# Hollywood Tops Pacific Coast League Today

## ANGELS BEATEN IN "CIVIL WAR" BY SCORE 9 TO 6

### Portland Downs Sacramento, Frisco Wins From Reds and Indians Blank Oakland.

By The Associated Press

Hollywood leads the Pacific coast league today as the result of beating Los Angeles last night 9 to 6. It was the third straight victory for the Stars in the southern "Civil war." A ninth inning rally which produced eight runs on seven hits turned the trick. Frank Shellenback pitched the full route for Hollywood, while it required three pitchers for the Angels to retire the side after the Stars started their victory march.

Wilbur Hubbell pitched two-hit ball up to the ninth inning for Portland yesterday, enabling the Ducks to beat Sacramento 6 to 2.

The Missions scored four runs in the fifth inning to take the lead from the Seals, but in the seventh Hunt knocked a homer for the Seals, scoring one man ahead of him and this gave his team its first victory over the Reds in the current series. Koenig, normally a third baseman, pitched for the Missions and held the Seals to eight hits.

Hal Haid, who went to Seattle from the Boston Braves, shut out Oakland last night 3 to 0, allowing only three hits. George Burns, first baseman, accounted for two of the Seattle runs, scoring in the second inning on a double steal after knocking a triple to the outfield, and enabling Welsh to score in the sixth by lining out a single when needed.

Yesterday's results:

| | R. | H. | E. |
|---|---|---|---|
| Hollywood | 9 | 15 | 1 |
| Los Angeles | 6 | 10 | 2 |

Batteries: Shellenback and Basaler; Beacht, Ballou, Moss and Campbell.

| | R. | H. | E. |
|---|---|---|---|
| Sacramento | 2 | 5 | 1 |
| Portland | 6 | 6 | 0 |

Batteries: Tincup and Wirta; Hubbell and Palmisano.

| | R. | H. | E. |
|---|---|---|---|
| Missions | 4 | 11 | 3 |
| San Francisco | 5 | 9 | 2 |

Batteries: Koenig and Ricci, Davis, Zinn and Penebsky.

| | R. | H. | E. |
|---|---|---|---|
| Oakland | 0 | 3 | 0 |
| Seattle | 3 | 8 | 2 |

Batteries: Walsh and Gaston; Haid and Cox.

## WALKER WHIPS UZCUDUN BY SLIM MARGIN

NEW YORK, May 27 (AP)—If Mickey Walker fails to get that match with Ernie Schaaf as early in the outdoor season as he expected, he can blame it all on Paulino Uzcudun, rock-ribbed old warrior from the Pyrenees.

By the slimmest of margins and, partly at least, because of an illegal punch at the end of the eighth round, Walker squeezed out a ten round decision over Paulino in Madison Square Garden last night. But the boos of a crowd of 8,000 followed Walker as he left the ring while Paulino drew the ovation usually reserved for the winner.

The punch that turned the sympathies of the crowd to the veteran Spaniard and the tide of battle toward Walker came after the bell had ended the eighth round. Paulino was partly at fault for he landed a left hook to the body just after the bell. But he dropped his hand and stepped back and, as he did, Walker swung a right that split the Spaniard's left eyebrow wide open.

That blow beat Paulino for Walker opened the cut with the first punch in the ninth round and, blinded by the flow of blood, Paulino could do little from then on but step forward into Walker's lefts to the head.

Walker, if he had won decisively, was to have been matched immediately with Schaaf but now he probably will have to give Paulino a return match first.

Paulino, at 197, outweighed Walker by 27 pounds.

## Maureen Orcutt Posts Fine 73 In Sauton Play

SAUTON, Devonshire, England, May 27 (AP)—Maureen Orcutt, Englewood, N. J., star, posted a fine 73 for the first 18 holes of the 36-hole qualifying round in the British women's golf championship today.

Playing steadily all the way, Miss Orcutt was out in 38 and home in 35 to finish her round only two over par of 71. Her putting was deadly most of the way. She holed a 30-footer at the seventeenth and a ten-footer at the eighteenth.

With a dozen players finished, hers was the first score under 90.

