

Angels Move Into Second Place In Coast League

PORTLAND WINS FROM FRISCO IN PITCHING BATTLE

Beavers Leading Los Angeles in Second Place by Two and a Half Game Margin.

By the Associated Press
The Los Angeles Angels, who have been climbing steadily lately, arrived in second place in the Coast league by taking a ten-inning game from Oakland, 6 to 4, Friday night. Hollywood fell back to third position, half a game behind by losing to Seattle.

The Angelinos won out in the extra inning by making three runs off Roy Joiner, who relieved Bill Phebus in the ninth. Phebus gave but three hits and one earned run, but was lifted for a pinch hitter. The Oaks put up a stiff battle, rallying in the ninth to tie the score, and they had the tying runs on base in the tenth when the game ended.

Homers Aid Seattle
Aided by homers from the bats of Emsworth, Almada and Muller, Seattle triumphed Hollywood 7 to 6 to take the lead. The Stars almost won in the ninth when Ote Brannan, second baseman, homed with two men on, but there were two out, and the Indians checked the rally.

After taking three straight defeats this week, Portland stopped the San Francisco Seals 2 to 0 as Bill Shores had the edge over Lee Blaine in a rugged duel. The Seals outbit the Ducks, 11 to 5, however, and filled the bases in the last half of the ninth in a pinch hitters' rally, but were checked by a close decision on a play at first.

Sacramento hammered the offerings of Ted Pillette and Olsen for 17 hits to defeat the Missions, 10 to 3. Friday's results: R. H. E. Missions 3 8 4 Sacramento 10 17 0 P. Pillette, Olsen and Ricci; Bryan and Wirtz.

R. H. E. Seattle 7 10 6 Hollywood 6 10 6 P. Page and Cox; V. Page, Kinney and Mayer.
R. H. E. Portland 2 6 2 San Francisco 0 11 0 Shores and Fitzpatrick; Blaine and Brenzel.
R. H. E. Los Angeles 6 0 0 Oakland 4 11 2 Bellou and Campbell; Phebus and Raymond; (10 innings.)

Fight's A Draw As Both Battlers Score Knockouts

MARION, N. C. (AP)—It was a big night for fight fans here when "Bad Eye" Whitaker and "Big Foot" Calk were matched for the heavyweight title of the city.

It was a good fight—plenty of action as the big boys slugged each other—for four rounds. The crowd was happy—here was a fight worth seeing. The fighters were evenly matched and during those fast four rounds neither could be said to have an edge. Then the abrupt end—both fighters started power-house blows from the floor, scored simultaneous hits and both fell. The crowd yelled and the referee counted. At "ten" both lay still.

Both managers put in claims for the title, but the referee ruled otherwise. He called it a "draw knockout."

1932 Olympics Outstripping 'Gate' Records

LOS ANGELES, Aug. 13 (AP)—The 1932 Olympics, which close their spectacular sporting whirl of 16 days with the closing ceremonies tomorrow, have far outstripped all records for gate receipts as well as performances. Unofficial estimates today were that the total paid attendance would figure close to 1,000,000 and the gate receipts around \$2,000,000 for the most brilliant athletic show ever conducted.

The record-smashing track and field sports accounted for the bulk of these figures. Estimates were that in eight days of the most exciting events in the big Olympic stadium, 475,000 cash customers were accommodated. Altogether day and night, over the stretch of two weeks, more than 600,000 passed through the main stadium's turnstiles.

Rowing, including an estimate for today's finals, attracted 100,000 to the marine stadium at Long Beach while the aggregate crowds at the swimming championships figured to reach 80,000 by this afternoon.

Almost from the start, there has been no doubt about the all-around supremacy of the United States and the point tables, figured unofficially, show the Americans with an overwhelming lead. The U. S. scored its biggest Olympic conquest in track and field sports since the war, captured the free style wrestling championship, clinched the majority of honors in women's swimming and hoped to retain the main laurels of the Olympic regatta this afternoon.

The closing sensation, however, was the rush of the great Japanese men's swimming team to dethrone the Americans in this branch of major competition. Japan's improved showing all along the Olympic lines has been a conspicuous feature from the start. The Japanese have high hopes of landing the award of the 1936 Olympics for Tokyo. The 1936 games will be held in Berlin.

