'Money Match?'

David Hutton happily said "I'll bet I do!" when Betty Odelle (above) asked him if he wanted to marry Almee Semple McPherson "for her money," according to Miss Odelle's testimony during the trial of Myrtle St. Pierre's \$200,000 heart balm suit against the husband of Angelus Temple's woman pastor in Los Angeles.

GAINED 14 LBS. IN 3 WEEKS!

That's a good record — but skinny, scrawny folks just can't help putting on firm healthy flesh when they take mentha pepsin with their meals. Mentha pepsin is a tasty appetizer that acts like nature's own gastric juice to draw out all the good of what you eat. No stuffing. No forcing down of rich, greasy foods. Simply eat what you like and mentha pepsin will do the rest. One skinny girl gained 14 pounds in 3 weeks. Cost her only \$1.00 for a big bottle of mentha pepsin—she took a tablespoonful with her meals. Be sure to get genuine mentha pepsin by asking for Dares'. Red Cross Drug Store and other first class druggists always sell it with a guarantee of money back if even one bottle doesn't help. —Adv.
