The Dalles Nine Wins Regional Title Tuesday

THE DALLES, July 20—The Dalles American Legion juniors hold the regional baseball title after defeating Athena 4 to 1 in the third game of the series here Tuesday. The battle for the championship of Eastern Oregon and the right to play in the state tournament in Portland next month will be started here probably Sunday with the locals pitted against La Grande.

Herb Kramer, of Maupin, was the king pin on the hill for The Dalles youngsters Tuesday, allowing six hits but keeping them well scattered. The Athena batters bunched hits in but one inning to score their lone tally.

The local aggregation, fast earning the title of the hitless wonders, connected with the delivery of Espies but three times Tuesday. The Dalles won two games, out-hit both times, with but eight safe singles. Eagles, the Athena speedball merchant, who set The Dalles batters down with but one hit Sunday, was wild again Tuesday, and crowded the bases when The Dalles hits counted.

LA GRANDE NEXT

Victory of The Dalles over the Athena juniors means that The Dalles will play the La Grande juniors, winner of the seventh district title. La Grande probably will go to The Dalles to play a three-game series, although definite announcement has not been made.

HENRY JONES DEFEATS REED TO WIN TITLE

SALEM, Ore., July 20 (AP)—Henry Jones, of Provo, Utah, won the mid-west wrestling association's world championship welterweight belt here last night by defeating Robin Reed, of Reedsport, Ore., in a decision match.

Reed and Jones won each one fall, Jones taking the first in one hour, 12 minutes, with an airplane spin, and Reed winning the next in 30 minutes with a flying mare.

During the remaining 17 minutes of the bout Jones was the aggressor and apparently had the advantage and the referee awarded him the bout and the title which Reed won about a year ago in Cincinnati.

Reed weighed 144½, Jones 142½.

Beavers Defeat Hollywood; Lead League By Two Games

PORTLAND TAKES SERIES OPENER TUESDAY 4 TO 1

Seattle Celebrates its First Game in New Civic Stadium by Nosing Out Missions, 11-10.

By the Associated Press

Portland's Beavers were two games ahead of Hollywood in the league standing today by virtue of taking the series opener from the Stars last night, 4 to 1. The Ducks won the game with two runs in the first inning, the southerners making their lone tally in the second.

The Seattle club celebrated its first game in the new home field, Civic stadium, by winning a slugfest from the Missions, 11 to 10. The old Dugdale park burned two weeks ago. The Missions gathered 13 hits and the Indians 10.

Ed Boecht held the Sacramento Senators to six hits as Los Angeles won 5 to 1 in one hour and 25 minutes. Haney, Dittmar and Cronin of the Angels led the batting attack on Flynn, who yielded 13 safeties.

Oakland was out-hit by the San Francisco Seals, but won 8 to 6.

Yesterday's results: R. H. E. Hollywood 1, Portland 4. Missions 10, Seattle 11. Sacramento 1, Los Angeles 5. Oakland 8, San Francisco 6.

National League Pittsburgh 5-5, Philadelphia 2-0. St. Louis 5, Brooklyn 3. Cincinnati 0, Boston 2. Chicago 5, New York 4.

American League New York 0, Chicago 3. Philadelphia 9-10, St. Louis 8-6. Washington 2, Detroit 3. Boston 0, Cleveland 7.

Mere Length Bad Driving Slogan

Be careful of that extra distance in your drives. I have had club members playing consistently in the 90's, who have utterly ruined their game by attempting to add 50 yards to their tee-shots.

A 150-yard drive straight down the middle of the fairway is far better than 250 yards into the woods or rough.

Accuracy, rather than distance, should be the aim of every golfer, particularly that vast majority of players whose only opportunity for the game comes on week-end holidays.

A perfect drive is probably the most satisfying shot in the game, but it must always be remembered that a straight drive is far more to be desired than a long one, and is important, too, in that it does much towards putting you in the right frame of mind for your second shot.

Better Demand Noted Today In Butter Market

PORTLAND, July 20 (AP)—Demand is generally favorable in the market for butter. Locally and along the coast generally as well as in the east and mid-west, the situation appears to be clarifying somewhat.

