The Big Show—
When the "Over the Valley" page appears again, the big Eastern Oregon livestock show will be in progress over at Union. This week every indication is that it will be the biggest show ever held, so far as number of exhibitors is concerned, so far as character of stock on the grounds is concerned, so far as the P. F. A. and 4-H club exhibits are concerned, so far as strings of race horses are concerned, and so far as efforts put forth by Union folks are concerned. It remains now for the rest of the valley, the rest of the county and the rest of Eastern Oregon to furnish the rest—the gate receipts. Of course, primarily, it will be a place of entertainment, but it will also be a place of entertainment and of sociability. Let's pack a lunch, crank up the car, take the family and go! Wednesday, Thursday and Friday!

III—
Mrs. Henry Counsell, of Ladd Canyon, was called to Pendleton last Saturday where her niece, Miss Jean Spencer, third daughter of Mr. and Mrs. Wallace Spencer, of Umatilla, had undergone an operation for appendicitis. Peritonitis had set in and she was, for a time very low, but she is slightly improved now, it is reported.

Return Home—
Mr. and Mrs. Frank Smith, of Pleasant Grove have returned home from Pasco, Wash. They made the trip there a week or two ago expecting to pick strawberries, but found 150 people on the waiting list ahead of them.

In Hospital—
Mrs. Homer Bidwell, of North Powder, is a patient in the Grande Ronde hospital, where she underwent an operation on Wednesday of this week. She is reported to be making a satisfactory improvement. Her sister, Mrs. Ida Hawley came last week from her home near McEwen to be with her.

From Medford—
George Garrett, of Medford, came by train to Elgin for Memorial day and to visit with his brother, Robert Garrett, and his sister, Mrs. Sarah Tuttle.

Postponed—
The meeting of the Allice Ladies Aid society which was to have been held next week, but which was postponed on account of the stock show, is now announced for Thursday, June 10. While all the plans have not been completed it is thought that this meeting may take the form of a picnic.

Get The Bears—
Reports come from Medical Springs section that Pat Powers, J. R. Wankor and Lou Wirth, well known county residents, recently bagged two large brown bears in that vicinity, one at Sawtooth and the other at Taylor Green.

In Texas—
Friends in this valley will be interested to know that Mr. and Mrs. Marcus May are now living at North Worth, Tex., where Mr. May is engaged in advertising selling, Mr. and Mrs. May formerly lived on the old Wade place in the Willow Creek neighborhood. From here they went to Central Oregon, then to Boulder Dam and have now transferred to the Gulf Coast state.

Get-Together Club—
The Get-Together club members and two visitors, Mrs. Emma Pool and Mrs. Frank Counsell, had a pleasant meeting at the home of Mrs. Mary Counsell, in Ladd Canyon, Thursday. The afternoon was quickly whittled away in participation in two guessing contests, one by Mrs. Ada Clark and one by Mrs. Elliott Austin. Then Mrs. Frank Pool's name was drawn from the membership list to receive the "gift box" to which each member had contributed a hand-made article. She received several nice aprons, towels and many other useful articles. Mrs. Counsell served some nice refreshments at the close of the afternoon. Mrs. Henry Ewin will be the hostess to the club in two weeks.

Pomona Grange—
The early summer meeting of the Union County Pomona grange will be held at Pleasant Grove on Saturday, June 25, according to recent announcements.

Summerville Program—
Brief mention has been made in the Observer of the program given at the Summerville chapel on Memorial day. The program as arranged by the committee, Mrs. Lella Graham and Bennie Hicks, was given at the chapel after the big community dinner which the men and women of Summerville and surrounding territory had served to a large crowd at the Masonic hall. Miss Clara Aulclair, of Dry Creek opened the exercises with a piano solo, which was followed by the singing of America by the entire congregation. The invocation was offered by Rev. Ray Hug. "The Man of Galilee" was the title of the solo sung by Rev. Howard Smith accompanied on the piano by Miss Genevieve Adair. The address by the Rev. J. George Walz, of La Grande, was followed by the hymn "Rock of Ages" by the congregation, prayer by Rev. Mr. Hug and a March played by Miss Aulclair.

Moves to Elgin—
Elgin is about to have a doctor. Dr. C. A. Ault, of Enterprise, is moving to Elgin to establish a practice. He has been a resident of Enterprise for 40 years, it is stated.

Visits—
Mrs. B. Rhode, of Echo, Oregon, is visiting this week with her parents, Mr. and Mrs. Charles Cameron, of Cricket Flat.

Have New Daughter—
A baby daughter was born to Mr. and Mrs. John A. Shaw, of North Powder, at St. Elizabeth's hospital in Baker Sunday.

New Berries—
The first of the week we had our first taste of strawberries from the Grande Ronde valley, and were they good. They came from the garden of Mr. Elmer, of Lower Cove, where there seems to be the earliest and grow the fastest. Mrs. Elmer's large garden is on the proper slope, is wonderful soil, where irrigation is unnecessary and her garden is always a place easy to look at.

Visits—
Frederick Hill, of Elgin, visited among his friends and relatives in La Grande yesterday.

Imbler Aid—
The regular monthly meeting of the Imbler Ladies Aid society was held Thursday afternoon at the home of Mrs. Bessie Westenskow and the attendance was very good, about 20 women and six children being present. Mrs. Charles Cleaver had charge of the devotionals, and the president, Mrs. J. A. Chasell conducted the business meeting. There was a program offered during the meeting which had been prepared by Mrs. George Crouser. Miss Betty Crouser gave an essay, Miss Maxine Singaman a reading and Dorothy Crouser and Marjorie Howell sang two songs playing their own accompaniment on their ukuleles. Two interesting contests followed. Mrs. Westenskow was assisted by Mrs. Charles Holmes and Mrs. William Kohn when she served a lovely lunch. It was announced that the next meeting would be at the home of Mrs. Holmes.

To La Grande—
Miss Hazel Williamson, graduate of last year of E. O. N. will come to La Grande the last of the week to attend the commencement festivities at the Normal school. Miss Williamson, who will teach in the Pendleton schools next year, expects to attend the University of Washington, at Seattle, this summer.

To The Lake—
Mrs. L. W. Drummond, of Ladd Canyon, has been making daily trips to Hot Lake where her daughter, Mrs. Fred Byers, is under observation.

At Grande Ronde—

Sunday, they all drove to Richland for a family reunion. It was the first time in 18 years that the children had all been together. Sunday evening, Henry and wife returned to Medford, but Mrs. Bradford and daughter are remaining for a longer visit with her mother.

Rebuild—
Mr. and Mrs. R. P. McClure, of Ladd Canyon, who lost their home and contents by fire two weeks ago, have continued to live on the place in a little house which Mr. McClure hurriedly built. Fortunately Mr. McClure is a good carpenter and he is planning to build them a new house.

On Auto Trip—
Miss Vergella Bond, one of the teachers in the Imbler school, after a short visit at the home of her parents, Mr. and Mrs. C. W. Bond, in the Muddy Creek district, left Tuesday, accompanied by her brothers, Elmer and Turner Bond, on a motor trip which will take them to the middle West. They plan to visit with relatives in Kentucky during the months of June and July. They planned to go on the Lincoln highway and to make stops en route in Kansas and Missouri. Their plan was to return to the valley some time during the early part of August.