Mme. Rene LaCoste, wife of the famous French tennis player, posted a 75 for her first round. Mme. LaCoste, as Mlle. Simone Thion de la Chaume, won the British title in 1927.

Virginia Holsderber, of Richmond, Va., virtually shot herself out of the championship by taking 102 strokes for her first round.

Mrs. O. S. Hill took a shaky 88 for her first round and probably will have to do several strokes better than that in her last 18 tomorrow if she is to qualify with the low 64 and ties. Golf observers believe anything over 170 will be out of the running.

Virginia Van Wie, fourth American to finish, posted a 77. Anything under 90 tomorrow should qualify her for match play.

Mrs. Glenna Collett Vare took an 80, lapsing to a mediocre 42 coming home after a fine 38 going out. The score left her considerable margin, however, for the last 18.

Miss Orcutt had two birdies on her card against four holes on which she went one over.

## HUSKIES SURE AT LEAST OF PENNANT TIE

SEATTLE, May 27 (AP)—The University of Washington baseball team, assured of at least a tie for the northern division title, clashes with the University of Oregon in the final of a two-game series here today.

Behind the pitching of Ed "Specs" Putnam, who closed his intercollegiate baseball career with not a single game lost in three years' play and 17 victories, the Huskies took a 7 to 6 victory yesterday.

A four-run rally in their half of the ninth just failed to tie the game up for Oregon.

A win today for the Huskies will assure the conference title. Should they lose, Washington State can tie for the title by defeating Idaho in its closing game at Pullman tomorrow.

The score:

| | R. | H. | E. |
|---|---|---|---|
| Oregon | 6 | 11 | 2 |
| Washington | 7 | 9 | 3 |

Batteries: Scales and Shanneman; Putnam and Hartnett.

### COUGARS WIN

PULLMAN, Wash., May 27 (AP)—Washington State's baseball team defeated Oregon State 3 to 2 here yesterday in a well played game. All runs were made in the first four innings, after which the contest was a pitchers' battle between Karl Norby for the Cougars and Walter Woodward, Beaver southpaw. Johnny Biancone, Oregon State outfielder, garnered three safe hits, one of them a triple. The score:

| | R. | H. | E. |
|---|---|---|---|
| Oregon State | 2 | 7 | 1 |
| Washington State | 3 | 8 | 3 |

Batteries: Woodward and Keema; Norby and McKay.

## Lightning Kills Baseball Player

SHELBY, Miss., May 27 (AP)—Henry Nemetz, 25, baseball player, was killed and four others severely shocked when a bolt of lightning struck on a baseball diamond here yesterday. Nemetz was killed as he was returning a ball from the outfield to the infield.

### VOLK, O'DELL DRAW

KLAMATH FALLS, Ore., May 27 (AP)—Eddie Volk, Portland, drew with Tony O'Dell, Klamath Falls, in a fast main event here last night. The Portland boy scored two knockdowns.

## EASTMAN MAY GO IN FOR DISTANCE

### Possibility Exists That Stanford Man May Run 800-Meter Olympic Race

By Alan Gould
(Associated Press Sports Editor)

**CHAMPIONS**

| Year | Winner, Country | Time |
|---|---|---|
| 1896 | Flack, England | 2:11 |
| 1900 | Tysoe, Eng. | 2:01.2 |
| 1904 | Lightbody, U. S. A. (world record) | 1:56 |
| 1906 | Pilgrim, U. S. | 2:01.2 |
| 1908 | Sheppard, U. S. (world record) | 1:52.8 |
| 1912 | Meredith, U. S. (world recorr) | 1:51.9 |
| 1920 | Hill, Eng. | 1:53.4 |
| 1924 | Lowe, Eng. | 1:52.4 |
| 1928 | Lowe, Eng. | x1:51.8 |

(x) Olympic record.
World record, 1:50.6, by Sera Martin, France, 1928.

NEW YORK, May 27 (AP)—Big Ben Eastman, if he essays the ironman role in an attempt to register an Olympic "double," has it well within his powers to smash the British resistance, which like its famous fighting square, has been impregnable at 800 meters in the last three Olympiads.