Call for top and standard grades appears fully sufficient at the moment to take care of all current offerings while underscore are surprisingly inactive considering financial conditions.

Butterfat appears steady to firm. Generally strong trading tone is suggested for eggs not only in the local territory but generally in the coast markets. Some advances are noted elsewhere. Locally the price is unchanged generally.

Demand for chickens is holding up fairly liberal. Call is now about equal to supply. Broilers are in best demand but hens are being moved within the price range as fast as they arrive.

There are still arrivals of old crop turkeys, which are moving out at the extreme low price now effective. Broilers are in fair call for new crop but shippers are instructed to get the advance of their wholesaler before sending supplies.

Potato Market Weaker

Further weakness is being forced in the market for new potatoes as a result of the desire of the trade here to clean up accumulated holdings of Central Washington goods. Locals are getting better size and are finding improved call.

Still another rise in the price of lemons is considered likely here as a result of a further advance in the south.

Market for onions continues to slide here as a result of congestion at primary points. Extreme stagnation is continued in the big markets of the east.

More than passing weakness is reflected in the market for country killed pork as a result of price cutting on the dressed product and with an accumulation of supplies in retailers' hands.

Wholesale Trading

Notes of wholesale trading: Veal market is just about holding its own.

Lambs are in good call as are ewes. Tomatoes are still dropping with more arriving from The Dalles and an accumulation of Californian here.

Another carload of seedless grapes was due from the south.

Corn market is lower but demand is still fairly active.

Outdoor cucumbers are showing badly bent values with stocks accumulating.

U. S. UNLIKELY TO WIN LONG RACES

Middle Distance Talent Grouped in 400 Due to Eastman-Carr Feud.

(Associated Press Sports Editor)

LOS ANGELES, July 20 (AP)—Since the final American track and field tryouts, where Uncle Sam put his two prize middle distance eggs in the same basket, it has become clear again that this country will have difficulty trying to win any foot-racing honors over 400 meters.

It took some extraordinary measures, plus the rare fighting spirit of Ray Barbuti, to put over a single winner on the Olympic track four years ago. The chance this year to distribute our middle distance talent to the best advantage was "blown" when the feud sprang up over the rival merits of Bill Carr and Ben Eastman.

Lost To 800 Field

Until Carr came all the way across the country to explode the myth of Eastman's invincibility, the supposition was that Big Ben could be counted on to clean up the Olympic 400 and 800. His defeat, instead of convincing his admirers of the obvious—that he is better fitted for the longer distance—led to his coach's insistence upon a return duel. Not only was this lost, in another record race with Carr, but Eastman was lost to the 800 lineup and both will fight it out again in the 400 here.

Eastman's chances to turn the tables will be better on the Olympic track, where the 400 will be run in lanes. The evidence so far, however, is that the Pennsylvania star has the "Indian sign" on his Stanford rival. Carr has never been beaten at 400 meters or 400 yards. Until he whipped Eastman, however, he was best known as a member of Penn's crack mile relay team. Until this spring he had an idea he would be better off in the broad jump. Similarly, Eastman, since reaching his best college stride, has never been pressed at 880 yards or 800 meters, though he can romp most any route briskly.

The Canadian is feared to extend Carr and Eastman in the Olympic 400 are Alex Wilson, of Canada, known to competition in this country as a representative of Notre Dame, and Lieut. G. L. Rampling of England. Wilson's team-mate, the veteran Jimmy Ball, just failed to nip Barbuti at the tape in the Olympic final four years ago and will also have to be watched.

With Eastman out of the 800, the United States plus its hopes on the National half-mile champion, Eddie Genuag, of Seattle, Charles Hornbostel, of Indiana, and Edwin Turner Jr., of the University of Michigan. Genuag is the most experienced but none too rugged. It will take all his stamina to retain a racing peak over three successive days of Olympic competition. Hornbostel is a recent development, comparatively, but has shown endurance as well as speed.

Tom Hampton, the British star; Phil Edwards, of Canada, and Sera Martin, of France, holder of the world 800-meter record, figure to give our boys all they can handle. All are seasoned campaigners.
