

WILLIE LUDOLPH DEFEATS ANGELS NINE TO NOTHING

Hollywood and Portland Both Chalk Up Wins - Johnson and Higgins Hit Homers For Ducks.

By the Associated Press

Willie Ludolph, Oakland pitcher, shut out the Angels 9 to 0 Tuesday night, and if Arnold Stala hadn't hit a single in the fourth inning it would have been a no-hit contest.

Another example of the rise of the underdog was the defeat of the Seals by Sacramento, 6 to 2. Jimmy De Shong was on the mound for the Senators, and held the Franciscans scoreless for eight innings.

In the ninth they bunched three hits and made two runs, but by that time the Seals had the game on ice. Curt Davis, Seal hurler, was touched for 11 hits, and had poor support, the Senators earning only two of their runs.

Stars and Beavers Win Hollywood pulled a close one out of the fire in the tenth inning, defeating Seattle 5 to 4.

John Killeen, Indian relief pitcher, walked Allan Strange in the final frame, forcing in the deciding run. The southern batsmen collected 13 hits from Killeen and his predecessor, Frank Walters, who worked eight innings.

Seattle catcher, drove in two runs in the early innings with timely singles.

Portland took the series opener from the Missions, 9 to 4, getting away to a big start with five runs the first inning. Bob Johnson, Beaver outfielder, knocked a home run in the third, and Third Baseman Higgins put one over the fence in the seventh.

Yesterday's results: R. H. E. Oakland 9 14 2 Los Angeles 0 1 1 Ludolph and La Veque; Ballou, Caster, Mosier and Campbell.

R. H. E. Sacramento 6 11 1 San Francisco 2 5 4 De Shong and Woodall; Davis, Douglas and Brenzel.

R. H. E. Hollywood 5 13 2 Seattle 4 6 3 Thomas and Bassler; Walters, Kileen and Cox.

R. H. E. Missions 4 7 1 Portland 9 15 1 Lieber, Osborne and Hofmann; Zahniser and Fitzpatrick.

GARDENS REPLACE WAR PLANT - CINCINNATI, Ohio (AP) - Gardens of peace are being prepared where munitions of war were made at the war-time town of Ancor built near here.

Ground about the munitions town, built in war-time and now deserted, is being turned for use by an employed for gardens in which to raise foodstuffs this summer.

Phillies Slated To Climb Higher In Coming Month

By Gayle Talbot (Associated Press Sports Editor)

The Phillies, starting another extended stand in their own Baker bowl, may supply the big news of the next few weeks in the National League.

The club has found itself and is coming along. In a virtual tie for third place today, it promises to be higher when Klein, Hurst, Whitney and Bartlett get through with a few down visiting pitchers.

When they opened their last home stand against the west almost two months ago, the Phils were in seventh place. They have won 10 of their last 14 starts, mostly on the road.

Three Homers Help A typical assault, which netted eight runs off Owen Carroll's delivery in the first two innings, gave Burt Shotton's sluggers a 10 to 5 victory over Cincinnati in yesterday's opener.

Klein, Hurst and Whitney each got a home run. The Pirates and Giants inaugurating a "crucial" series of seven games in four days at the Polo grounds, split a doubleheader.

Bill Terry's homer with two aboard helped the Giants take the first, 7 to 3, but the league leaders came back to capture the second, 7 to 5, in 10 innings.

Cubs Gain The Chicago Cubs picked up a half-game on Pittsburgh by trimming the Boston Braves, 7 to 2, behind Pat Malone's five-hit pitching performance.

Brooklyn's surprising Dodgers thumped the St. Louis Cardinals twice, 12 to 6 and 5 to 4.

Two contests survived the rain in the American league, and in one of them the Boston Red Sox turned nearest pitcher, Johnny Welch, loose on the Chicago White Sox for a 6 to 1 victory.

George Bisher's steady pitching, plus his timely single that scored Lesey in the second inning with the winning run, gave the St. Louis Browns a 3 to 2 decision over Washington.

FARM BOARD QUIZ READY TO BEGIN

(Continued from Page One)

co-operatives, its dealings with its affiliates, and in fact, all of the board's business, the amounts paid and the amounts repaid.

McNary said he had wired the members of the sub-committee in charge of the board investigation the steps he already had taken in launching the investigation and informed them that if they desired to meet with him before next November to concentrate the inquiry, either here or in Chicago, he would be at their service.

McNary declined to say what Mr. Hoover's reaction had been to his report.

McNary said he had informed the president, who proposed the creation of the farm board, that his committee probably would not get together until next fall for oral hearings of complaints against the farm board.

