"Beauty and the Boss" will be the opening attraction of the week at the Liberty theatre, starring Warren William and Marian Marsh. The picture is based on a famous stage play "The Church Mouse," which kept New York laughing for months. Miss Marsh plays the role of an efficient but unattractive secretary to Warren William, for whom she has a deep admiration. But not until she learns about the love methods of a modern girl does she win the eye and heart of her employer.

Others in the cast include Charles Butterworth, Mary Doran, Lillian Bond, Polly Walters, Yola D'Avril, Barbara Leonard, David Manners and Frederick Kerr.

"Man Wanted" Kay Francis, one of the most ravishing beauties on the screen, has the leading role in "Man Wanted," scheduled for Tuesday and Wednesday. The story is laid against a background of wealth and luxury, calling for numerous unusual gowns and a display of dramatic talent. It concerns a rich young woman who finds idle society life too empty for her and so she turns to business as an outlet for her ambition. Her playboy husband turns to other women as a diversion, and their marriage is dissolved, with Kay finally finding her male secretary (David Manners), more suited to her than her husband.

Although the feature picture for Thursday and Friday has not been announced, the "Jarvis Reveal" furnishing singing, dancing and comedy, will furnish a stage attraction.

Then on Saturday, Tom Keene will appear in "Partners," a story of the old West, chock full of romance and thrills.

Clean-up of the Apricot Crop Is Expected in N. W.

PORTLAND, July 23 (AP)—Complete clean-up of the apricot crop of the Pacific northwest is in sight, a condition that was scarcely to be expected a few weeks ago. The greatest home-canning volume known in the history of the trade is now under way, commanding all the supplies available.

While prices have tended rather low, they appear more or less in line with other products of the farm and orchard. That oats have been cleaning up in the northwest is a more favorable sign of the business situation.

In California a very large per cent of the apricot crop remains unpicked. The trees of the south are still loaded with fruit and there has been little chance to make even picking and packing expense.

She also was a member of the Women's Relief corps and had been secretary of the Union County Pioneer association for several years. She was selected at the picnic held Thursday at Riverside park, a day before her death. That was the first pioneer meeting she had been unable to attend in many years.

Funeral services will be held from the Christian church at 4 p. m. Sunday and the Rebekah will conduct the services at the cemetery. The body is at the Snodgrass and Zimmerman mortuary.

POLICE TRAP SUCCESSFUL IN TACOMA

of the car with curtains drawn, as if with a girl companion. Both men went immediately to the side of the car and pulled open the door.

"Stick 'em up," ordered one of the pair, at the same time flashing a powerful light in Paulson's face.

Hearing the command, Amundson came from his place of concealment and ordered the highwaymen to hold up their hands. But instead of complying, one of the bandits swung around and faced the officer, a .45 caliber revolver in his hand. The other highwayman started to run.

Amundson and Gregg opened fire and the bandit with the revolver fell to the ground with a load of buckshot in his chest. He is believed to have died instantly.

The three officers then turned their attention to the fleeing man. They opened fire on him as he ran, catching him in a cross fire. He dropped mortally wounded with buckshot in his head and body. The police officers were armed with sawed-off shotguns. One of the bandits carried a shotgun and the other was armed with a revolver. An examination afterwards disclosed that one shot had been fired from the bandit's revolver, but none of the policemen was hit.

During the height of the shooting, the officers said, they heard the roar of a motor as an automobile, believed to be the bandits' machine, raced away from the scene.

Last night was the third night the police trio had lain in wait for the bandits.

The slain bandits both appear to be about 25 years old.

TWO KILLED IN CHICAGO

CHICAGO, July 23 (AP)—A suburban police officer was slain by four youths he had arrested for questioning and an employee of the criminal courts building machine gunned to death in two outbursts of violence last night.

Three Gary, Ind., youths, one of whom, officers said, admitted shooting Policeman Harold Koehnke of suburban Dolton, were in custody. A fourth was hunted. The officer was slain in a car as he attempted to fight it out when the quartet started shooting.

