

Portland's Losing Streak is Continuing

BEAVERS BLANKED BY OAKLAND NINE AND FAY THOMAS

Oakland Pitcher Fans 11 Batters, Six of Them in a Row—Missions Finally Lose.

By the Associated Press
A record of fanning 11 batters, six of them in a row, rested in the hands of Fay Thomas, Oakland hurler today.

Thomas equaled a Coast league record set by pudgy Gould May 25, 1927, in fanning six men in a row as Oakland defeated Portland 4-0 last night for the third straight victory.

Another Coast league pitcher—Tony Freitas of Sacramento—fanned 11 men last night as the Senators took their first win of the present series over Seattle, 6-4. In their last ten games the Senators have won two and both times Freitas was in the box.

Hollywood stopped the Missions' winning streak by taking last night's encounter 4-0 while Sheehan, Star pitcher, retired 10 batters. Hollywood bunched three of their five hits for a trio of runs in the second inning. The victory boosted Hollywood back into first place in league standings.

San Francisco's Seals gathered two runs in three hits in the first inning of last night's game with Los Angeles and worked up a lead which the Angels never overcame, the Seals taking the game 6-3. The Angels rallied for three runs in the ninth but the Seals were still three to the good.

Mrs. Vane Will Play Old Rival, Joyce Wethered

VIRGINIA WATER, Surrey, Eng., May 20 (AP)—Mrs. Glenna Collett Vane, former American woman's golf champion, today was selected to carry the American standard against Joyce Wethered, captain of the English team, in the first singles match of the England-United States series tomorrow at Wentworth.

It will be the renewal of an old rivalry between the two women. Joyce always has won before.

Helen Hicks, current American champion, was named to play Enid Wilson, British titleholder. Virginia Van Wie was drawn against Wanda Morgan, Australian Openist against Diana Fishwick. Mrs. Opal Hill against Molly Gourlay and Mrs. Leona Cheney against Elsie Corlett.

Mrs. Vane and Miss Wethered also will meet in the foursome, the American leader pairing with Mrs. Opal Hill against Miss Wethered and Wanda Morgan.

Misses Van Wie and Hicks will play Miss Wilson and Mrs. Watson and Mrs. Cheney and Miss Orcutt will match strokes with Miss Gourlay and Doris Park.

The foursomes are played as the Scotch play them, that is each pair playing only one ball, alternating on each stroke.

The foursomes will be played in the morning and the six singles in the afternoon.

THYE VICTOR THURSDAY OVER AL BEVERIDGE

PORTLAND, Ore., May 20 (AP)—Ted Thye, Portland heavyweight wrestler, defeated Al Beveridge 200-pound newcomer from Portland, Maine, two out of three falls here last night. Beveridge, substituting for Jack Smith, Washington Indian who failed to show up, made things interesting for Thye for nearly 40 minutes, and took the first fall in 36 minutes 40 seconds with a flying mare and body press. Thye came back, caught Beveridge off his guard, administered a few shoulder butts and won the second fall with wristlocks in 7:05. He ended the match in one minute and a half with more wristlocks.

In the five-round preliminary Bob Kruse, Oswego, Ore., took the only fall in the fourth round from Tommy Thompson, San Francisco.

The preliminary between Bulldog Jackson of Klamath Falls and Pat Regan of Casper, Wyo., went three rounds to a draw.

MARINE OFFICER REPORTED KILLED

craft of Cleveland, Ohio, was only slightly wounded in an engagement this week with insurgents.

The sergeant, who is a lieutenant in the Nicaraguan national guard, received a flesh wound in the thigh while leading a guard attack on insurgents. Matthews described his condition as "not serious."

The colonel's report conflicted with one from Mexico City in which a representative of General Augustino Sandino, insurgent leader, had said Hutercher and five of the guard had been killed.

JOHNSON PICKS THREE FOR FLAG

Washington, New York and Philadelphia Expected to Fight it Out.

By Edward J. Nell
(Associated Press Sports Writer)
NEW YORK, May 20 (AP)—The visitors' locker room in the Yankee Stadium was full of steam from showerbaths, and howling, exultant, naked savages. Only one man was in full philosophical control of his senses as he sat naked as the rest, squinting like Mahatma Gandhi, on the top of a baggage trunk.

"You see," pointed out Walter Johnson, "that's how a ball club can look when the pitching goes very bad. That's the way our Senators looked losing four straight to the Browns. That's how the Athletics looked until Grove and Earnshaw started pitching."

He was talking about the New York Yankees, the current hysteria of the American league, who had just been made to look very bad indeed, losing both ends of a double header to Johnson's Senators, 8-4 and 12-7.

"The Yankees have been getting great pitching in that winning streak and so they looked immense. Then the pitching goes bad, like it did there today. And they look like any other ball club, only worse."

"But don't let it fool you. They'll look good again when they get the pitching, and just how much pitching they're going to get over a full season is what's going to determine how high they stay. They can't win unless some of their young pitchers come through. Brute strength won't get the Yankees by."

The great right hander of another decade paused just long enough to see if any of his gleeful athletes has overlooked a vacant shower. But no one had.

"Of course we can't win without pitching either," he continued, "and the Athletics are in the same boat. We all look good when the boys are turning the baton back for us. And we look terrible when they don't."

Predicts "Dog Fight"
"But I look at the situation like this right now. This Washington club is a better team than last year. The Yankees have improved, particularly in their youngsters and the pitching. The A's are coming back right now but they're not quite what they were last season. So you can see it's going to be a dog fight among these three, right down through the season."

Walberg Doing Little For A's But Foxx Hits

(Associated Press Sports Writer)
Connie Mack, able leader of the Athletics, appears to have lost hope that Rube Walberg, the big lefthander who won twenty games for him last year, will recover his winning form and be of any material assistance in the current flag race.

