

OLYMPIC TRACK TEAM IS PICKED

Wykoff, Kiesel, Dyer and Toppino Named on 400-Meter Relay Squad.

By Alan Gould (Associated Press Sports Editor) PALO ALTO, Cal., July 18 (AP)—The main battle now looms ahead for the American Olympic track and field team...

Despite the utter abandon with which Uncle Sam's best athletes performed, cracking open four world records, equalling two others and surpassing the best Olympic records in 10 out of 18 final events...

"This is the best team we have ever assembled, only in some respects," said Robertson. "It seems stronger than four years ago in the short-distance races and high hurdles. We have some great vaulters and jumpers but other places were lacking."

PALO ALTO, Cal., July 18 (AP)—Three additional and two removals in the lineup of the American track and field team were announced here Sunday by the Olympic track and field committee.

Bob Kiesel, of the University of California, and Hec Dyer, Los Angeles Athletic club, were added to the team for places in the 400-meter relay. The other places were already filled by Frank Wykoff, University of Southern California, and Emmett Toppino of New Orleans.

This involved elimination of James Johnson, negro boy from Illinois State normal who finished sixth in the 100-meter dash. The other change was the substitution of Sol Furth, New York Athletic club, for Levi Casey, Los Angeles Athletic club, as third man in the 100, 200 and 400 meters.

The committee announced this change was made "for reasons best known to the athletes and the committee." Casey, in the finals, finished third with a margin of only 1/8 of an inch over Furth.

Otherwise the team stands on the basis of the final trials in Stanford stadium Saturday.

Motion picture of finishes in the sprints were run off. They showed that Toppino placed fourth and Wykoff fifth in the 100, reversing the official placings. Similarly in the 200 meters the pictures indicated Hec Dyer led Kiesel for fourth place. This revelation did not affect the final order in the A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z, AA, AB, AC, AD, AE, AF, AG, AH, AI, AJ, AK, AL, AM, AN, AO, AP, AQ, AR, AS, AT, AU, AV, AW, AX, AY, AZ, BA, BB, BC, BD, BE, BF, BG, BH, BI, BJ, BK, BL, BM, BN, BO, BP, BQ, BR, BS, BT, BU, BV, BW, BX, BY, BZ, CA, CB, CC, CD, CE, CF, CG, CH, CI, CJ, CK, CL, CM, CN, CO, CP, CQ, CR, CS, CT, CU, CV, CW, CX, CY, CZ, DA, DB, DC, DD, DE, DF, DG, DH, DI, DJ, DK, DL, DM, DN, DO, DP, DQ, DR, DS, DT, DU, DV, DW, DX, DY, DZ, EA, EB, EC, ED, EE, EF, EG, EH, EI, EJ, EK, EL, EM, EN, EO, EP, EQ, ER, ES, ET, EU, EV, EW, EX, EY, EZ, FA, FB, FC, FD, FE, FF, FG, FH, FI, FJ, FK, FL, FM, FN, FO, FP, FQ, FR, FS, FT, FU, FV, FW, FX, FY, FZ, GA, GB, GC, GD, GE, GF, GG, GH, GI, GJ, GK, GL, GM, GN, GO, GP, GQ, GR, GS, GT, GU, GV, GW, GX, GY, GZ, HA, HB, HC, HD, HE, HF, HG, HH, HI, HJ, HK, HL, HM, HN, HO, HP, HQ, HR, HS, HT, HU, HV, HW, HX, HY, HZ, IA, IB, IC, ID, IE, IF, IG, IH, II, IJ, IK, IL, IM, IN, IO, IP, IQ, IR, IS, IT, IU, IV, IW, IX, IY, IZ, JA, JB, JC, JD, JE, JF, JG, JH, JI, JJ, JK, JL, JM, JN, JO, JP, JQ, JR, JS, JT, JU, JV, JW, JX, JY, JZ, KA, KB, KC, KD, KE, KF, KG, KH, KI, KJ, KK, KL, KM, KN, KO, KP, KQ, KR, KS, KT, KU, KV, KW, KX, KY, KZ, LA, LB, LC, LD, LE, LF, LG, LH, LI, LJ, LK, LL, LM, LN, LO, LP, LQ, LR, LS, LT, LU, LV, LW, LX, LY, LZ, MA, MB, MC, MD, ME, MF, MG, MH, MI, MJ, MK, ML, MM, MN, MO, MP, MQ, MR, MS, MT, MU, MV, MW, MX, MY, MZ, NA, NB, NC, ND, NE, NF, NG, NH, NI, NJ, NK, NL, NM, NN, NO, NP, NQ, NR, NS, NT, NU, NV, NW, NX, NY, NZ, OA, OB, OC, OD, OE, OF, OG, OH, OI, OJ, OK, OL, OM, ON, OO, OP, OQ, OR, OS, OT, OU, OV, OW, OX, OY, OZ, PA, PB, PC, PD, PE, PF, PG, PH, PI, PJ, PK, PL, PM, PN, PO, PP, PQ, PR, PS, PT, PU, PV, PW, PX, PY, PZ, QA, QB, QC, QD, QE, QF, QG, QH, QI, QJ, QK, QL, QM, QN, QO, QP, QQ, QR, QS, QT, QU, QV, QW, QX, QY, QZ, RA, RB, RC, RD, RE, RF, RG, RH, RI, RJ, RK, RL, RM, RN, RO, RP, RQ, RR, RS, RT, RU, RV, RW, RX, RY, RZ, SA, SB, SC, SD, SE, SF, SG, SH, SI, SJ, SK, SL, SM, SN, SO, SP, SQ, SR, SS, ST, SU, SV, SW, SX, SY, SZ, TA, TB, TC, TD, TE, TF, TG, TH, TI, TJ, TK, TL, TM, TN, TO, TP, TQ, TR, TS, TT, TU, TV, TW, TX, TY, TZ, UA, UB, UC, UD, UE, UF, UG, UH, UI, UJ, UK, UL, UM, UN, UO, UP, UQ, UR, US, UT, UY, UZ, VA, VB, VC, VD, VE, VF, VG, VH, VI, VJ, VK, VL, VM, VN, VO, VP, VQ, VR, VS, VT, VU, VV, VW, VX, VY, VZ, WA, WB, WC, WD, WE, WF, WG, WH, WI, WJ, WK, WL, WM, WN, WO, WP, WQ, WR, WS, WT, WU, WV, WW, WX, WY, WZ, XA, XB, XC, XD, XE, XF, XG, XH, XI, XJ, XK, XL, XM, XN, XO, XP, XQ, XR, XS, XT, XU, XV, XW, XX, XY, XZ, YA, YB, YC, YD, YE, YF, YG, YH, YI, YJ, YK, YL, YM, YN, YO, YP, YQ, YR, YS, YT, YU, YV, YW, YX, YZ, ZA, ZB, ZC, ZD, ZE, ZF, ZG, ZH, ZI, ZJ, ZK, ZL, ZM, ZN, ZO, ZP, ZQ, ZR, ZS, ZT, ZU, ZV, ZW, ZX, ZY, ZZ.

