FISH ARE BITING IN MANY STREAMS THROUGH COUNTY

Creek, Ladd canyon, the Ruckie range station and vicinity, Wallowa lake and Little creek near Summerville. The upper part of the Mt. Rainier road is not open yet, but the lower part is passable. The roads are dry for the most part, and association of officials here believe that by Sunday, if fair weather prevails, all the roads around La Grande will be in condition for travel.

While local people are seeking

places to go out-of-town, many tourists are coming to La Grande, some for several days visit in the Wallowa lake wonderland, and foreign car registrations at the chamber of commerce show a 30 per cent increase this year over last year at the same time.

District Ranger Gerald Tucker reminds campers and picnickers that permits must be secured to build fires in the national forests, according to a federal regulation, and 10-day permits may be secured from the ranger's office in the federal building.

Chicago, June 16 (AP) — Mrs. Edith Rockefeller McCormick, like her brother, John D. Rockefeller Jr., has taken a stand for repeal of prohibition. She declared last night she believed the 18th amendment should be repealed and liquor manufactured, distributed, and sold under government control.

"The federal government should have the right to control the quantity and quality of alcohol manufactured, as well as the methods of distribution and sale," said Mrs. McCormick, a leader in Chicago society. The Rockefeller family for years

has been silted with the cause of prohibition. John D. Rockefeller Jr., a personal dry, stated last week he and his father had donated about \$500,000 for its support. Popular belief had held their donations to be much larger.

WASHINGTON, June 15 (AP) — Deets Pickett, secretary of the Methodist Board of Temperance, today predicted that prohibition would be "vindicated" if and when the suggested new amendment contained in the Republican platform is submitted.

TURN A TREAT INTO a Triumph

GLORIFY STRAWBERRY SHORTCAKES WITH CALUMET'S DOUBLE-ACTION!

TO-DAY—make the world's best strawberry shortcakes! The real old-fashioned kind—but with a tenderness, a lightness you've never known before. Fluffy puffs of deliciousness, rich and flaky—spread with butter and topped with juicy red berries. A triumph, indeed, to set on your table.

You'll treasure this recipe, once you've tried it. But this is important—follow each step exactly—and use Calumet Baking Powder. For it's Calumet's Double-Action that makes these shortcakes so gloriously perfect! Calumet, you see, acts twice instead of once. That works a magic transformation. In the mixing bowl, Calumet's first action begins. It gets the leavening started right. Then, in the oven, the second action starts. It carries on the leavening. Up!... up!... it keeps raising the dough—holding each biscuit high and light, till it's beautifully browned—baked to perfection! And that's what happens to every cake or quick bread when you use Calumet. Two actions get on the job and carry your baking right through to a super-delicate, delicious finish!

Extra thrifty, too!—The simple tested recipe given here is a Calumet recipe—specially designed for the Calumet proportion—only one level teaspoon to a cup of sifted flour. A splendid economy for you—thanks to the perfect efficiency of Calumet's Double-Action.

Be bargain-wise—try Calumet! Remember, Calumet brings to your baking superlative success—complete

satisfaction—every time. It prevents costly failures. Added to that, Calumet is reasonably priced. That's why, from every angle, Calumet is a real baking powder bargain. Calumet is a product of General Foods Corporation.