The chance for it is now gone but what rabid track bug would not have given something approximating his right eye to see, with the left, a duel down the stretch at 800 meters betwen big, gangling Eastman and slim, magnificent Douglas Lowe, British winner of 1924 and 1928!

Eastman, this spring, raced to a new world half-mile record of 1:51.3 shortly after he had lowered the world 440 record.

I saw Lowe, on a steaming hot London day four years ago, in his second race of the Anglo-American meet, romp his half-mile leg of a relay in exactly 1:51. On that afternoon, had the opportunity been offered, I believe Lowe could have cracked 1:50 for the 880.

**Lowe Now Retired**

Lowe has now retired from all competition but his great record not only as the only double-winner in the Olympic 800 but as a sportsman and stylist in running form, leaves considerable for the new generation to shoot at.

His farewell to the Olympics was a record of 1:51.8, shading by one-tenth second the mark set by 18-year-old Ted Meredith in the 1912 games.

**Hampson New Threat**

Even without Lowe to worry about, Eastman may have to be at his best to beat off one or two outstanding foreign challenges, including the new British threat of Tom Hampson. Hampson won the English half-mile championship last summer in 1:54.8 but his best time is close to 1:52.

Dr. Otto Peltzer of Germany, holder of the official world record of 1:51.6 for the 880 (which Eastman bettered) is not likely to be a factor, despite his comeback. The doctor has never regained his 1926 peak. France has two stars in Sera Martin, sixth in the 1928 final after setting a world record at 1:50.6 and Paul Keller. Canada has a real contender in Alex Wilson, who is now running for Notre Dame university.

**Genung Once Best**

Until Eastman raced to the front, the best American 800-meter prospects appeared to be Eddie Genung, the national 880-yard champion, and Russell Chapman, formerly of Bates college. Genung won the half-mile title in 1:52.6 last July. Chapman looked like a coming world champion two years ago. He ran 1:51.5 indoors but he is now working in a Providence bank, doing little training, engaging in less competition and may not be able to show a return to form.

Eastman, Genung and Chapman, all in top form, might sweep the Olympic race but the uncertainties may offer chances for runners like Dale Letts of the Illinois A. C., Otto Rosner and George Bullwinkle, both of the New York A. C., to make the American team.

**Meredith's Drama Greatest**

The most spectacular of all the Olympic 800-meter finals undoubtedly was that of 1912 when the schoolboy Ted Meredith, with an astonishing burst of speed, whipped his more experienced countrymen, Mel Sheppard and Ira Davenport, in a blanket finish and world record time. Meredith, who was instructed just to set the pace for Sheppard, took his instructions literally and never was headed. His time was 1:51.9. Sheppard and Davenport were ahreast in 1:52.

That was the last American victory. In 1920, England's Albert Hill beat the Pennsylvania star, Earl Eby, in the final. Lowe, in 1924, showed the way to three Americans, Enck, Richardson and Dodge. When the famous Briton repeated in 1928, Lloyd Hahn, the best of the Americans, was a badly beaten fifth.

## Mrs. Moody, Miss Ryan Reach Finals In Auteuil Play

AUTEUIL, France, May 27 (AP)—Mrs. Helen Wills Moody and Elizabeth Ryan, leading American doubles combination, today advanced to the finals of the French tennis championships in a three-set victory over Senorita Elia de Alvarez, of Spain, and Josane Sigart, of Belgium. The scores were 6-4, 1-6, 6-4.

Miss Ryan lost her strokes in the second set, frequently sending the ball into the net or outside the baseline lines but steadied in the third to give Mrs. Moody a hand.

Mrs. Moody was stroking the ball well and once Miss Ryan regained her form there was little question as to the outcome.

Mrs. Eileen Bennett Wittingstall and Betty Nuthall, of England, gained the other finals berth with a 6-4, 3-6, 6-4 victory over Muriel Thomas and Ida Adamoff, the Angle-French team.

Mrs. Moody and Sidney B. Wood Jr., her young American partner, advanced to the semi-finals of mixed doubles with a 6-1, 4-6, 6-4 victory over Miss Adamoff and Christian Boussus.

