

Hollywood Turns on Beavers 7 to 2

FIVE-RUN RALLY IN NINTH GIVES STARS VICTORY

Mission Reds Sweep Through Seattle Indians 16 to 5 - Frisco and Angels Both Win.

By The Associated Press. Stung by the loss of the first two games of the series, Hollywood unceremoniously thrashed the Seattle Indians in the ninth inning Thursday to defeat Portland 7 to 2. The score was 2-2 when Myles Thomas, Hollywood pitcher, singled to open the last frame. That broke the flood gates, and the whole team batted ground before the procession stopped.

The Mission Reds made 20 hits as they swept through Seattle to take a 16 to 5 game. The Indians contributed to their own downfall with five errors.

Pitcher Curt Davis did most of the work as the San Francisco Seals defeated the Oakland club 4 to 1. Davis held the Acomas scoreless until the seventh inning, and allowed but four hits all day. He knocked two doubles and one single, sending in one run and scoring another himself.

One run in the ninth when they needed it enabled the Angels to best Sacramento 5 to 4, making it three straight for the series. Jimmy De Shong, Sac pitcher, had a good day at bat, accounting for two runs, one a homer, but wasn't so good on the mound, making two wild pitches and one error.

Yesterday's results. R. H. E. Hollywood 7 12 2. Portland 2 8 4. Batteries: Thomas and Baister; Bowman and Fitzpatrick.

R. H. E. Missions 16 20 2. Seattle 5 11 5. Batteries: Osborne and Hoffmann; Walters, Killean, Pfeiffer and Cox; Bottarini.

R. H. E. Oakland 4 1 0. San Francisco 1 4 0. Batteries: Ludolph, Hemmingway and Leveque; Davis and Brenzel.

R. H. E. Sacramento 5 11 0. Los Angeles 4 10 1. Batteries: De Shong and Wirtz; Ballou and Campbell.

Von Cramm Wins From F. Shields

STADE ROLAND GARROS, Paris, July 22 (AP) - Gottfried Von Cramm today defeated Frank Shields, 7-5, 6-7, 6-4, 8-6, to send Germany away to a flying start in its Davis cup series with the United States to decide the challenger for the international tennis trophy held by France.

KREISLER WRITES OPERA VIENNA

(AP) - Fritz Kreisler, violinist, has turned composer. His first opera, "Lisey," will be produced here in December. It deals with the life of the Empress Elizabeth, who was assassinated in 1898.

TWO YOUTHS GOING STRONG IN TOURNEY

LOUISVILLE, Ky., July 22 (AP) - California and Florida, long rivals for tourist trade, are looking forward to the possibility of comparing their respective brands of municipal links golf if a couple of youngsters continue the form shown so far in the national public links tournament here.

Joe Nichols, 16-year-old Long Beach school boy, medalist in the qualifying round this year and runner-up in the finals last year, has proved himself California's main hope. He made his first and second round matches look easy yesterday, eliminating two Brooklyn players, Albert Wilkins and Kark Karch, 5 and 4 each.

Curtis Bryan, 19, who learned his golf on the municipal links in Jacksonville, had much harder opponents in both rounds. He carded a 69 during the first round to beat the 46-year-old William C. Jelliffe, of Los Angeles, 1 up, and had to go 10 holes in the second round to eliminate Gus Feiz, one of Chicago's best.

Third round pairing today included Ade Fordham, St. Paul, Minn., versus Talbot Boyer, Portland, Ore.

WHITE RACE ACCLIMATIZED IN MANILA, FIGURES SHOW

MANILA (AP) - That the tropics are not necessarily unhealthful for whites is the conclusion drawn from a new survey of Americans in Manila.

The survey revealed that the deaths here, averaging 9.92 a thousand for 1921-30, were less than within the registration area of the United States, where the figure was 11.86.

GIRLS, EAGLES TO PLAY AT 4 P. M.

Game Sunday to be Started Late in Afternoon So All May Attend.

In an exchange of telegrams between D. W. Hart, manager of the La Grande Eagles baseball club, and Irvin Van Blarcom, manager of the Southern Kansas Stage Lines girls' baseball team which played at Astoria yesterday afternoon, definite arrangements were made for the coming clash between the two teams at the High school field here next Monday afternoon, July 25. The game will start promptly at 4 o'clock.

The game will be started at this late hour in order to permit baseball fans of La Grande and surrounding communities to attend the game without too much inconvenience to themselves. This late starting hour is possible as the girls' team plans here to stay in La Grande overnight.

"Latty" Langford, girls' pitcher, related to start against the local squad, commented on the fact that Bobby Evans, La Grande's slugging third-sacker, hit a single, double, triple and homer in six times at bat in a recent game. "I'll bet he doesn't get any hits like that off of me," she stated tersely.

When the S. K. S. L. girls first appear in La Grande Monday morning to prepare for their game against the Eagles lookers-on will probably be surprised as to the attractiveness of the entire squad. The girls are out to play baseball and their record certainly proves that they do, but the fact that nearly all of them are comely in looks surprises everyone.

In fact, Corens Jaax, who is the outstanding star of the club, won second place in a beauty contest in the national girls' basketball tourney held in Wichita, Kan., in 1930. Miss Jaax doesn't let her looks interfere with her opponents, however, as she is convinced that she can hit the cleverest offerings of any man pitcher in baseball.