university, New Orleans, and Sol Furth, New York A. C. High Jump—Robert Van Cedel of Southern California, George Spitz of the New York A. C., and Cornelius Johnson of Los Angeles high school (all 6 feet 6 1/2 inches, surpassing Olympic record). Pole vault—William Graber of Southern California (14 feet 4 1/2 inches, breaking all world records), William Miller of Stanford and the Olympic club, George Jefferson of the University of California at Los Angeles. 400-meter relay—Frank Wykoff of Southern California, Emmett Toppino of New Orleans, Bob Kiesel of California and Hec Dyer, Los Angeles A. C. 1000-meter relay—Ed Ablowich of Southern California, Ivan Fuqua of Indiana, Arnold Adams of Bates and Karl Warner of Yale. Shot put—Previous Tryouts Decathlon—James A. Bausch of

the Kansas City A. C. Clyde Coffman of Kansas, Wilson (Buster) Charles of Haskell Institute, Kansas. Marathon—Hans Oidag of Buffalo, N. Y. Albert (Whitey) Michelson of East Portchester, Conn., and James Henigan of Dorchester, Mass. 50,000-meter walk—Ernest Croebie of Baltimore, William Chisholm of Los Angeles and Harry Hinkle of the Los Angeles A. C. A steer weighing 1640 pounds was sold this spring at Fort Smith, Ark. OMAHA SHEEP OMAHA, July 18 (U. S. D. A.)—Sheep 9,000; killing classes steady, feeders strong to 15c higher; fed, clipped lambs \$5.50; good and choice native and range lambs \$5.25 to \$5.50; light ewes up to \$1.75. G. V. Fesperman, 80, of Moorsville, N. C., wears a pair of pants purchased in 1874.

