OAKLAND SLUGS DUCK PITCHERS FOR 12-5 WIN

Only Close Game of Day in Pacific Coast League Between Sacramento and Seattle Clubs.

By the Associated Press
Several Coast league players had bigger batting averages today as the result of yesterday's scoring spree which extended to three of the four games played. Fifty-five runs were tallied during the afternoon and evening performances.

Sacramento ran wild against Los Angeles, making 16 runs and 23 hits, while the Angels got only one run from three safeties. Ernie Suikk of the Seals, smacked six straight hits—a double and five singles. Joe Rooney, Seal rookie pitcher, might have shut out the Angels if he had not allowed a hit after giving two walks, resulting in the lone Los Angeles run.

Oaks Win 12-5
Pay Thomas, pitching for Oakland, allowed Portland 11 hits, but he struck out 11 Beaver batters. The Oaks won 12 to 5.

The third heavy hitting game was in San Francisco, where the Hollywood Stars pounded two Mission pitchers for 17 hits to win 12 to 2. The league leaders had only a 3 to 2 lead most of the way, but in the eighth frame blasted George Caster out of the box in a five-run rally. Ted Pilette, who finished the last inning, was touched for four runs and five hits.

The batting was more conservative in Seattle, where the Sacramento Senators again just missed winning a ball game. The Indians took the contest 4 to 3. The tribe had the game well in hand until the ninth, when the Solons staged a three-run rally which wasn't quite enough to break their losing streak.

Yesterday's results: R. H. E.
San Francisco 16 23 0
Los Angeles 1 3 0
Rooney and Walgren; Moncrief, Moss and Campbell.

Dern Slugs Kruse In Portland Ring And Loses Match

PORTLAND, Ore., June 2 (AP)—After each had won a fall, Bob Kruse, Oswego heavyweight, was awarded a decision over Ira Dern, Salt Lake City, on a foul here last night, after five minutes of wild propping in the final session. Dern landed a hard right cross to Kruse's chin, putting the latter down and out.

Kruse won the first fall with a flying wristlock in 19 minutes. Dern evened matters in seven minutes 35 seconds with a flying headlock after weakening his opponent with stomach smacks and rabbit punches.

Shortly after the start of the final round, Dern tried for an airplane spin. He hoisted Kruse in the air, but they were too close to the ropes. Kruse grabbed the top strand and held on. Both Dern and Referee Harrington attempted to shake him loose, but he would not let go. Kruse finally fell outside the ring. As he started to crawl back into the ring, Dern rushed him and knocked him to the floor. Enraged, Kruse made a wild swing at Dern, but missed. Dern then retaliated with the finishing blow, Harrington jumped out of the ring and raised Kruse's arm, awarded him the bout on a foul.

Rudy Labitz took one fall and the decision from Nick Elch in the special event.

Athletics Whip Yankees Twice In Double Bill

By Gayle Talbot
Rival American league managers can sit back now and cease worrying about the Philadelphia Athletics. All spring Joe McCarthy, Walter Johnson, Bucky Harris and the others have worn a troubled expression every time the A's were mentioned. Even when Connie Mack's club looked its worst, which was frequently, the boys didn't like to discuss the subject.

They greatly feared it was all a mistake, that they would awaken some fine morning to find they had been dreaming. It was tough on their nervous systems.

Therefore, their probable relief today to learn that everything was all right again, that the Elephants were coming right along. A personal of the standing, in fact, revealed the Elephants practically had arrived.

Yanks Beaten Twice
By knocking off the leading Yankees twice yesterday, 8 to 7 in 16 innings and 7 to 6 in a regulation 9-inning, the Mackmen pushed into the big middle of the flag fight and wrapped the first division up tighter than a new drum. In fourth place, they were only four games back of the Yanks and one game behind the second place Washington Senators, with the Detroit Tigers lodged somewhere in between.

Yesterday's twin triumph, scored after 5 hours and 35 minutes of battling, was a thriller all the way. Max Bishop, on whom walters were rumored to have been asked two weeks ago, won the opener with a homerun in the last of the sixteenth. The nightcap was almost a duplicate, Jimmie Fox supplying the winning runs with a circuit blow in the seventh.

Senators Move Up
Washington eased into second place by virtue of a hard-won 2 to 1 verdict over Boston while Detroit was being rained out at St. Louis. Lloyd Brown registered his sixth win for the Senators when he blanked the Red Sox until the ninth inning.

The Chicago Cubs, facing a long road trip, saw their lead over the idle Boston Braves reduced to two games in the National league when they were whitewashed by Dizzy Dean of the Cardinals 1 to 9. Dean, noting the Cubs' "Baby Street" game, was overdue with his bright, young promise, held the Cubs to five hits.

The Phillies rallied against Bill Walker to score three runs in the eighth, beat the Giants 4 to 2, and sent John Moraw's troupe tumbling into last place. Other clubs had no off day.