The closing ceremonies, starting at 2 p. m. tomorrow, will follow the equestrian sleepchase finals. National and Olympic banners will be paraded and final awards made to the athletes, including presentation of an "Alpine award" for two German youths who climbed the Matterhorn. A messenger will take these Olympic medals to Berlin to give them to the mountain climbers, Hans and Toni Schmit.

The Olympic torch will burn for the last time and the Olympic flag will be turned over to Mayor Porter of Los Angeles for safe keeping during the next four years.

JAPAN ON BRINK OF CHAMPIONSHIP

Swimming Team Expected to Take Olympic Title From United States.

By Paul Zimmerman (Associated Press Sports Writer)
LOS ANGELES, Aug. 13 (AP)—With the swimming championship reckoning to the sturdy sons of Nippon, Japan reached for its first Olympic team title today in the finals of the international aquatic carnival. Three individual titles remained to be decided, but there appeared a lack of American talent sufficient to turn back the insistent threat of the smiling, courageous navigators of the Far East.

United States had the promise of an almost certain victory in the men's high platform diving, but the handwriting for the 1500 meter free style and 200 meter breast stroke finals prospect was in bold Oriental characters.

To the Yankees it was the handwriting on the wall. It meant that the aquatic crown would be carried from the North American continent

for the first time since the Olympics were modernized.

Sweep 100-Meter Final
The turn of affairs came suddenly yesterday, but not without expectation, when Japanese finished one, two, three in the 100-meter breaststroke final.

Masaji Keyokawa completely outclassed his field to win the backward race by three yards in 1 minute 3 3/4 seconds, although he was four-tenths of a second short of the only Olympic record of the whole water festival which withstood attack.

The triumph increased Japan's team total to 56 points, leaving Uncle Sam's best in second place with 46. America had no survivors in the final 200 meter breast stroke race to stand off Japan's attack today. Nor that it made any difference, for Heizo Koike, a 16-year-old lad has consistently bettered the old Olympic record and the performance of Yoshiyuki Taurata, his teammate, the defending champion.

Clarence Crabbe, Olympic 400 meter champion, and James Crisly, University of Michigan swimmer, remained in the 1500 meter race to contest Japan's bid for another victory, but two Japanese school boys, Knosha Kitamura, 14, and Showo Makino, 16, have been toying with the Olympic record in the preliminaries, promising no good for America's cause.

In the final women's event, the 400 meter free style, it was another story, with the chances equally as certain that America's feminine team total would mount well beyond the 80 points and save this title for the home forces.

Dodgers Now In Pennant Picture In Older League

By Herbert W. Barker (Associated Press Sports Writer)
Max Carey's Brooklyn Dodgers have become formidable contenders for the National league pennant.

Triumphant in 16 of their last 20 games, the Dodgers today rested in third place, three games back of the second place Pittsburgh Pirates and only three and a half games behind the pace-setting Chicago Cubs.

What makes the Dodger streak more remarkable is that they have won without consistent pitching. In the 20 games only eight times has the starting pitcher remained for the finish. Timely hitting, especially by Lefty O'Doul, and effective relief pitching have contributed to the spurt.

There was nothing wrong with Bill Clark's pitching yesterday, however, as the Dodgers blanked the New York Giants, 1-0. Clark gave up only four hits. His mates collected 12 but made only one run as the giants completed six double plays and equalled the major league record.

Chuck Klein hit two home runs, his 34th and 35th of the season, and drove in five runs as the Phillies trounced the Boston Braves, 8-1. In the American league, the Cleveland Indians moved into a tie with the Philadelphia Athletics for second place by beating Detroit, 3-1, while the A's were dropping a 2-1 decision to the Boston Red Sox.

Ivy Paul Andrews broke the Red Sox' 11-game losing streak as he held the A's to five hits and fanned eight men, Simmons three times.

FOUR FEATURES ARE SCHEDULED

Liberty Program For Coming Week Includes Several Leading Stars.

PROGRAM FOR THE WEEK AT THE LIBERTY THEATRE
Sunday and Monday: Jackie Cooper and Charles "Chic" Sale in "When a Feller Needs a Friend."
Tuesday and Wednesday: Robert Montgomery in "But the Flesh is Weak."
Thursday and Friday: Walter Huston and Philip Holmes in "Night Court."
Saturday Only: John Mack Brown in "Flames."

