## Lutheran Church Events Planned

Two events of interest to members of the Lutheran church were planned yesterday afternoon when the Lutheran Ladies Aid met at the home of Mrs. Jim Schilling. On June 23 the children of the Sunday school will be entertained at a picnic, and on July 17, the entire congregation of the church will gather for an outdoor meeting.

Committees for the Sunday school picnic, which also will replace the next meeting of the Aid, were appointed and include Mrs. H. A. Klinghammer and Mrs. Schilling, refreshments; and Mrs. Ernest Kinzie, Mrs. George Andrews and Mrs. Fred Murray, games. The city park will be the scene of the event to which all members of the Sunday school will be invited.

## Picnic to be Held At Riverside Park

Picnics are predominating in the activities of many organizations of La Grande, among them the annual

all-day event at Riverside park planned by the Riverside Ladies Aid for their families on June 14. Arrangements were discussed yesterday at Lane Chapel, with Mrs. F. E. McAnulty, president, in charge of the meeting.

A program, arranged by Mrs. John Jennings, Mrs. Wallace Case, Mrs. Fred Tuveson, assisted by Mrs. H. G. Hale, Mrs. Albert Neukirchner and Mrs. Charles Chadwick, was presented after the business meeting. Mrs. Everett Chadwick was welcomed into membership in the aid.

Guests for the afternoon were Mrs. J. W. Ferdinandson, Mrs. Clelland Jennings and Mrs. Jane Evans, of Salem.

## PILE SUFFERERS

Can You Answer These Questions? Do you know why external remedies do not give quick and permanent relief? Why cutting does not remove the cause? Do you know the cause of Piles is internal? That there is congestion of blood in the lower bowel—the veins flabby, the parts almost dead? Do you know that there is a harmless internal remedy for itching, bleeding or protruding piles, discovered by Dr. Leonhardt and known as HEM-ROID that is guaranteed? HEM-ROID banishes piles by removing the cause. It stimulates the circulation in the lower bowels—drives out the thick impure blood, heals and restores the affected parts. This remedy has an almost unbelievable record for sure, safe and lasting relief to thousands of pile sufferers.

## BOSTON WOOL REPORT

BOSTON, June 10 (AP) — The Commercial Bulletin will say of the wool market tomorrow: "There is a slight improvement in the demand for wool, so that there is now the possibility to quote prices with some sense of assurance. Fair sized purchases have been made this week by a few buyers of nearly all grades and types of domestic wool."

"In the west, the movement of the new clip continues moderately. It is estimated that 40 to 60 per cent of the new domestic clip has been moved from first hands either by sale or consignment, chiefly by the latter method."

"There is evidence of returning confidence in the price goods markets in the underlying stability of wool and wool goods prices. No big movement has yet occurred but better interest is being shown."

"The foreign markets are fairly steady on the basis of the last London colonial wool sales. Primary markets are generally closed for the season."

"Mohair is still dull and prices nominal. Some effort is being made to move the Texas clip."

## MAID, LINDBERGH KIDNAP SUSPECT COMMITTS SUICIDE

(Continued From Page One)

Maryland, real estate man, corroborated Guggenheim's testimony of how

Means assured them he could recover the baby because of a "blatant" connection with the kidnapers.

Fleming quoted Means as telling him that not long before the baby was spirited away, Means met a former fellow prisoner in a New York speakeasy. This man, Fleming said, Means told him, informed Means of plans for a kidnaping which would cause "world-wide notoriety or receive no publicity at all."

The man said the job would mean "fifty grand or maybe one hundred grand," Fleming quoted Means, and proposed that Means join in it.

Means declined but when he later read about the Lindbergh kidnaping he realized at once his friend was connected with it, Fleming said, adding that Means told him he then went back to New York, contacted his friend and found that his theory was correct.

It was because of this, Fleming said Means assured him he knew he could return the Lindbergh baby.