Suggests Plan To Aid Olympic Pursue
NEW YORK, June 2 (AP)—Dan Ferris, secretary of the Amateur Athletic Union, has suggested a plan to determine the most popular school boys' newspaper in raising the \$500,000 necessary to support America's athletes at the international games in Los Angeles this summer. So far, only about \$35,000 of the total sum has been subscribed.

Ferris suggests the newspapers of every large city promote contests to determine the most popular school boys' between the ages of 13 and 17, awarding to each winner as a prize a free trip to the Olympic games. Coupons published in the papers would give readers the opportunity to vote for their candidates, at the same time accompanying each ballot, coming 10 votes, with ten cents in cash. These contributions would be turned over to the Olympic committee.

"If 50 newspapers would promote these contests with only 50 boys in each city entered and as few as 500 people voting for each candidate, they would realize \$125,000 for the American Olympic fund," Ferris said.

FINN DISTANCE RUNNERS STRONG

With or Without Nurmi, Invaders Expect to Shine in Two Long Races.

By Alan Gould
(Associated Press Sports Editor)
NEW YORK, June 2 (AP)—With or without the great Paavo Nurmi to exert a paternalistic influence upon the proceedings, Finland's delegation of distance runners figures to out-

class the world in the Olympic 5000 and 10,000 meter runs at Los Angeles. In eight previous Olympic races at these two distances the Finns lost only once. That was at Antwerp in 1920 when Paavo, then just a youngster of 1923, trailed Josef Guillemin of France by 20 yards.

This year Finland's new galaxy of stars, all benefited by Nurmi's coaching, probably will sweep the long runs with ease. Barring Nurmi or an accident, 23-year-old Lauri Lehtinen should capture the 5000 and 24-year-old V. Iso-Hollo or Toivo Loukola, 27, pushing his countrymen in each event.

Nurmi May Run 10,000
Nurmi, if his suspension is lifted, will run the 10,000. He has won this race twice and set the Olympic record at 30 minutes, 18.8 seconds in 1928. World records at both distances also belong to Paavo.

Lehtinen is the fair-haired boy among the newcomers. He was just a stride behind Nurmi when the veteran lowered the world two mile record to 8:59.5 last summer. His best time of 14:31.7 for 5000 meters is just a trifle short of Paavo's world mark. He has also done the 1000 in 3:55 and might try to duplicate Nurmi's 1928 string of conquests from that distance up.

All Good At Distance
By any system of figuring the Finns loom very impressive. Iso-Hollo and Virtanen both have shaded 14:40 for the 5000 meters. Loukola has a mark of 30:56.8 and Iso-Hollo 30:51 for the 10,000 meters. Aside from these Finns, no runner anywhere is credited with beating 31 minutes for the longer route.

The best the United States has ever done over these Olympic routes is a second place in the 10,000 gained by Lewis Tewanning, the 1904 Olympian, in 1912, when Hannu Kolehmainen was the winner. George Bonhaig finished fourth in the 5000 that year. Then followed a scoreless gap until 1928, when George Lermund finished fourth to Ritola in the 5000 and Jole Ray was sixth in the 10,000.

Chicago May Aid U. S.
The prospects are a trifle better this year. Our boys not only have been displaying more speed and stamina, but they will benefit from the home climate. Lermund, with added experience, may be a real contender in the 5000 meter race, although his best for the distance is 14:52.8.

The 5000 meters is approximately three miles, but this may prove well within the powers of the Big Ten sensation, Henry Brocksmith of Indiana. He has shown remarkable speed at one and two miles, doing the latter distance in 6:18. Michigan State's good barrier, Clark Chamberlain, might make the team.

Hops Too Slow
As to endurance is concerned, the Hopi Indians of California have plenty of it for the 10,000, but their times are not very impressive. Two of them, Jimmy Halliday and Harry Chace, are credited with 31:38 and 31:51. The national six-mile champion, Louis Gregory of Newark, did 31:26.4 for this distance last year, but it is about 400 yards short of the 10,000 meters.

Lippt of Italy, Kusocinski of Poland, Syring of Germany and Mattsson of Sweden may be heard from, but that's about all. South America may turn up with the Finns' closest rivals, Zabala of Argentina and Alarcón of Chile. Zabala, especially, has developed well, but he probably will point for the marathon.

Revoke Permits Of Two Stage Lines

HALEM, June 2 (AP)—Two stage lines operating between Portland and Seattle have had their permits revoked by the Oregon public utilities commission during the past week. It was announced at the office of Commissioner Charles M. Thomas today. Both were passenger carriers and were going interstate business. The license of the Cramer stage lines of Portland was revoked last Saturday and the license of the Cobb & Curtis stage line of Seattle was revoked yesterday. Both had failed to qualify in carrying liability and property damage insurance, the commission announced.