Four feature pictures, all of them strong attractions, have been booked for showing at the Liberty theatre next week, beginning with "When a Feller Needs a Friend" on Sunday and Monday. Those who know Chic Sale and Jackie Cooper, and the way they team up together, are looking forward to a real talkie treat.

And Jackie—he can't go out on the lot to play ball with the other kids; he can't join them in their mud battles, their races and parties; if there's a fight, he always gets the worst of it for his crippled leg has made him a moral coward. Well, you can imagine the possibilities in this picture, with Chic playing the part of the old family friend. Others in the cast are Ralph Graves, Dorothy Peterson, Helen Farrah and Andy Shuford.

"But the Flesh is Weak" That popular young movie star, Robert Montgomery, is the star in this picture, scheduled for Tuesday and Wednesday, and which is billed as a brilliant new society comedy. It is based on Ivor Novello's stage success "The Truth Game."

Supporting Montgomery are Nora Gregor, Heather Thatcher, Edward Everett Horton, C. Aubrey Smith, Nils Asther, Eva Moore and several other well known actors and actresses. It is an unusually strong cast.

"Night Court" scheduled for Thursday and Friday, is an intensely gripping story of an innocent girl who is "framed" and sent to prison because she has unwittingly come into possession of incriminating evidence against an unscrupulous judge.

Antia Page is the girl and Phillips Holmes, Walter Huston, Lewis Stone, Jean Harlow, Tully Marshall, John Miljan and Mary Carlisle are among the support.

"Flames" The Saturday only feature is one that glorifies firemen and some of the modern lifesaving devices and will interest the kiddies and grown-ups alike.

John Mack Brown, Noel Francis, George Cooper, Marjorie Beebe, Richard Tucker, Russell Simpson and Kit Guard appear in the cast.

SALEM, Aug. 13 (AP)—Jack Dempsey spoke to convicts at the Oregon state penitentiary while they were at breakfast today and received a big ovation. Following his short talk the former world's fight champion was

entertained by Warden James Lewis.

Dempsey left here after his short visit to continue his way to San Francisco by automobile in company with Leonard Sacks, his manager, Chief of Police Leo Jenkins, Captain of Detectives Harry Niles of the Portland police, and Frank Longan accompanied Dempsey to Salem.

Sport Slants

By Alan J. Gould (Associated Press Sports Editor)
Just when my dispatches from the

National league front indicated the Pittsburgh Pirates were rolling along to gain a commanding lead and break up the race, the Bucc seem to have come a severe cropper, especially at the hands of Burt Shotton's rude Phillies.

The mystery therefore remains unsolved as to which aggregation will be flung against Joe McCarthy's Yankees in the world series. It won't be the Cardinals, which means the war correspondents will be able to reduce traveling expenses in keeping with the spirit of 1932. It won't be the McGrawless Giants, either, or the Cincinnati Reds, but it may still be the Pirates, the Cubs or even the Phillies.

I can picture nothing more interesting than a battle between the flogging Phils and the larrupping Yanks, with the right-field stands to shoot at in the Bronx and that right-field wall to use as a target at Baker bowl, Philadelphia.

In such a slugfest Klein and Hurst might well be counted on to do just about as much long range damage as Ruth and Gehrig.

INSPIRATION

Give some credit to youthful fire and inspiration when it comes to accounting for the extraordinary performances that have marked the track and field events at Olympic stadium.

There are no better examples than the two Japanese boys, Shuhei Nishida and Chubei Nambu, nimble sons of a country that is fighting gallantly for its place in the Philadelphia Athletics for second place by beating Detroit, 3-1, while the A's were dropping a 2-1 decision to the Boston Red Sox.

Ivy Paul Andrews broke the Red Sox' 11-game losing streak as he held the A's to five hits and fanned eight men, Simmons three times.

WATCH JAPAN

Finland has had its fling, Germany will build mightily for the 1936 Olympics in Berlin, but watch the Japanese from now on, especially if they bid successfully for the 1940 games.

They put a sprinter into the 100 meter finals for the first time this year, a runner-up in the pole vault, champion in the triple jump.
