

STUNNING UPSET MARKS OPENING MATCH IN PARIS

French Favored to Retain Davis Cup As Result of Victory Scored By Brilliant Basque.

STADE ROLAND GARROS, Paris, July 29 (AP)—France swept the first two matches of its defense against the United States in defense of the Davis Cup today. Henri Cochet, defeating Wilmer Allison 6-7, 7-5, 7-5, 6-2 after Jean Borotra had scored a surprise victory over Ellsworth Vines, 6-4, 6-2, 5-6, 6-4.

STADE ROLAND GARROS, Paris, July 29 (AP)—Jean Borotra, fading French tennis veteran, today sprang a stunning upset as he defeated Ellsworth Vines Jr., ace of the United States team, 6-4, 6-2, 3-6, 6-4, in the first match of the Davis Cup final between the United States and France.

The beret-topped Basque, lifting his game to heights reminiscent of the best days of the "Three Musketeers"—himself, Cochet and Lacoste—rushed the American youngster off his feet in the first two sets, wearied to drop the third and then came back with a fiery attack to take the fourth and final set.

The entirely unexpected victory made France an overwhelming favorite to retain the cup they won from the United States in 1927 as Henri Cochet is favored to win his two singles matches for the three victories needed.

Borotra brilliant Vines was not so brilliant on the slow clay courts and playing with the soft French tennis ball but it was the unexpected brilliance of Borotra's play which was the deciding factor.

An excited crowd of 10,000 persons jammed the stands. President Albert Le Brun watched the matches from the presidential box with the American Ambassador Walter Edge nearby. The Davis Cup rested on a pedestal near the president's box. Prior to the start both teams lined up before the cup and Ambassador Edge and Bernon S. Prentice, American captain, introduced the American players to President Le Brun.

Leonard is Victor Over Bill Townsend

NEW YORK, July 29 (AP)—Thirty-seven-year old Benny Leonard has gone a long way toward disproving the adage that they never come back. The former lightweight champion today had won the 20th straight victory of his comeback campaign, the result of a clean cut 10-round decision over Billy Townsend, of Vancouver, last night.

Leonard, weighing 151 pounds, was credited with eight rounds to two for his 144 pound opponent.

Little Finger Key To Correct Grip

YOUR LITTLE FINGER IS NOT TIGHT, JOE. BUT I'VE USED THIS GRIP FOR YEARS.

ALL DEM HUNDREDS PROVES DAT.

By Johnny Farrell (As Told to Artie McGovern)

Baffled golfers constantly ask me: "What constitutes a correct grip?" My advice is to choose the grip that is most comfortable. The manner of holding a golf club depends on the individual's hand and fingers. There can be no ironclad rule. Leading professionals use either the natural, overlapping, or interlocking grips with effective results.

The essential thing is to eliminate any danger of turning the clubhead as it contacts with the ball. Therefore, your grip must be firm. But neither too tight nor too loose.

To test your grip, stop at the top of the swing and note the position of the hands and fingers. See whether all four fingers of the left hand are gripping the club securely.

If your little finger is not clasped around the club, your grip is incorrect, for you are relaxing your hold at the most important point.

By trying out the three grips mentioned above in this manner you can easily decide the one best suited to your own game.

Football Coaches In Annual Meeting

PASADENA, Cal., July 29 (AP)—More than a hundred grid mentors of the nation gather here today for the American football coaches association meeting.

An informal discussion of the various points of the game will be staged. The convention adjourns after today until August 7 and 8. The final session of the national collegiate athletic association also takes place today.

Yesterday the group staged an informal discussion of the radio as pertains to college athletics with no definite action taken or resolutions passed.

The chief topic of interest today in the grid meeting will be Bill Ingram's expected talk in behalf of a moratorium on grid rules changes.

BEAVERS DEFEAT MISSIONS 8 TO 2

Hollywood Wins From Seattle 13 to 4 to Keep on Portland's Heels.

By the Associated Press The league-leading Portland Beavers won their third straight game from the Missions, 8 to 2, pounding Ted Pillette for 13 hits. Bowman allowed the Beavs only four bingles, and their scoring was confined to a run each in the fifth and sixth frames. After they had the game on the line, the Ducks made four runs in the seventh for good measure. Batteries: Missions, T. Pillette and Ricci; Portland, Bowman and Fitzpatrick.

The Hollywood Stars took Seattle to a cleaning up the tune of 13 to 4. The visitors opened up with a three-run barrage in the first inning, and found Rudy Kallio and Dick Freitas for a total of 17 hits. Seattle fans turned out for "Muller night," honoring Fred Muller, second baseman who leads the league with 27 home runs, but the best he could do was a double and a single. Batteries: Hollywood, Turner and Bassler; Seattle, Kallio, Freitas and Cox, Bottarini.

Robert Fitzke, former University of Idaho football star, now a special student at the University of California at Los Angeles, took the mound for Los Angeles in the second inning and pitched an excellent game to a 15 to 6 victory over Oakland. After relieving Malcolm Moss he yielded only two runs, and drove in six tallies.