When Scott Slipped An error in grammar was found in the first edition of Sir Walter Scott's "Tales of My Landlord," printed in 1810. Nearly all the copies were recalled, but an occasional one still turns up. One sold in London for \$200. The error was corrected in all later editions. Scott had said, "The trampling of feet were heard."

Mammalian Hair. Hair is the characteristic covering of mammals. Hairs are not wanting on any mammal, but vary greatly in abundance, some being densely clothed while others possess it only on limited parts of the body. Autocrat's Comment. Vespasian, the Roman emperor, is said to have made the remark, "I will not kill a dog that barks at me," in expressing his attitude toward a group of republican conspirators.

Gambler's Throw by Eustace L. Adams.

Chapter 19 AN ISLAND PRISON

THEY were on the beach, with their monoplane. Half-way to the house, a little procession, led by Emory and Stevens, was plodding through the sawgrass. Behind his two companions strode four guards, one of whom held an automatic.

"Well, well, well, Captain Calhoun!" Ashwood turned to Jerry with a sardonic smile. "Now that I observe your comrade, Lieutenant Bagley, coming to join our merry group, it seems hardly worth while for you to remain incognito, and, as I live and breathe, if this isn't the admirable Stevens! Well, well, what a wonderful little reunion!"

Emory waved an unabashed greeting to Jerry, then fell to studying the face of the white-haired cripple. Stevens, looking about him with his faded blue eyes, caught Jerry's glance. "Joke's on us, kid," he said gloomily. "I'm losing my grip." Then, turning to Ashwood, he smiled amiably: "Hello, Limpy. Haven't seen you in a long time—professionally, that is."

"Let's hope that this isn't a professional visit," Ashwood protested suavely. "After you have conferred with the dictates of your conscience, you will realize that you may as well put your silver-plated shield in my safe and enjoy yourself for the remainder of your stay on the island. I've always longed to make your acquaintance under suitable circumstances, you know."

"Listen, Limpy," said Stevens, drily. "I'm getting pretty old to change my ways. If you are still free a couple of years from now—which I doubt—come out and pay me a visit at my pecan grove in California. Then we can be good and sociable. But between now and then I'm on Uncle Sam's payroll and I got to try to earn my pay, which, God knows, isn't much."

"Dear, dear, such nobility of character!" signed Ashwood, plaintively. "It is so stimulating. I'm sure you will enjoy meeting Mr. Lucel." "No," granted Stevens. "I don't even enjoy thinking about him, much less meeting him. I'm going to have to kill that feller some day."

"Please wait," cried the cripple in mock alarm. "until I have collected my final bond bill from his loving and loyal friends." "I've got it!" interrupted Emory, suddenly. "Jerry, this is the bird we rescued from the British M.P.'s after the big party at the Claridge." He turned again to Ashwood. "My God, you've changed! What in the world happened to you to make you look like this?"

The scene came back to Jerry in a flash. A gay, rollicking British pilot, who had been drifting about with them all evening, from café to café. Then, after they had parted with assurances of life-long affection and esteem, the two Yanks had heard a sudden uproar and had raced through the darkened streets to find the young lieutenant in the clutches of three burly military police. With shouts of joy Jerry and Emory had fallen upon the patrol and, after a glorious fight, had saved their new friend from a probable court martial. After another drink together, the three had departed for their respective units. And here they were again, reunited at last—and under what circum stances!

Ashwood looked first at Emory, then at Jerry, thoughtfully. "Come in, gentlemen. We'll have a drink and a little talk." Nodding to the guards, who departed forthwith, he led the way to the dining room.

"All of us make mistakes at one time or another, but I had contemplated myself that this little retreat of mine was well hidden. Since frankness is, at this moment, desirable, I wonder if you would mind telling me how you found this island?" "Simplicity itself," grinned Jerry unabashedly. "We flew over you when you picked up that money off Montauk point and followed you as far south as Atlantic City. We established, on that night, the fact that your base was somewhere south of the Jersey shore. When you picked up the satchel on Lake Michigan, we were flying over you at better than 20,000 feet, keeping

In the sun so you wouldn't spot us. We followed you clear down to a point near Tallahassee, where we had to land. But since you were steering a perfectly straight course and taken more care to watch for pursuing planes. It was your attitude and position that misled me." His thoughtful eyes were fixed in a moody stare. Then, pulling himself out of his momentary abstraction, he glanced at the three with sudden decision. "I have a proposition to make in all seriousness and I am honest when I tell you that I hope it will be accepted. This island, as a prison, is as escape-proof as the strongest cell in the Tower of London. You haven't a dog's chance to escape and I hope that you won't attempt it. It would be absolute suicide. My guards have orders to shoot to kill every time they pull trigger."