At that time, he said, it was proposed also to "see how far we can go into the grain exchange."

Approach Shots Card's Big Item

By Johnny Farrell (As Told to Artie McGovern)

In and around the greens - that's where strokes are either saved or lost.

"Keep your head down" is a fundamental rule that applies more to the short game than to any other phase of golf.

All short shots should be played with very little pivot, a short back swing and full forward swing. Don't try an easy swing on these shots.

The distance is controlled by the back swing. If you bring the club head back only two feet from the ball, you can depend upon a distance of 25 to 30 yards; from three or four feet a firmly hit ball will travel 50 to 70 yards.

These short approach shots must be worked out on the fairway and greens of your own course before you can show marked improvement in your score.

WORLD'S LEADING ATHLETES GATHER

(Continued from Page One)

Nurni is called to order Friday. Nurni also is charged among the growing list of stars who parade through the Olympic village hospital clinic, but his physical troubles, namely strained achilles tendon, have failed to attract the world-wide interest manifested over his amateur status.

On the floor of the executive council the vote now stands 5 to 2 against reinstatement, but in the progress of the session, where the question of whether into the rules the power of the I. A. A. P. to suspend any athlete, with Nurni's test case, the lineup may be different.

The belated arrival of Ben Eastman, United States 400-meter entry, to the scene of activities brought forth the opinion from the Stanford star that he feels much better than during the final team trials ten days ago when Bill Carr, of Pennsylvania, beat him for the second consecutive time.

Eastman still coughing Eastman, who still has a hacking cough, said, "I weigh a little more now, but I guess I can stand it. I feel much better than I did during the trials." He took a short workout with the other 400-meter men under Coach Lawson Robertson's supervision, studying the technique of running the curves.

Other stars who were a bit dubious as to their condition were Reginald Thomas, Great Britain; Sylvio Catton, Haiti; Mikio Oda, Japan; Percy Williams and Jimmy Martin, Switzerland, with muscle injuries and Lord David Burghley, Great Britain, and Joe McCluskey, "Pen" Hallowell, and Dan Dean of the United States troupe, who have contracted colds.

Leg Hothering Williams Williams, sprint winner from Vancouver, B. C., in the 1928 games, has been suffering from a slight recurrence of his old leg injury, which has bothered for more than a year.

As the count now stands five of the expected 38 nations are still unreported, but there was a question as to whether some of these would make their appearance. Lui Chung Chun, sprinter, who is China's lone entry, cleared Honolulu harbor a few days ago. The Cuban athletes probably will not be on hand in time for the parade of the nations Saturday, while Spain, Portugal and Lithuania have not been heard from.

Tobacco Without Nicotine A tobacco plant that contains no nicotine has been produced in Germany.

Oscar Eckhardt Holds His Lead In Coast Hitting

By the Associated Press With an average of 399, Oscar Eckhardt, Mission outfielder, continues to lead the Coast League batters. The Red player boosted his average six points in last week's series.

Johnny Bassler, Hollywood catcher, is in second place with an average of 376, and Arnold Stutz, Los Angeles outfielder, third with a mark of 367.

Seattle's Muller is the home running of the league with 25 circuit clouts to his credit. Higgins of Portland, is second with 20.

Garibaldi, with 36 stolen bases to his credit, leads the field among the sack pilferers.

NURSING SERVICE EXPANDS

FRANKFORT, Ky. (AP) - The Frontier Nursing Service, an organization of nurses who ride horseback, day or night, into the mountains of eastern Kentucky to care for mothers and babies, has proved so successful that nurses are being trained for service in other parts of rural America. Mrs. Mary Breckinridge has announced.

Over The Valley Personals

(Continued From Page Three)

accompanying a cut of June, the Oregon Farmer carried the following story concerning her work this fall.

"A Union county girl, Miss June Conrad, of Imbler, showed the best beef calf at the Eastern Oregon Livestock show in June, thereby winning a purebred Hereford heifer awarded by Herbert Chandler, president of the annual show at Union, and noted breeder and exhibitor of Herefords with a large ranch near Baker. The calf which won the special award for Miss Conrad was likewise a Chandler calf, having been purchased earlier in the spring for calf club work.

"Miss Conrad is the second member of her family to win distinction in livestock showing, as she is the sister of Clifford Conrad, a winner of Union Pacific and International Harvester Co. scholarships in club work and formerly a state officer and member of the United County Beef Club, as well as an exhibitor of registered Chester White swine and superintendent of the swine department of the show."

New Babe - Mr. and Mrs. Walter Stringham are

Re-elected - Mrs. Faye Hug, of Pumpkin Ridge, has been elected to teach the school in that district for another year. She also taught the school last year.