Jack A. Werner, 28, elevator operator in the criminal courts building, who bore a deputy sheriff's badge, was killed on a south side street as he drove with a young girl cousin.

At Dolton, Tony Burba, 18, who said he finished a sentence at Pendleton, Ind., prison a month and a half ago, admitted, police said, he shot Officer Koehnke. Held also were Peter Pikeles, 22, brother of Burba, who uses the name of his stepfather, and Frank Printz, 21. They were seized by farmers.

PORTLAND LEAD IN LEAGUE CUT TO SINGLE GAME

Emil Yde Too Much For Beavers, With Exception of Johnson, Who Obtained Three Hits.

By the Associated Press

Hollywood cut Portland's lead in the Coast league to one game by winning 2 to 1 Friday night. Bob Johnson, center fielder, was the only Beaver to hit Emil Yde, the Stars' left-handed moundman, but he got two doubles and a single in four times up. Southern batters got ten safeties off two Portland pitchers, but were held scoreless until the eighth frame.

San Francisco's Missions, after getting away to a slow start in their series with Seattle, made two all by winning 6 to 4. The game was won with a three run rally in the ninth. After one run came in, tying

Pastor Wrestles Pro And is Beaten

HINCHAM, Mass., July 23 (AP)—Urged on by cries of "kiss him, reverend," a clergyman wrestled a professional matman but lost when the "pro" used a new hold he called a "double cross arm reverse trick lock and slam."

Rev. Lex K. Souter, pastor of the Congregational church, proved no "slouch" when he entered the ring last night against Lee Wyckoff, during a charity show. The minister, who weighed only 150 pounds against Wyckoff's 220, tossed his foe into the "orchestra" seats once.

But Wyckoff crawled back and threw the clergyman twice.

SEASONAL UPTURN

ROCHESTER, N. Y., July 23 (AP)—A seasonal upturn in the clothing manufacturing industry today held promise for 44 hours' work a week until next November at least for approximately 10,000 men and women.

Between 7500 and 10,000 have been working on a part time basis for the last two weeks. Max L. Holly, president of the clothing exchange, predicted the upturn would reach its peak within the next two weeks and that all 10,000 clothing workers in the city would have steady work by that time.

The seasonal upturn has been delayed, Holly said, because of a shortage of materials.

organization, of a "surprising nature" are to be distributed to the delegates of the I. A. A. F. when they meet here July 28 to decide whether that organization shall be given the power to suspend an individual athlete as was done in the case of the great distance runner.

Whether or not the United States delegates feel that Nurni's suspension was justified, they are expected to enter the meeting prepared to oppose presenting to the world federation such power, anticipating all the while, the possibility of being out-voted.

Canada's sprint star, Williams, who started the world four years ago by his phenomenal school boy performance in winning the hundred and two hundred meters, pronounced himself in great condition. He revealed that he is not dismayed at the great array of speed talent.

Only Names to Him

Such men as Ralph Metcalfe, Eddie Toian, George Simpson, all of the United States; Helmut Koernig and Arthur Jonath of Germany; Christian Berger of Holland; Takayoshi Yoshida of Japan and the others are only names to him. He believes his leg injuries have completely healed, but is debating whether to run both races again this year.

Avery Brundage, president of the American Olympic committee, with approximately two hundred of the United States athletes already here and the remainder of the squad moving in daily, is perplexed with the problem of paying for their board and keep. As the situation now stands, he pointed out, scarcely a third of the \$350,000 needed has been received.

Efforts to raise the remainder will continue through the game, he said, in repeating his appeal to the nation for money.

Brazil's team of 60 athletes arrived yesterday with 60,000 bags of coffee to be sold. Lack of proper shipping manifests, coupled with the inability of officials to raise the necessary \$2000 to clear the cargo through customs, complicated their problem. As a result a portion of the team was detained on board the ship, but probably will be released today.

Only a few scattered arrivals were expected today including Cuba's team of eight, and John Lovelock, New Zealand middle distance runner who is expected to figure prominently in the 1500 meters race of the games. Sunday the Danish team of 34 men and six women is scheduled to arrive.
