

### Nearly 200,000 Spectators Pay Way Through Olympic Gates

(Continued from Page One)

man, but no one had any idea he would make a "show" of Sera Martin's world mark of 1:50.8. Eastman's unofficial record of 1:50, as well as top two full seconds off Lowe's Olympic standard.

It was one of those races of a lifetime, as thrilling even if not quite as close as Eddie Tolau's two-inch margin over Ralph Metcalfe in the 100-meter final. Hampson ran a "perfect race," timing his "kick" so so beautifully that he just had enough left to overhaul and beat Wilson, then collapse exhausted on the turf.

It was 1-2-3 for the British empire, with Phil Edwards, of Canada, third, and 4-5-6 for the United States as Eddie Genung, Ned Turner and Charles Hornbostel, in that order, completed the half-dozen in the scoring.

Ralph Hill Wins Heat  
Ralph Hill, the Oregon boy, stamped himself a real threat in the 5000 meters by running away from Lauri Lehtinen, young Finnish favorite, in the trials. Hill's time of 14:59.6 was not so impressive as the way he out-sprinted Lehtinen after the Finn challenged on the last lap. All three

Americans, including Dan Dean and Paul Bekers, qualified for the 5000 meters final, scheduled Friday. The Olympic track and field team championship, meanwhile, is virtually all over but the shouting. The United States, with eight events concluded, has 41 points. Ireland is next with 20, while Canada has 19, Finland 16, Great Britain 13, Poland and Germany 10 each, Sweden 8 and Japan 7. Today's events figured to shoot the Yankee total well beyond the 100 mark.
