

# Mrs. Victor Eckley Elected by Legion Auxiliary

## La Grande Organization Elects Officers At Session Held Last Night; Name Three To Attend State Convention in Portland

Mrs. Victor Eckley was elected to guide the 1932-33 activities of the American Legion auxiliary last night at a meeting held at the Sacajawea Inn. Assisting the president during the coming year will be Mrs. Gertrude Maxam as first vice president; Mrs. Millie Morehead, second vice president; Mrs. Minnie Bragg, secretary; Mrs. Ardis Palmer, treasurer; and Mrs. Lorene Palmer, historian.

Mrs. Hazel Graham, outgoing president, was elected as one of three members of the executive committee, the others being Mrs. Christine Nelson and Mrs. C. N. Palmer.

The state convention of the legion and auxiliary will be held in Portland on Sept. 10, preceding the national meeting which opens on Sept. 12 for four days. Delegates to the convention were elected last night. They are Mrs. Graham, Mrs. Eckley and Mrs. Bertha Flanery. Alternates are Mrs. Hazel Wagner, Mrs. Minnie Bragg and Mrs. Lorene Palmer. The meeting will last only one day because of the national convention, and all social activities will be eliminated from the program. Mrs. Mabel McInturf, of Portland, secretary-treasurer, announced recently. Reports of the officers and committee chairmen will be in printed form for the benefit of the delegates and only the necessary business of the convention will be transacted. Officers for the coming year will be elected and delegates to the national convention named.

A brief memorial service, a Pledge contest and a music contest will be held, although the latter will be for the purpose of elimination for the national contest. Mrs. William Kietzer, of Portland, will be in charge of the doll contest.

The majority of the delegates to the state convention plan to remain for the national convention, it is reported.

The Stitch and Chatter club of the auxiliary was voted disbanded for the next two months, last night, and reports of the picnic at the Palmer cabin and the outing at Riverside park for the Camp Fire girls were reported on during the business session over which Mrs. Graham presided.

August 10 is the date of the next meeting.

So-Ne-He Club In Meeting Yesterday

Because of the inclement weather the home of Mrs. Weldon Vedder was the scene of a meeting of the So-Ne-He club yesterday which was originally scheduled for Riverside park. Plans were made for an all-day picnic at Pine Cone on August 23, the date of the next meeting.

To increase the attendance and interesting activities of the club, a contest was launched yesterday with Mrs. Curtis Lindsey and Mrs. William Koeter chosen as captains of the two teams.

The remainder of the afternoon was spent in games and conversation, at the close of which a no-hostess luncheon was served at 5:30 o'clock.

Missionary Group Is Entertained

The World's Sunday school convention, which will be held in Rio de Janeiro on July 25, was the theme of the program which was enjoyed yesterday afternoon when the Christian Missionary society met at the home of Mrs. Susan Burnett. The convention will be the first ever to be held south of the equator.

A playlet, "Southward Bound," presented by the Misses Ruth McClure, Lois Robertson and Annie Moore, dealt with the theme, "All Aboard For Rio de Janeiro." Miss Dorothy Smuts spoke on the subject, "Let's Go Sailing Down to Rio de Janeiro," described Buenos Aires and the trip up the river to Paraguay.

Mrs. A. L. Voelz presided at the business meeting which was opened by prayer presented by Mrs. Harper. Mrs. S. A. Robertson acted as program leader, and Mrs. L. R. Purdy led the devotees using as her topic, "Horizons of The Soul." Mrs. Rose Edison led in prayer.

The meeting was the first of the

Okpe Camp Fire Girls in Meeting

The Okpe Camp Fire girls met yesterday at the home of their leader, Mrs. L. W. Berry and planned to start making their headbands of Indian design from beads at the next meeting. They will meet again in a week.

Those present yesterday were Misses Ethel Sherman, Ella Berry, Noreen Berry, Icel Collins, and a visitor, Lillie Sherman.

# "FLYING A"

Puts aeroplane performance in your car!—

"FLYING A" aero-type gasoline, with road-proven anti-knock performance, equal to finest aviation gasolines in octane stability

THERE'S a new gasoline. It is Associated "FLYING A", the result of 4 exclusive developments in refining. You'll notice the difference. That smooth, zooming response which you feel with "FLYING A" in the tank is a new sensation. It is aeroplane performance in your car. Something new. Something you'll like!

Aeroplane performance in your car. Only the vital "heart-cut" from selected gasoline crudes could produce this gasoline. In every gallon there's a full gallon of vital value. No waste. Only fractions that work for you.

"FLYING A" works quietly. It has identically the same octane stability required in aviation gasolines. Sustained anti-knock performance no matter how hard or fast you drive! It's octane stability that counts! Not only high octane numbers.

Hours and hours of driving in cars like yours proved the superiority of "FLYING A." Actual road performance—not alone laboratory tests.

Try it, as we did, on the road. Your smiling Associated Service-man has a tank-full awaiting you at the red,

green and cream "FLYING A" pump.

4 Exclusive Developments

1. Octane stability—sustained anti-knock performance no matter how hard or fast you drive.
2. Heart-cut of the crude, only vital gasoline fractions retained.
3. Equi-fractionating process, to assure Starting, Pick-up, Power, Speed and Mileage; not just one alone.
4. Climatically correct, in accord with weather temperatures where and when you buy it.

Buy a tank-full Today!

The diamond-painted pumps offer Associated Ethyl Gasoline with "FLYING A" as a base.