"Stevens, I have the greatest respect in the world for you. Of all the policemen and detectives of one sort or another who have tried to trace this or that little matter to me, you have come the nearest to success. But you are too late, now. I have decided that this is to be my last trick and before you have an opportunity to use the evidence you now have against me, I will be in a spot where extradition will be impossible."

He turned to Jerry. "Calhoun, there was something about that turbulent evening we three had in London that has remained in my memory throughout these many years. As things turned out, it was the last really happy thing I ever had. Disasters of which there is no need to speak began a day or two later; things over which I had no control changed the entire course of my life. That is why, perhaps, I have a decidedly friendly feeling toward both of you."

"I am sorry that you two fellows have, by chance, been thrown into this affair. I'm sorry that we are, this time, on opposite sides of the fence. You cannot possibly win. My exits are too carefully worked out."

He lighted another cigarette and amid thoughtful silence. When he spoke again there was no mistaking the sincerity in his voice. "Now here's my proposition. Give me your parole until, for one cause or another, I permit you, voluntarily, to leave this island. I shall do so, believe me, within three weeks at the most, perhaps much sooner. If you make me this promise not to interfere, you will be treated as guests and made as comfortable as we know how."

Turning to Stevens, he declared candidly: "Old man, I would not suggest this if I thought you had a sporting chance of accomplishing what you are paid to do." He glanced briefly at the other two and his voice suddenly grew hard and cold. "The alternative, gentlemen, is this: I shall give you what freedom I can. But my men will watch you if, at any time, you become dangerous to the success of our undertaking, we will not have the slightest hesitancy about killing you in cold blood, even though I should regret it later. There is too much at stake to permit interference. "I may add this," he leaned across the table, his mouth tight and grim. "In the past few years I have come to regard human life as a matter of the slightest possible import. The world went on merrily for hundreds of thousands of years before we gladdened it with our presence. If I am forced to kill one, or all three of you, the affairs of the world will still function without interruption. You will be mourned by a few, but in the face of the appallingly fast propagation of the human race your loss will be slight and soon forgotten."

"Now what's the answer?" The grim lines were suddenly erased. His eyes twinkled again. "Let me remind you that your parole can not conceivably affect the final results, one way or another." (Copyright, Dial Press)

Paroles—or possible death? The decision is made tomorrow.

(READ THE STORY, THEN COLOR THE PICTURE)

THE kangaroo jumped round a bit. The Tinies nearly had a fit to see how very startled funny little Copy looked. "Go on a box," wee Duncy cried. "Sinack that old jumper in the side. Don't let your hands hang down like that. Get both your short arms crooked. "Then you can slip a real punch over. That's what the boxing gloves are for. I wish I had them on. I'd show you how real boxing's done. "You're not supposed to stand real still, 'cause that gives none of us a thrill. Step out and show your stuff and you will have a lot of fun." "Oh, I know what you want to see. You'd like that beast to sock poor me, but I am much too smart for him. I'm waiting for my chance." "Then I will slip a good punch out and show him lots of stars, no doubt. Before this thing is over I will make old kanny dance." Just then the kangaroo leaped

BOSTON WOOL BOSTON, July 18 (AP)—Wool prices are inclined in the buyers' favor owing to recent large receipts and a demand for only moderate quality. Pressure for lower prices, however, is meeting a fairly strong resistance from members of the Boston wool trade. Receipts of domestic wool here during the week ending July 16, were estimated at 27,853,000 lbs. compared with 8,199,100 lbs. the previous week.

Of the People "What is meant by the Kallyard school?" a correspondent asks. "Those novelists who describe common life in Scotland. The phrase comes from an old Jacobite song: "There grows a bonnie brier-bush in our killyard."

Explaining "Catfish" There is a legend that catfish are so called, not because they look like cats, but because they make a purring sound when taken from the water.