That opinion is identical to those of pretty Ellen Champlain and Mary Harris, outfielders, who bat just behind Corens in "murderer's row" of the lineup. All of the girls would feel that they had been insulted if the opposing pitcher eased up just because he was throwing to a feminine player.

"We haven't been playing for four years," they say, "just to make eyes at a pitcher when we're up to bat. I'd rather try to hit a fast ball any day than a slow easy one."

Fans watching can tell no difference in fielding between the girls and their men opponents. Of course, some long hair and figures betray them, but the speed with which they scoop up hot grounders and peg them to first smacks of semi-pro skill.

Myrtle Brockert, second base, and Lavon Harrod, third base, are unusually adept in their positions of fielding. They have played daily during the summer months of the last several years in their positions and have developed into excellent fielders. Both girls will be closely watched in their game here.

It is expected that Bill Workman and Gib Stokke will officiate behind the bat and one the bases respectively. The Eagles team will travel to Radium Springs Sunday afternoon to enjoy the Eagles annual picnic which is to be held there, and during the course of the day are scheduled to play an unnamed team on the Haines baseball diamond. This is in the nature of a practice session more than anything else, serving to put the lads on edge for Monday's game.

'Moony' Golfers Take Few Cups

As he hesitates is lost" just as surely in golf as in many other situations.

The slow, methodical golfer who moons over every lie and fusses about his grip and stance will never have his home cluttered with trophies. We all know the type—the kind of golfer who ponders every problem as though studying all angles of a \$1,000,000 business deal—and then misses.

This does not mean that I advise a golfer to go the other extreme of developing a rapid-fire style, never giving a thought to the immediate problem. Study your lie—surely—but don't study it too long!

Standing over the ball for too long a time, endlessly addressing it, always with a feeling of tension and muscles which should be completely relaxed for a perfect swing will be strained and stiff.

Boston Red Sox Improving Under Marty McManus

By Gayle Talbot (Associated Press Staff Writer)
The Boston Red Sox, up to a few weeks ago a demoralized, beaten team that threatened to break all existing records for losses, are showing signs of improvement under the guidance of Marty McManus.

With Smead Jolley and Roy Johnson hitting far better than they did for the White Sox and Tigers, respectively, and the young pitchers coming through with a striking performance every few days, the Sox are winning a fair percentage of their games. They have won 10 of their last 22 contests.

Larry Boerner, Boston rookie, Thursday held the Yankees to two hits in seven innings. It was only the second start for Boerner, who formerly was the property of the St. Louis Cardinals.

As he was hurled, Boerner was yet to receive credit for a big league victory. Old Wiley Moore went the last two frames, in which the Sox came from behind, 1 to 2.

Back in First Division
The Washington Senators regained fourth place in the American league by beating Detroit, 5 to 4, in their final.

Butterfat Firm: Butter Arrivals Showing Increase

PORTLAND, July 22 (AP) - There has recently been quite a fair increase in the volume of butter arrivals from outside points. The late price betterment here appears to have checked the direct movement from the country toward California. On the other hand a rather sharp decrease is noted again in the local churning the result of protracted dry weather.

Butterfat situation is firm with reports indicating a premium of 1c lb. in spots.

General trading in the egg market appears firm with prices well maintained. Both local co-ops and private firms are maintaining their values. Country buying prices are unchanged.

Sales of hens are showing a good volume at the recently lowered price here. Broilers are in good call with prices maintained. Demand for turkeys is steady with a fair movement of broilers.

Receding prices are reported for country killed hogs. Extreme top of the market is generally 7c with only an occasional sale at 7 1/2c lb.

Demand for country killed lambs remains strong and active along the wholesale way with prices intact around 8 1/2c generally for top stuff. Ewes are perhaps a shade better at 3 1/2c to 4c yearlings snug at 5c.

Market for country killed bulls appears a trifle bearish at the moment because of the low prices of livestock. Sales are now around 4 1/2c to 5c as extremes top.

There is again a very liberal offering of crabs on the market here and prices are again lower. Sales are generally being made at a spread of \$1.75 to \$2.75 dozen.

Much additional excitement is reported in the lemon market with a further advance in California which is expected to mean \$10 resale price here for top grade fruit.

Notes of wholesale trading:
Further cut in tomatoes.
Watermelons are scarce and higher as a result. Sunshine is the cause.
Honey Dew melons are very slow sale.

Seedless grapes are quite well cleaned up.
Apricot market is very active and steady.
Peaches are very slow sales.
Green corn is about steady with Central Washington stock scarce.

NORMAL SCHOOL COMPLETES FIRST 6-WEEK PERIOD

(Continued from Page One)

Freeda Kennedy, Miss Eva Wepr and Mrs. Caroline Stevenson.

Among the activities of the Normal school was the presentation of a one-act play, "The Six Who Pass While the Lentils Boil," under the direction of Miss Amanda Zabel. Miss Helen S. Moor, dean of women, assisted by other faculty members, outlined an interesting program of social activities, including picnics, swimming parties and hikes. Miss Melba Williams, director of music, trained the Training school children who presented an assembly program, "The Cradle Songs of Many Nations." President H. E. Inlow states that the courses offered during the second session will be along the same lines and the program of courses in the first summer period.
