The Pythian Sisters and their husbands were invited and enjoyed the refreshments which were served at a late hour in the evening.

First Family of France

Mrs. Albert Le Brun posed, with her family, for this picture after her husband had won the Presidency of France. The "First Lady" is seen in the foreground with her granddaughter, Anne Marie Presslinard. In the rear are Jean Le Brun, a son, and Mme. Marie Presslinard, a daughter, and a little grandson, Pierre Presslinard.

"Tarzan" Thrills Crowds Tuesday At The Liberty

A Review
"Tarzan, the Ape Man," opened a three-day run at the Liberty theatre in La Grande yesterday and the crowds that saw the picture on the opening day were unusually enthusiastic. In fact, here and there through the audience, there were persons who stayed to see the feature twice.

Tarzan was played by Johnny Weismuller, world famous swimmer and champion, and there were samples of his prowess in the water that made many a swimmer in the audience gasp with surprise. Johnny swims, and how!

The wild animal scenes in the picture were unusually well done, and although there had to be some faking, nevertheless it was extremely clever and left the audience wondering how it could be accomplished so faultlessly. Many of the scenes were taken in the African jungles.

It is one of the best movies brought to La Grande in many weeks, and one to which the entire family may be taken for two hours of enjoyment.

Incidentally, it is announced that this was the opening feature of a "Greater Entertainment Month" at the Liberty.

PROH PLANK ON G. O. P. PLATFORM TO BE "LIBERAL"

favor national prohibition as it stands and those who lean toward a change would be satisfied.

Only yesterday, another highly placed Republican, Representative Snell—the party leader in the House—said the plank would be "liberal."

Meanwhile, the party workers are going ahead with consultations as to just what direction the platform as a whole shall take.

HOT LAKE PERSONALS

By Harriet MacDonald (Observer Correspondent)

HOT LAKE (Special)—Morris Balcom, of Albany, Ore., and Miss Andrews of Portland, spent the weekend at the sanatorium visiting Mr. and Mrs. Balcom, of Yakima valley, who have been here since March 30, seeking relief for Mr. Balcom's neuritis.

S. E. Swope, of Yakima, was cheered by a visit from Mrs. Swope last week. Mr. Swope is a hospital patient who has been here for sometime.

Eldon Casper, who is a surveyor connected with highway work at Wallula, Wash., visited his mother, Mrs. Sarah Casper, over the weekend.

Baker was well represented at the sanatorium on Sunday. Apparently the bright day lured many into the highway. Among the visitors were Mr. and Mrs. Charles Wendt, Mrs. J. K. Romig, Mrs. E. S. Pyfer, accompanied by her brother-in-law and sister, Mr. and Mrs. Kirjis of Buhl, Ida., and "Billy Joe," small son of Mr. and Mrs. William Wendt.

Dr. Richmond Wells, of Portland, accompanied by his wife, his mother, Mrs. Leander Wells, and his wife's sister, Miss Vera Horner, who were making a motor trip in Eastern Oregon, paid a visit to their old friend Mrs. McDonald on Sunday. Miss Horner and her sister, Mrs. Richmond Wells, are daughters of John B. Horner, of the O. S. C. family, who spent his early years in this valley where the pioneers still claim him as their own. Dr. Wells is a son of the late Leander Wells who also spent his boyhood at La Grande. This party represented two old-time pioneer families and found much to interest them in their visit to Grande Ronde valley and regretted that time did not permit them to meet more of their old friends.

A wedding of much interest to the sanatorium people was that of Miss Janette Twigger and Dr. George F. Lee, of the Hot Lake hospital staff, which occurred at Union last Thursday. Mrs. Lee is Dr. Phy's private secretary and is well known in La Grande. Dr. Lee came here from Denver more than a year ago. Both have many friends throughout the valley who will join the sanatorium household in congratulations. They will be at home at the sanatorium after June 2.

Meier And Hoss Are At It Again!

SALEM, June 1 (AP)—The second conflict between Governor Julius L. Meier and Secretary of State Hal E. Hoss over automobile license number for the governor's private cars broke out in the meeting of the state board of control here Tuesday. Last year the governor requested special number and was refused, and his request this year for numbers 1, 2 and 3 was again denied.

Governor Meier today accused Hoss of breaking his promise to him, which he said was made several weeks ago, in which he said Hoss had promised him the low license numbers. The executive asked him why he did not receive the plates which were awarded last Saturday to various automobile drivers at the drawing held here.