Walberg, one of the big factors in the A's drive to a third straight American league pennant last season, has been a great disappointment. He has started five games, been knocked out of the box the same number of times and thus far is charged with four losses and no wins.

Mack as a result, has about quit trying his former star and has fallen back on Grove, Earnshaw and Mahafey to carry the burden. Only once in the last three weeks has Walberg been giving a starting assignment, and that time he was crowned by Cleveland. The rookie, Merrit Cain, was regarded as a possible replacement for Walberg in rounding out the staff's "Big Four," but he failed when given a starting spot against Detroit the first of the week.

With all his pitching problems, however, Connie Mack still can summon a smile when he observes the way Jimmy Foxx is hitting the ball. The stocky first baseman is having one of his greatest years.

He came up in the first inning yesterday with the bases loaded and cracked the pellet over the left field stands for his 11th homer and enough runs to beat the Boston Red Sox, 4-2. It was the A's third win in a row and boosted them to an even 500 standing for the first time in a month.

Forty-nine thousand fans suffered at Yankee stadium as the Washington Senators captured both ends of a double-header, 8-6 and 12-7. In both games the slugging Senators came from behind with a murderous attack in the late innings. Heinie Manush's double, which slipped past Earl Combs and kept rolling, gave Washington the winning runs in the tenth inning of the first game. Babe Ruth hit his eighth homer in the nightcap.

Burleigh Grimes was hit hard by silenced Cincinnati's guns in the pinches as the Chicago Cubs went 12 innings to win, 4-3, and increase their lead in the National League. Stephen was the winner's batting hero, his double driving in the tying run and averting defeat in the tenth and his single putting Richbourg across with the winning score in the 12th.

The Pittsburgh Pirates got to Joe Shaute and Jack Quinn for two runs in the last of the eighth to edge out Brooklyn in their final, 3-1.
Half of the clubs in each league spent the day traveling.

There are two possible endings. If the sophomores win they will be champions. If the Juniors win, the three upper class teams will be in a three-way tie for first, with no play-off likely.

Junior League Try-Outs Will Begin Saturday

The American Legion Junior League baseball team of Union county, which may reach the finals in the nationwide competition, or which may even be determined the victor of the entire United States, will hold the first practice Saturday afternoon at 2 o'clock at the High school athletic field.

Every team starts out with the same advantages, since all must be of the same age, 18 years or younger, and players are chosen from among the boys of the nation. John P. Garity, chairman of the Junior League division of the La Grande post, announced.

Last summer, the Union county team received second place in this district, and with several of last year's players still within the age limit, the coaches believe that Union county will have an excellent chance to come to the fore in junior baseball this year. Mr. Garity adds.

Mr. Garity will be assisted in coaching the team by Ira Woodie, of the La Grande High school; E. R. Quinn, of the Normal school; and Cecil Posey and Clive Moore of the grade schools.

The expedition was one of several sent to various points throughout the world by the University of Chicago to measure the strength of the sun's cosmic rays at high altitudes.

Carnival Coming Under Auspices Of Legion Post

Young and old are awaiting with eager anticipation the arrival of the Pacific States shows which come to La Grande under the sponsorship of the American Legion for one week starting Monday, May 23. Far above the standard of the ordinary shows, the Pacific States shows bring to La Grande 15 big tented attractions and a half dozen breath taking riding devices for a week's showing, according to its sponsors.

Attractions to delight both old and young are featured by the show. South Sea Islanders, miniature seaplanes, and a haunted swing all draw their share of the pleasure seekers. Teddy Levitt's Hawaiian entertainers will please the music lovers, and have often been heard over the radio stations of the Pacific northwest. Coney Island circus side show, the movie circus, the unborn, and the crystal maze are other attractions. A large collection of serpents also will be brought to La Grande, and the usual boxing and wrestling exhibitions will be featured for those inclined to sports. Included in the Pacific States repertoire of rides will be a \$20,000 merry-go-round, a tilt, a whirl, the hey-day, over the jumps, grand whip, and a big double ferris wheel.

A double length train will bring the show to La Grande and, as no sleepers are carried, the local hotels and restaurants as well as other local merchants will enjoy increased business.

STARS FROM ALL NATIONS APPEAR IN GREAT CIRCUS

Miss Catherine Albert and Bolivar

Eighteen foreign nations have contributed at least one new act to the A. O. Barnes circus this season. From the gorgeous and fantastic spectacle "The Parade of Gold, a Gorgeous Fiesta of Old Spain" which opens the performances to the final hippodrome race, there is little that is not novel to the spectator. This season's arena exhibition is the most extensive ever offered by the A. O. Barnes management.

A tribe of monster-lipped Ubangi savages from the Congo district of equatorial South Africa will be seen with the show this season. It is the first time that they have been exhibited in this section of the state. They are the greatest feature ever carried with the A. O. Barnes circus.

There is Catherine Albert, who hails from the Ural mountains of continental Europe. She weighs less than 100 pounds, is not 20 years old, yet she is conceded to be the greatest of women elephant trainers. England contributes the Belmont family of daring and sensational equestrians in a demonstration of the latest and most artistic feats of bareback riding. Belgium furnishes the Grizette family, superb equestriennes in a riding act of novelty and skill.

The Great Flying Ward troupe, who hail from the Imperial Wintergarden in Berlin, Germany, intrepid aerialists who perform high up in the dome of the "big top," will thrill you with an act that has made two continents gasp. Alex Acevedo, Mexico's foremost dancing, tumbling, somersaulting acrobat, is a daring newcomer; a champion in his class. Canada contributes the world's foremost lady animal trainer, Miss Mabel Stark, who this season is presenting a group of 17 trained Royal Bengal tigers.