To Give Plays - Under the coaching of Miss Beulah Smith, young people of the Island City community will give two plays Thursday afternoon, of next week, Aug. 4, at a silver tea to be given on the lawn of the home of Mr. and Mrs. C. H. Bidwell. Miss Smith, who has the reputation for putting on very good plays has been supervising two productions - "All on a Summer's Day," and "The Stolen Prince." The hours for the tea, which is being sponsored by the Ladies Aid society of the Island City Community church, are from 2:30 to 5 o'clock, and the program promises to be exceptionally good. The invitation to attend is open to all.

Bert Grout Although Bert Grout and Elizabeth (Waldrop) Grout were Grand Island valley pioneers, they lived a few years in Harney county, Oregon, and while there, their son, Bert, their youngest child was born on June 21, 1896.

When he was two years of age the parents returned to Grande Ronde, bought a farm on the foot hills south and a little east from La Grande and went into the dairy business. It was there Mr. Grout grew up, passing his boyhood days in helping with the dairy work and in attending grade school and the Sacred Heart academy in La Grande, afterward attending Columbia university in Portland.

In 1917 Mr. Grout, wishing to go into farming for himself, purchased of Dexter Elson the place where he now lives, three miles southeast of La Grande, across the road from Blue Mt. grange hall. Diversified farming was practiced until five years ago when he engaged in the business of dairying. The farm furnishes the pasture and the alfalfa hay for a sizable dairy herd. Oats are also grown for feed. The milk is sold at wholesale to a creamery in La Grande.

About six years ago the large two-story house which had been built on the property many years ago by Frank Bartness, burned and Mr. Grout built in its place a five-room, modern house with full basement.

The marriage of Mr. Grout and Miss Grace Borwell took place in 1915. They have one child, a son, Delbert.

Vacation time is looked forward to by the members of this family. Beginning several seasons ago they have taken an interesting trip every year. Last year they spent a month in Arizona, going by the way of Salt Lake City, Utah and returning through California, visiting relatives and friends along the route both ways.

receiving congratulations over the birth of a baby daughter, Monday at the Grande Ronde hospital. Mr. Stringham is Elgin's druggist.

able to attend - In speaking of the annual pioneer meeting last Thursday, we neglected to mention one very important item and that was that everyone there was delighted to see Mrs. Lydia Grandy present. Mrs. Grandy, who is one of the oldest and most prominent of the pioneers of the county has been confined to her home for many months, ever since she suffered a severe stroke. The meeting afforded her opportunity to see many old friends, who were in turn happy to see her.

Young People Wed - According to the records of Baker county, Miss Edna Nite, of Wolf Creek and L. P. Gray, of La Grande took out a license to wed one day last week. Both are very well known, the bride having been a student at the Eastern Oregon Normal school last year.

Is Hostess - Mrs. A. E. Gouling, of near Allice, entertained the members of the Pricilla club Thursday at her home. The afternoon was delightfully spent and the customary program for the afternoon being sewing, conversation and refreshments served by the hostess.

Receivers - The baby son of Mr. and Mrs. W. V. Kennedy, of Medical Springs, is recovering satisfactorily from a recent experience. While at Union the child got hold of some tin foil and swallowed quite a piece of the material. He was rushed to La Grande where the foil was removed and from last reports, we have had, he is doing well.

Give Dancing Party - June and Clifford Conrad gave a dancing party at their home near Imbler Saturday evening in honor of their guests, the Misses Blanche and Bertha Clark, of Wallowa, and Miss Leone Hiatt, of Echo. Ice cream and cake were served during the evening and music was furnished by Clifford and Lester Westenkow.

Ice Cream Festival - Each year, the Rebekahs at Summerville hold a big ice cream festival and it is a gala event, indeed. The event for this year is being announced for this Saturday evening at the Odd Fellows hall at Summerville and the program, to which all are invited, is to begin at 8 o'clock. The date is Saturday evening, July 30 and the hour is eight.

In Valley - Mrs. Pearl Jamison, of Kemmerer, Wyo., is in the valley to spend the next few weeks at the home of her aunt, Mrs. Lella Graham at Summerville. While here Mrs. Jamison will attend the last term of the summer session at E. O. N. having enrolled for work the first of the week. Mrs. Jamison is also a cousin of Mrs. Frank McKennon, of near Imbler, and Mrs. Harry Fisher, of Lower Cove.

Family Picnic - Members of the Shafter family who live in this valley, and other sections as well, will hold their annual family picnic on next Sunday, July 31, at Riverside park in La Grande.