After taking two defeats in the Sacramento-San Joaquin League, Batteries: Oakland, E. Walsh, Hemingway and Le Veque, Hermondi; Los Angeles, Moss, Fitzke and Campbell. After taking two defeats in the Sacramento-San Joaquin League, Batteries: Sacramento, Gillick, Salvo and Woodall; San Francisco, Zinn and Brenzel.

Tony Piet Star Of Double Bill Win By Pirates

By Gayle Talbot (Associated Press Sports Writer)

The Texas league, proving ground for the hero of the last world series, Pepper Martin, may also have spawned the shining light of the Pacific coast.

Tony Piet, the young second baseman of the Pittsburgh Pirates who walloped six hits, including a pair of home runs, drove in nine runs and scored four times himself to help trounce the Giants twice yesterday, 10 to 7 and 9 to 1, has all the earmarks.

Piet like Martin, took over his berth with the Pirates at the start of the season without benefit of ballyhoo. Born at Berwick, Pa., 25 years ago, Piet played with a semi-pro outfit around Chicago before he signed with Coricana, Tex., in 1928.

The Pirates brought him up last season, and in 44 games he hit .299.

In addition to his great hitting exhibition against the Giants yesterday, Piet handled 19 chances without an error.

The Chicago Cubs turned back the Boston Braves, 4 to 1, with Lon Warneke hanging up his 10th straight win and his 100th of the year. Warneke knocked in two runs.

The Cincinnati Reds halted the Phillies again, 7 to 4, when George Grantham smote a home run in the ninth with two men on base. Brooklyn made it four out of five over the St. Louis Cardinals by splitting a doubleheader. The Dodgers took the first, 9 to 6, and dropped the nightcap, 8 to 6.

Ruth Gets Two Homers With Babe Ruth returning to the lineup to bang his 27th and 28th home runs and drive in seven runs, the Yankees took a 10 to 1 fall out of the Cleveland Indians in the American league feature.

Eddie Durham pitched pretty ball, keeping nine hits well spaced, to give the Boston Red Sox their third triumph over Chicago, 2 to 1. Walter Stewart pitched the best, Los Angeles to a 6 to 4 win over Washington and singled across two runs.

Detroit made enough runs off Kim McKelthan, former Duke university star, in the two and third innings that marked his debut with Philadelphia to defeat the Athletics, 4-2.

Walla Walla Will Stage Net Tournney

Jetmore Disbarred By Supreme Court

SALEM, July 29 (AP)—The Oregon supreme court granted the motion for disbarment of Sam A. Jetmore of Klamath Falls. It was announced here Thursday.

The disbarment proceedings were brought some time ago on the grounds that Jetmore had been convicted of a felony. The defendant failed to answer and the court thus granted a motion of the district attorney that he be disbarred. No hearing was held.

The supreme court also announced the resignation of Watton Shay of Portland from the Oregon bar. His resignation was accepted on the grounds that he had been passing worthless checks.

Favorable Tone Is Continuing In Butter Market

PORTLAND, July 29 (AP)—Market for butter reflects a favorable tone generally along the Pacific slope. In general there was no change in the price list for the day. Locally the situation appears strong for practically all scores. Best call remains for standards and for prime first with first and extra scores inclined to show call only when the former two are not available.

Butterfat situation remains firm. Market for eggs continues to reflect strength locally and in the country generally. Receipts are just about holding although in spots they are lower. More storage withdrawals.

All through the cheese trade a stronger tone is suggested. Not only has there been a quickening of activity along the coast with advances in the east, but some of the former very low priced offerings have disappeared.

Low prices continue to be named in the market for live chickens along the whole coast, way with no general changes for the day. Sufficient hens are arriving to take care of needs of the trade.

Considerable activity is still showing in the market for apricots although there is more or less complaint regarding deteriorating quality. Prices are steady to a trifle easier.

Market for green corn continues very active with receipts not as liberal as normal for this period while prices are generally maintained. Worm damage is reported the worst in many years.

Notes of wholesale trading: Head lettuce remains weak. Beans and peas are slower sale with prices easier. Berry prices are practically unchanged.

Dry onions are slow but unchanged in price. Cabbage market is practically steady.

BOSTON WOOL REPORT

BOSTON, July 29 (AP)—The Commercial Bulletin will say tomorrow: "The wool market is substantially unchanged for the week. Manufacturers have been endeavoring to buy wool cheaper again this week but not with much success. Dealers, however, say there is 'no lift' to the market. Demand covers nearly every description of wool but especially favors the fine combing wools."

"In the west, growers and bankers have been showing more disposition to withhold wools from sale, evidently looking forward to better prices in the fall and winter. Prices are firm everywhere in the west and in the bright wool states the best decline clips have been slightly dearer."

"Foreign markets are generally steady. The fleecedogs market is a bit broader but the price equation still is dominant."

The Bulletin will publish the following quotations: scored basals: Oregon: fine and f. m. staple 34-35; fine and f. m. Pro. combing 31-32; fine and f. m. clothing 29-30c; valley No. 1, 31-35; Mohair: Oregon 13-14.

The densest clouds are probably not more than one part water to 30,000 parts air.

Most of Summer Fruits Offered On Local Market

The burden of summer fruits appeared this week to be in market, with honeydew melons the only addition to local displays this week. They were selling at 25c. Grapes had not been received to any extent yet. Watermelons have remained at three cents after a half cent drop recently.
