

I READ THE . . . LA GRANDE OBSERVER

. . . **B**ECAUSE it is the only paper that gives a complete, up-to-date account of the daily events of La Grande and Union and Wallowa Counties - because it is the only paper that carries display and classified advertising of the liveliest, most progressive stores and business houses of La Grande - because it gives me brief quickly read articles on state, national, and international events the same day they occur (the same news that appears in the metropolitan newspapers that are not delivered until the following morning) - because every member of my family finds it interesting and worth while reading, and would not know how to get along without it - because it prints the news fairly, without bias or sensationalism - because it supports every worthwhile community project and keeps our citizens thinking and working for the best interests of the entire territory, city and country alike - and because it is the cleanest and best all-round newspaper for my home! - I READ THE OBSERVER!