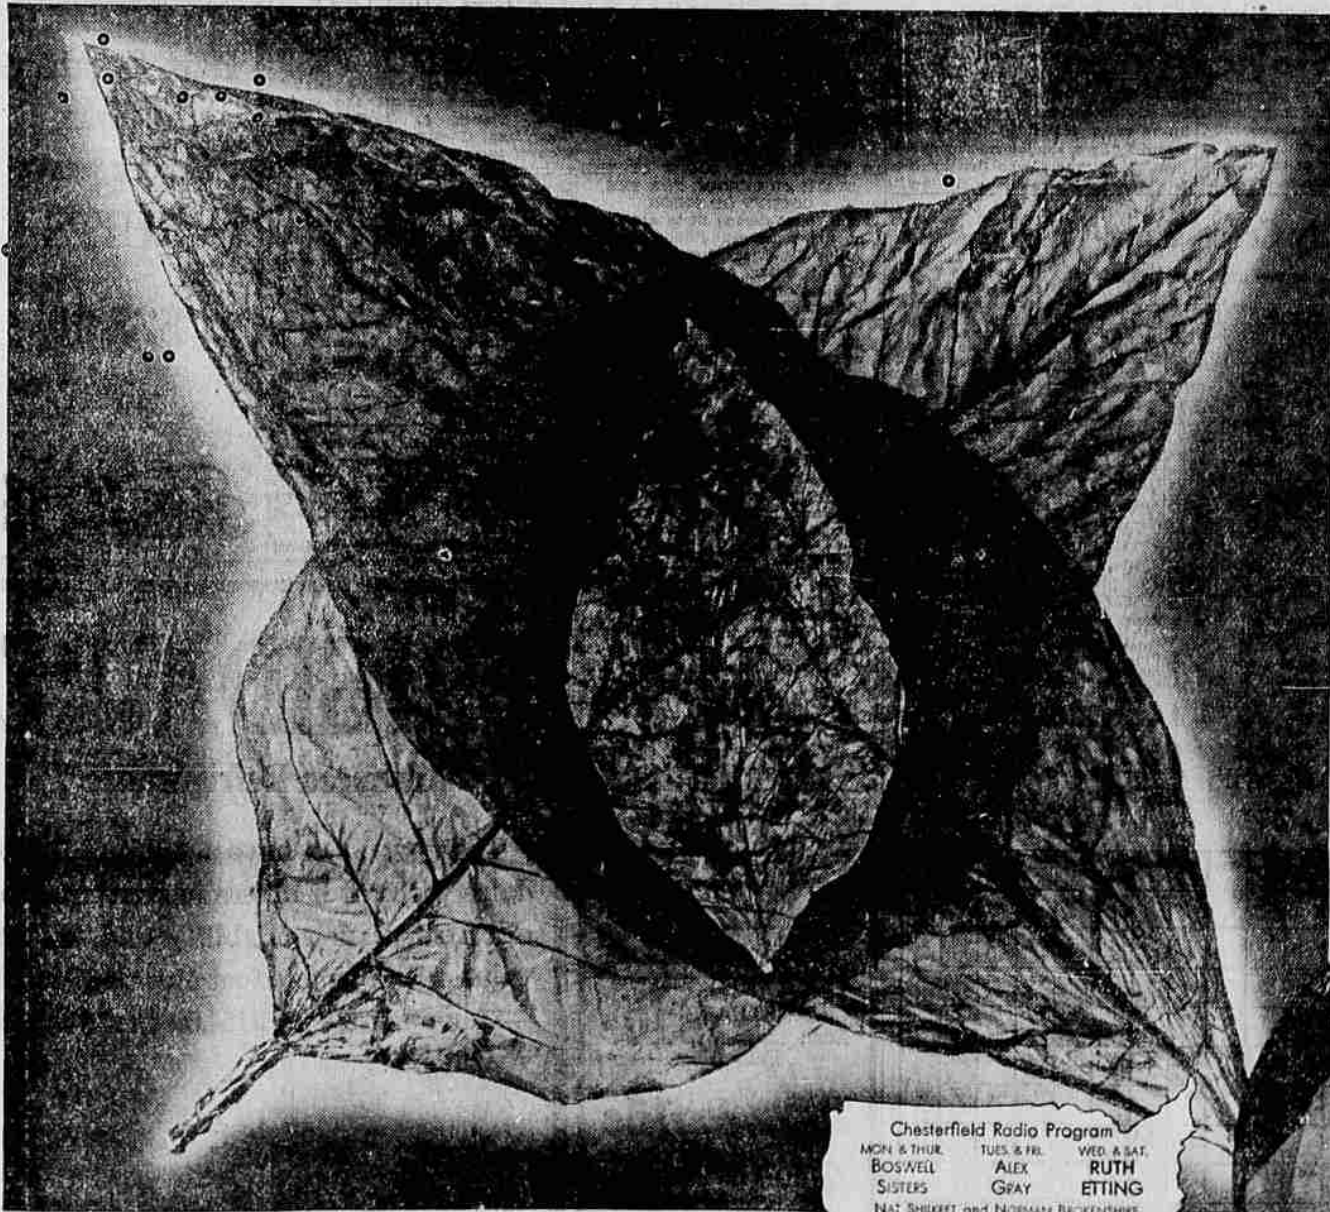

"I didn't know you wanted those numbers," Hoss replied.

"You have a very poor memory," the governor retorted. "You promised me those plates at a board of control meeting and these men heard you."

Resumption of the board of control session ended the personal tilt.

Sculptor's Triumph
Rodt was once falsely accused of having taken a cast from life and shown it as an original statue. To prove his ability in modeling, Rodt modeled the same figure larger than life.

It's as though the tobaccos were "welded" together...

"CROSS-BLENDING" means much more than just mixing tobaccos together.

It "welds" together different kinds of the several varieties of tobacco... many types of Bright tobacco, a great many types of Burley tobacco and numerous grades of Turkish tobacco.

THIS "WELDING" TOGETHER—or Cross-Blending—permits every kind of tobacco used in the Chesterfield blend to partake of the best qualities of every other type. Each tobacco is thus made to yield its finest flavors.

CROSS-BLENDING takes all these pleasing flavors and aromas and combines them into one—the Chesterfield taste. And we think you will agree that it is a far better taste... worth all the extra care that Chesterfield takes to get it.

EVERYTHING that money can buy and that science knows about is done to make CHESTERFIELD milder and taste better.

represent a 400 per cent increase over the existing tax of 1 cent. Traders asserted that the \$6,000,000 increased tax yield it was estimated to bring the government would, if realized, come eventually from the pockets of the farmer.

Members of both the house and senate were warned that such a tax increase is ruinous legislation," Siebel G. Harris, chairman of the grain committee on national affairs, said today. Harris said that the five cents per \$100 was 150 per cent more than the 2 cents tax imposed during war time. There was relative strength in wheat prices at Winnipeg.