PROMISE PERSONALS

By Mrs. Bertha Carper
Observer (Special)—Mrs. Beulah Moore returned to her home near Wallowa Sunday after spending two weeks with her brothers, Dee and Charlie Moore. She expects to leave for Portland soon and will spend the summer there and at McMinnville with her sister, Mrs. Landers.

Word reached here Thursday of the death of Kenneth Arlin Carper, 14-month-old son of Mr. and Mrs. Alfred Carper, of Richland, Wash. The little child was sick five days and just before he died, he gave up a slug (a kind of nail) and it is supposed he swallowed it while at play in the yard. Mr. and Mrs. Carper lived here for many years and have a host of friends who sympathize with them in their sorrow.

Memorial day was fittingly observed here Saturday at the Grange hall. A community dinner was enjoyed at the noon hour. After noon a splendid program was given, consisting of a short talk by P. G. Potter, song "America," reading, "Our Two May Holidays," Mrs. Sybil Carper; reading, "The Message from the Silent Bivouac," Mrs. Bertha Carper; song, "Just Before the Battle Mother," men of the Grange; readings, Mrs. Maids Swearingen and Mrs. Allie Smith.

After the program all went to the cemetery and decorated the graves with flowers. Two old soldiers, M. F. Doud and G. W. Carper, are buried there.

Mrs. Dora Ballard and daughter, Elaine, of Enterprise, are visiting Mrs. Ballard's daughter, Mrs. Sybil Carper, this week.

Mrs. Maxine Bethel, of Wallowa, is visiting her father, Jack Bethel, at the Henry Snuffer home this week. John Carper, Reuben Barton, Rollin Gorbet and Ed Denton are working the road near the Powers place this week.

Harold Carper is visiting his brother, Roy, at Eden this week.

Ellis Haney, of Maxville, is staying with his uncle, Ed Carper.

Mr. and Mrs. Obe Swearingen and son, John, visited with Mr. and Mrs. Truman Poulsen on Upper Powwaka Sunday.

There was a dance at Charlie Morris' place Saturday night which was well attended and a good time was reported.

Ivan Carper returned home Sunday after spending the week with his brother, Roy, on Eden ridge.

Ruby Trump has returned to her home at Maxville after visiting here several days with Mrs. Lora Barton, Mrs. Sybil Carper and Mrs. John Carper.

Betty and May Haney, of Maxville, are staying with their aunt, Mrs. Lora Barton.

Harvey McDonald visited his parents, Mr. and Mrs. S. S. McDonald, in Wallowa Sunday. Mr. McDonald's thumb is slowly healing but the doctor thinks he will have to take off a part of it.

Mrs. Rachel Bennett came in Friday from Wallowa and spent the night at the Henry Snuffer home. Going on to her place she visited for a while with Mr. and Mrs. Howard Carper. She then attended the Memorial day service at Grange hall, visited the cemetery and then went to John Carper's where she visited until Monday. She returned to her home in Wallowa Tuesday.

Sunday some of the Promise baseball players went to Troy and played a game with the Troy boys, losing 2 to 4. The Troy boys are coming here to play next Sunday afternoon. A picnic dinner will be served at noon.

CITY PAID THE BILL!

NEW YORK, June 2 (AP)—The bruised toes and thumbs of its workers sets New York City back large sums. Investigator Samuel Seabury charged yesterday.

He cited the case of Edward Baren, who hurt his thumb. The physician who attended him included in his bill an item for strapping a foot.

ON THE MALAY PENINSULA BEEES MAKE HONEY BUT DO NOT EAT IT. THEY LIVE ON NECTAR THE YEAR ROUND, AND THE UNUSED HONEY ACCUMULATES IN GREAT MASSES.

THIS GLOBE, if looked at from the points mentioned above, appears quite unequally divided. The land hemisphere takes in all of the large areas of land, with the exception of Australia, Antarctica, and a narrow point of South America. The water hemisphere includes most of the Pacific and Antarctic oceans, and a good part of the Indian ocean.

FLOWERS bloom all through the year in the Malay states, and there is always a plentiful supply of nectar for the bees. Even the people are not fond of honey, and much prefer eating the young bees.

Take Dead, Injured Navy Men to Manila
AMOY, China, June 2 (AP)—The United States navy destroyer John D. Edwards left here today for Hongkong with the body of W. E. Leathers, of Salisbury, Mo., navy fireman who was killed yesterday when an explosion destroyed the refrigerating plant on the navy gunboat Tulsa.

The gunnery also took 13 enlisted men who were injured in the explosion. The three most seriously injured were W. W. Allen, electrician, whose thigh was broken; H. H. Linder, pharmacist, arm broken; and W. W. Carter, fireman, burned.

At Hongkong, naval officials said, they will be transferred to the U. S. Gold Star and taken to the naval hospital at Manila, where they are due to arrive Monday.

The Tulsa was reported considerably damaged by the explosion, but it is being repaired here.
