkatortz, formerly of Cleveland, O.

THIS CURIOUS WORLD

IN JAPAN, distances were once measured by the number of straw shoes a horse wore out in going from one place to another. Every driver carries along a plentiful supply of "spares" for his horse, and all along country roads the traveler sees discarded worn-out horse-shoes. The shoes are made of rice straw which is braided into a boot that covers the entire hoof, with strings that tie around the horse's fetlocks.

PUTTING THE ANSWER On only one "green" of the 18 did Mr. Parker employ as many as two putts; the 475-yard fourth hole, in his second round, where he carded a par 5.

This is putting in anybody's language, on grass or sand or bent or what have you?

Mr. Parker's card shows one hole above par, 8 pars, 7 birdies, and a brace of eagles—good ones. It follows:

Par (out)	444	535	344—36
Parker	234	434—31	
Par (in)	444	535	344—36—72
Parker	244	534	343—31—62

PHENOMENALLY low scores, as you may have noticed, seem to get down in the low 60's and stick there. Aubrey Bomer's startling round in the French open at St. Cloud in 1929 was 62 or 63, I forgot which.

Bobby Jones' best score was on the old East Lake course, a pretty big layout of about 6600 yards at the time—a 68, with nine pars and nine birdies, made in 1922.

George Duncan is reported to have done a 57 on a rather toyish course in Switzerland, a good many years ago. But I think the lowest score ever compiled on anything like a regular golf course was by James Bragg, the great Scottish professional, a generation ago at Heddervick, in Scotland—a very fair layout.

Braid was playing in a fourball match with three amateurs. He and his partner lost the first hole to a birdie 3. They were 7 up at the turn, winning the next eight holes in succession. Braid's card was 88 for the round.

On one hole where James needed a 4, his partner came in with a 3, so that all the wretched opponents had to shoot at 1 above 39—a best-ball of 55.

This Game of Golf By O. B. Kreger I received the other day a card of the golf course at the Moultrie County club, Moultrie, Ga., which merits notice. It was compiled by John C. Parker and reads 31-31-62.

The Moultrie course is a nine-hole affair, and not a very long one; it measures 2000 yards, or 5500 for the 18 holes, with a not particularly exacting par of 72.

But a card of 62 is not exactly one to be laughed off, on any regular golf course. Especially with the features noted below.

Mr. Parker played the first hole in 2 each round. This hole is of 285 yards. It is not much of a par 4 hole, of course. But—well, a deuce

Olympic HOPES

Once again it appears that California may provide the Olympic discus-throwing champion, if Bob Jones, above, Stanford University star, uncorks one of his customary spectacular throws at the Los Angeles games. In 1924 at Paris the winner was Clarence (Bud) Houser, University of Southern California star. Four years later at Amsterdam, the winner was Dr. C. L. (Bud) Houser, with a toss of more than 155 feet, which is what the 1932 Olympic platter-tossers must strive to beat. Jones is 1921 intercollegiate discus champion, undefeated in his specialty. Already this year he has a mark of 161 feet 5 inches, six feet farther than Houser's Olympic record.
