

Beavers and Stars Both Beaten Tuesday Night

PORTLAND STILL AT TOP IN SPITE OF 7-6 REVERSE

Oakland Scores All Runs in Ninth Inning; Early Hollywood Lead Overcome By Los Angeles.

By the Associated Press

The Oakland A's, running seventh in a field of eight, trampled hometown fans to their best ball game of the season in upsetting the league leading Portland club 7 to 6. The defeat did not cost the Beavers their top position for Hollywood, second by only one game, also was tipped over by Los Angeles, 6 to 5.

The Beavers had the Oaks blanked for eight innings, but in the ninth the Oaks trooped in with seven runs. Hollywood had a four-run lead in the first inning, but the Angels came back with one in the second and five in the third to win 6 to 5.

Curt Davis of the Seals and Ted Pilleto of the Missions engaged in a pitching tussle, the Seals winning 3 to 2. Davis shut out the Missions until the ninth when they scored their two runs on a walk, a single, an error and an outfield fly.

Seattle's drive to advance from the second division in the standing to fourth place was checked by the Sacramento Senators, who beat the Indians, 9 to 2. The Sacs got 13 hits.

RINGLING DENIES HUMOR

NEW YORK, July 13 (AP)—John Ringling, chucking, denies a report that he hasn't got a leg to stand on. The magnate of the big top, recovering from an infection of the foot, issued a statement from his Coney Island hotel suite, contradicting a report that his legs had been amputated.

Sarazen's Drives Attain 130 M. P. H.

DETROIT, July 13 (AP)—Gene Sarazen hits a golf ball off the tee at a velocity of between 120 and 130 miles an hour. This was established in a test made yesterday with stop watches and an automobile at the proving grounds of a local motor car company.

Synchronizing the start of a drive five times with an automobile maintaining a 120 mile an hour speed, Sarazen got the ball into the lead of the motor car for about 100 yards. Then for a time the ball and car traveled on even terms but finally the car pulled gradually away.

Jack Kearns Weds Lillian Kanaler

SHREWSBURY, N. J., July 13 (AP)—Jack Kearns, who used to be Jack Dempsey's manager, was married last night to Miss Lillian Kanaler of Louisville, Ky., at the home of Mickey Walker, former middleweight champion who now fights in the heavy-weight division. Kearns is Walker's manager.

YES, HE SELLS BANANAS

NEW YORK, July 13 (AP)—Mike De Maria sells bananas, and under the circumstances so would anyone. "Sure I sell bananas," he told Magistrate Casey who wanted to know why he was peddling in a restricted area. "I sell banana because altogether I have 21 children. Ten are still living and they have to eat. So I sell bananas."

BALL CLUB IN "NO PAY, NO PLAY" STRIKE

TOPEKA, Kan., July 13 (AP)—"no pay, no play," strike has been called by members of the Independence club of the Western association, simultaneously with a disputed announcement that William Fleischaker, owner of the Topeka club, had relinquished possession.

The latest developments, last night, has left the status of the six club loop in considerable uncertainty. Financial troubles have been common during the season, resulting in numerous transfers of memberships and teams.

Members of the Independence club, irked at non-payment of back salaries, left Hutchinson last night an hour before game time and forfeited the contest to the Wheat-Shockers. A futile effort was made by Harry Purcell, producer manager, to prevent the departure of his charges.

Robin Reed Will Meet Henry Jones

SALEM, Ore., July 13 (AP)—Robin Reed of Reedsport, holder of the world welterweight wrestling championship, will defend it against Henry Jones of Provo, Utah, here again next Tuesday night, it was announced in the course of a mat show at the armory in which both men defeated their opponents.

BOY DROWNS IN LAKE

TILLAMOOK, July 13 (AP)—Robert Treblehorn, 10, drowned in Lake Lytel Tuesday when he fell off a bridge while fishing.

INDIANS HEADING FOR FIRST PLACE

Win 9 of Last 12 Games—Win Today Would Put Them in Second Place Tie

By Gayle Talbot (Associated Press Sports Writer)

The Cleveland Indians, tearing through the east with a speed and spirit that stamps them a vastly improved club in the last month, promise to instill some life in an American league race that had about died on its feet.

Featuring a boisterous batting attack, the Indians have captured nine of their last twelve games, including four out of five over Washington and three of four from the Athletics, and within a week have fought their way up from the second division into a tie for first place.

Their spurt has enabled the Indians to pick up better than two games on the Yankees, and they will have a grand opportunity to make further inroads when they open a series at Yankee stadium tomorrow.

The Indians gave one of their most impressive performances of the year yesterday in hammering the great Lefty Grove for 18 hits and a 7 to 6 victory. Eddie Morgan's home run, followed by doubles by Sewell and Casell, scored the winning runs in the ninth. It was the second straight defeat for Grove and the first complete game he had pitched since he turned an ankle a month ago.

The combination of Charley Ruffing's gilt-edged pitching and Ben Chapman's home run with one aboard gave the Yanks a 4 to 2 decision over St. Louis, although they made only five hits off Walter Stewart. Babe Ruth walked four times and scored twice.

It took Washington 10 innings to subdue the White Sox, 13 to 12, and then they needed a wild throw by Like Appling to give them the deciding run. Appling made three of eight bobbles charged to the six inner works.

The Boston Red Sox, who have

rouse themselves to win six games in the last fortnight, whereas they had required two and a half months to capture their first twelve, nosed out Detroit, 3 to 2, behind Bob Kline. Successive drives by Dave Barbee and Gus Dugas, gave the Pittsburgh Pirates an 8 to 7 verdict over Brooklyn in 12 innings. The two game breakers were filling in for the Waner boys, Paul and Lloyd, who went out early in the game with minor injuries.

