"WE KNOW CHEVROLETS You Know Us"

Breaking all records is one thing and figuring out how it is done is another. We are wondering why a RED cow that eats GREEN grass gives WHITE milk that makes YELLOW butter, and why a BLACK hen lays WHITE eggs.

picnics have proven very enjoyable during the past week. One of the most successful of these picnics was the one enjoyed by the sixth, seventh and eighth grades at the Cove swimming pool Tuesday. Picnic lunches were provided by the students and the time was spent mostly in the swimming pool. The outing was under the supervision of their instructor, Maurice Weis.

Mrs. T. M. Ruckman has entertained many guests the past two weeks in her beautiful home in Imbler. On Mothers' day about 40 relatives and friends called on her and presented her with many beautiful flowers, gifts and cards. Her guests Sunday were Mr. and Mrs. Allington and daughter, Barbara, Mr. and Mrs. Thomas Page, Mae Ward, Mrs. B. Wilson and Mrs. Rosie Garn. On Monday afternoon her callers were Mrs. Eta Welch and Mrs. Thelma Walker.

Stomach Ulcers Healed With Famous Powder

A Milwaukee physician of over 26 years' experience has perfected a formula in powder form which has brought amazingly quick relief to sufferers from ulcers, acid dyspepsia, gas, bloating, dizziness, headaches, etc.

It neutralizes excess acid, relieves irritation, pain and distress, and being in powder form, forms a soothing coating over the inflamed stomach lining and ulcers so that healing can take place.

And best of all, there is no rigid dieting necessary. This treatment is different and to quickly introduce it, send a full-size package, enough for about a month, regular price \$2.00 for only \$1.00, under an absolute guarantee that unless it brings amazingly quick relief he will gladly refund your \$1.00 on request.