## OLYMPIC HOPES

Trio of foreign threats in the 800-meter event of the Olympics are shown above. Alex Wilson, Canadian now attending Notre Dame university, is pictured demonstrating his get-away. Others are Tom Hampson of England and Sera Martin of France.

**Type Easiest to Read**

Extensive tests by a University of Minnesota scientist indicated that printing with ten-point type is more easily read then when either larger or smaller type is used.

**Historical Globe**

The globe that first put America on the map is in Philadelphia. Intended originally as a gift for the emperor Charles V, it is almost 400 years old and was made by the famous cosmographer and mapmaker, [illegible]

## Tom Paul Wins N. B. A. Feather Belt From Pena

DETROIT, May 27 (AP)—Tommy Paul, game little warrior from Buffalo, N. Y., today wears the National Boxing association's belt, emblematic of the featherweight championship.

He won it handily last night by outfighting Johnny Pena, rugged New Yorker, throughout most of the 15-round final bout of a tournament to fill the vacancy left when Bat Battalino outgrew the division. Referee Slim McClelland's score card gave Paul every round but the seventh.

In his dressing room after the fight, the new champion said he would defend his title here in September against Fidel La Barba. Pena eliminated La Barba several weeks ago in the tournament semi-finals on a decision which fight fans protest to this day.

Last night's go was the first 15-rounder for either fighter and in the tenth it looked as if Paul was fading and might lose the advantage he had piled up through a steady cross-fire of lefts and rights. But midway in the round, he caught Pena with a solid blow high on the cheek. Pena's knees wobbled and the crowd howled for a knockout.

Paul delayed his coup de grace too long and Pena clinched until his head cleared, but the temporary success imbued the ultimate winner with the courage needed to carry on.

In the seventh, Pena caught Paul in a corner and shook him with half a dozen straight lefts and right hooks to the head. The fighting was fairly even in the early rounds and in the eighth and ninth.

**British Silver Coinage**

Sterling silver is defined as the alloy in the proportion of 925 parts of silver to 75 parts of copper, legally fixed as the standard of fineness of British silver coinage.

**Improved on Concrete**

Modern concrete is estimated to be from four to seven times stronger than the concrete of the ancients.

## One Blow Fatal To Senators In Thursday's Tilt

By Gayle Talbot
Associated Press Sports Writer)

One bad pitch a game, one ball that gets away from the pitcher and goes down the batters alley, can very easily cost a good team a pennant, said Walter Johnson recently in explaining his preference for moundsmen with tight control.

As if to bear out his boss' contention, General Alvin Crowder of the Washington Senators tossed one up that exactly suited Lou Gehrig of the Yankees in the sixth inning of yesterday's tilt between the American league pace-setters. Three Yanks were on base at the time and Gehrig, further bearing out Johnson's theory, spanked the ball over the right field fence. The Yanks gathered another run in the ninth for a final score of 5 to 0, but it was Gehrig's blow that knocked the wind out of the Senators. Charley Ruffing didn't give them a hit the last six innings.

The victory perched the Yankees on top by four full games and left the Senators with only a two-game lead over the third place Detroit Tigers, who were beating Chicago, 11 to 2, in the first half of a scheduled doubleheader. The second game was rained out in the fifth with the count tied, 1 to 1.

Jimmy Foxx hit his fifteenth home run of the year, as the Athletics pounded out a 7 to 1 win over Boston. Cleveland and St. Louis were rained out.

The Boston Braves dropped off the National league pinnacle, yielding to the idle Chicago Cubs, when they got the worst of a slugging match with the Phillies, 17 to 13. Five runs in the eighth settled the argument.

Brooklyn got its batting order mixed up and lost a run that would have won in regulation time, but went on to beat the Giants anyway, 3 to 2, in twelve rounds. Home runs by George Kelly and Frank O'Doul were costly to Carl Hubbell, who allowed the Dodgers only nine hits and fanned 15.

Pittsburgh made it three straight from Cincinnati, 3 to 2, and went into fifth place, scoring all its runs off Red Lucas in the second inning.