The second place Chicago Cubs kept pace with a 4 to 3 win over the Braves, engineered by Pat Malone. Knocked from the box in the first inning the previous day, Malone came back to allow eight hits and score the winning run in the ninth.

George Watkins gave the Cardinals their third straight over the Phillies by a score of 7 to 6 when he knocked one from the premises after two were out and one on in the ninth inning.

LLOYD WANER INJURED
PITTSBURGH, July 13 (AP)—The jinx that has trailed many a major league ball club has caught up with the league leading Pittsburgh Pirates to put the "poison brothers," Lloyd and Paul Waner on the sidelines.

During yesterday's extra inning game with Brooklyn, Lloyd suffered a wrenched leg that will keep him out of the game for several days. Paul, the National league's leading slugger, cut a finger and while he may play today, he has a very sore hand.

Baseball men agreed that the loss of the younger Waner for any considerable length of time will hurt the Pirates' chances for the league flag. He is one of the most consistent hitters in the lineup.

Captain Pie Traynor is also unable to play because of injuries. Tony Piet is hobbling around with many bruises and sore muscles as the result of collisions.

MISPLACED APPLAUSE

CHICAGO, July 13 (AP)—Al Spohrer, the Boston Braves' baldheaded catcher, probably will pick his spots hereafter when he laughs on a baseball field. Spohrer got large applause when

the lady fans cheered Pat Malone as the Cub pitcher went to bat with two out in the ninth inning yesterday. He removed his mask and glove and daintily applauded as the Altona Irishman approached the plate. Malone scowled and let go at the first pitch by Ben Cantwell, driving the ball to left center for a single. Successive hits by Herman and English sent him home with the winning run—which failed to squeeze any applause from Spohrer.

BRITISH AND FRENCH PLAN NEW PROJECT

(Continued From Page One)

London and Paris today that the French and British governments had agreed to co-operate in efforts to solve European political problems which parallel the financial and economic matters considered at the Lausanne conference.

Premier Herriot made the announcement in Paris and Sir John Simon, foreign minister, told parliament of the agreement here.

Sir John made it clear the new arrangement has nothing whatever to do with the United States, but is concerned only with European issues. "If the French people are allowed to believe that this agreement refers to the war debts owed to America," he said, "they will be quickly disabused."

The text of the Franco-British accord and also the text of the "gentlemen's agreement" which was a sort of rider to the Lausanne treaty, will be published here and in Paris this evening, it was announced.

The idea of the new agreement was born at Lausanne, where Premier Herriot and Prime Minister Ramsay MacDonald talked it over, but it took form only today.

In an official quarter it was interpreted as a means of obtaining co-operation in the settlement of outstanding political matters.

Specifically, it was understood, the French government has in mind a possible move for revision of the Versailles treaty which may be instituted at some time in the future, presumably by Germany.

By the terms of this new pact France can be certain that Germany and Great Britain, or any other European nation, cannot get together in a common cause for revision of the

treaty without consulting Paris. The hope was expressed that other European governments would signify their willingness to participate in the agreement, but if they don't it will stand for France and Great Britain anyway.

MUST CONSULT FRANCE

PARIS, July 13 (AP)—The first immediate consequence of a new agreement between France and Great Britain, announced this afternoon, is that Great Britain in the future cannot undertake to make new arrangements for debt payments to the United States without first consulting France, Premier Herriot told the chamber finance committee this evening.

The new accord, he said, is a complement to the "gentlemen's agreement" reached at Lausanne and the principle of that "gentlemen's agreement" is that the debtors of the United States would not ratify the Lausanne treaty until each had obtained beforehand an acceptable settlement of its own debts.

"That agreement, he said, is 'happily completed' in the special accord with Great Britain. So far as France and England are concerned, he said, a certainty of a concerted attitude is assured henceforth, "thus facilitating the success of negotiations with Washington."

M. Herriot said that he conceived the Franco-British agreement to be a resurrection of the entente-cordiale and the opening of a new era in Franco-British relations.

From now on, under the agreement, no problem affecting the interests of the countries can be handled by either alone. "The two governments," said the premier, "promise to consult each other on all important matters interesting them which are calculated to suggest the wisdom of European co-operation."

McKELLAR RESOLUTION DEFEATED

WASHINGTON, July 13 (AP)—The McKellar resolution to ask President Hoover as to this government's activity in negotiations connected with the Lausanne reparations agreement was rejected today by the Senate foreign relations committee, 8 to 4.

The committee's action today was interpreted by members of the group as putting an end to the dispute so far as the senate is concerned.

It's the Cigarette that's Milder

and Tastes Better!

That's why more and more Smokers are changing to Chesterfield every day

WHEN you are smoking a lot of cigarettes every day, you naturally want a mild cigarette, and smokers try Chesterfields and find out that they are milder and taste better.

Then smokers tell other smokers—"one smoker telling another"—that they find that although they smoke a great many Chesterfields during the day, they never tire of them; and that they have found out that Chesterfield is a milder cigarette, that it is a cigarette that tastes better, that it is a cigarette with a most pleasing aroma.

Some time ago, in a Chesterfield advertisement, there was a statement, "A \$90,000,000 Reason," and this means that the larger part of \$90,000,000 is invested in the right kind of ripe, mild Domestic and Turkish tobaccos to make sure that Chesterfields are milder and taste better.

May we ask you to try them?
