

Shores Pitches Two-Hit Game Against Seattle Wednesday

PORTLAND'S LEAD IN COAST LEAGUE NOW THREE GAMES

Frisco Blanks Hollywood 9 to 0; Angels Go Into Tie For Third Place by Downing Reds.

Every game in the Coast League Wednesday was marked by good pitching, the outstanding performance being by Bill Shores of Portland, who struck out 15 men and allowed only two hits as the Beavers trimmed Seattle 16 to 1. Shores' strikeout feat was the best recorded in the league this season and a new high mark for night baseball on the coast. The league record for strikeouts is 19, made by Charley Stridsberg in 1905 in a game between Portland and Seattle.

The victory kept the Ducks at the top of the league by a margin of three games. Portland made 17 hits off two Seattle pitchers.

Seals Blank Stars

Behind the brilliant five-hit pitching of Curtis Davis, the San Francisco Seals shut out Hollywood 11 to 0, and only one sheik batter got as far as third base. Emil Yde was knocked from the box in the first inning as the Seals made three runs and they continued their attack on his successor, Walter Kinzel. The victory put San Francisco within three percentage points of the second-place Stars.

Meanwhile the Angels went into a tie with the Seals for third place by squeezing out a 3 to 2 victory over the Missions. Ed Baecht gave the Reds only two hits, but was wild, walking eight men, and had to knock out a single in the ninth to bring in the winning run.

Lauri Vinci kept Sacramento on the winning track by pitching a four-hit game to shut out the Oaks, 9 to 0. The Oaks put the game away in the eighth by making six runs off Phobus and Fisher. The Senators have now won seven straight games and 13 of their last 14 starts.

Eagles Defeat Ghouls 14 to 8 In Six Innings

The La Grande Eagles made it two straight over Garry's Ghouls when they won a six-inning tilt at the high school field last night by a score of 14 to 8.

Three sparkling double-plays by Garry's squad were the features of the game. The first double came in the third frame when Alderman, Ghouls catcher, with Eagle base-runners on first and third, started the well-known "cut-off" play. Roe took the throw at second, touching Courtney coming in to the bag, and a quick return to Alderman caught D. Wilson sliding into the plate. The second came in the fifth frame when Wicklander muffed a single after Hall had reached first and started to steal second. Wicklander hit a high fly to center and Hall started the second "cut-off" play. Roe took the throw at second, touching Courtney coming in to the bag, and a quick return to Alderman caught D. Wilson sliding into the plate. The second came in the fifth frame when Wicklander muffed a single after Hall had reached first and started to steal second. The Eagles completed one double play during the evening and had two more chances for others. Evans' bad throw to Posey missed up one of them, while a dislocated thumb caused Posey to miss the next one.

Next Friday night the Eagles are scheduled to tangle with Bill Workman's Old Timers again. This game will be a regulation nine-inning affair, and will start at 4:30 o'clock.

Cubs Win From Boston Braves In 19 Innings

By Hugh S. Fullerton Jr. (Associated Press Sports Writer)

It is hard to imagine a pennant race any warmer than the current National league affair in which the last place team is only 15 games behind the first and three teams are battling for the lead within a space of 2 1/2 games, but there are various signs and portents that it will become even more heated before the season ends.

Despite 13 defeats in 17 games, many chargeable to left handed pitching, the Pittsburgh Pirates were only two games behind the league-leading Chicago Cubs today with the charging Brooklyn Dodgers another half game back. And Pittsburgh was threatening to stage a comeback while the danger signals were flying for Chicago.

It took just about everything the Cubs had yesterday to turn back the Boston Braves, now holders of sixth place. They waged the longest battle of the major league campaign—19 innings—before Chicago finally won out 3 to 2.

Although Brooklyn closed the gap between second and third to a half game with a 4-1 victory over Pittsburgh, the Bucs showed plenty of fight.

In the third National league game, Bill Terry of the New York Giants clouted a homer, two doubles and two singles while Jim Mooney was holding Cincinnati to four hits and the Giants won easily, 5 to 0. Rain halted the Phillies and Cardinals.

Pennsylvania to emphasize the difference between the American league chase and the National, the New York Yankees, leaders of the junior circuit, won their tenth straight game, defeating Detroit 8 to 3.

The triumph increased the Yankees' lead to 12 1/2 games as the Philadelphia Athletics regained second place from Cleveland with a 11 to 0 triumph over the Indians. Lefty Grove's four-hit hurling brought him his 18th victory and his fourth shutout.

Washington, in fourth place but far out of the picture, turned back the Chicago White Sox, 4 to 2, with a seventh inning rally that netted three runs. A six-hit mound performance by Paul Andrews and three blows apiece by Dale Alexander and Smead Jolley netted the Boston Red Sox a 7 to 3 triumph over the St. Louis Browns.

LEHTINEN TO RUN AGAINST R. HILL

Disputed 5000-Meter Race in Olympic Games Background For Race Tonight

CHICAGO, Aug. 18 (AP)—Lauri Lehtinen and Ralph Hill meet again tonight.

The two, whose close battle in the 5000 meters race prompted one of the loudest gallery storms of the recent Olympic games, were matched over the same distance again tonight in the feature event of a post Olympic exhibition involving track and field stars from 15 nations.

Lehtinen won the 5000-meter Olympic title for Finland but forced the officials into a long huddle before they decided that he didn't purposely cross in front of Hill, University of Oregon star, twice in the final sprint. Both were credited with the same time of 14:30 for the event.

Luigi Beccali of Italy, who captured the Olympic 1500 meters championship, was out tonight to lose the world record. At the Los Angeles games, he was officially timed in 3:51.2, a fifth of second short of a world mark. Bill Miller, Stanford Olympic champion, and Bill Graber of the University of Southern California, also were here for a pole vault duel.

Babe Didrikson, the "Texas Tornado," and Stella Walsh, competing for Poland, were entered in the women's activities. The Texas girl decided to confine her activities tonight to field events. She won the javelin throw and the 80 meter hurdles championship at the Olympic games while Miss Walsh was crowned Olympic champion in the 100 meters event.

Portland Team Reaches Finals At Walla Walla

WALLA WALLA, Wash., Aug. 18 (AP)—A tight pitching performance on the one hand and some timely hitting on the other—these sent the Portland Lincoln Cardinals, Oregon champions, and the Seattle University post, Washington state title holders, into the finals of the northwest regional American Legion junior baseball tournament today.

With 12 strikeouts to his credit, Leaven, Portland hurler, led his mates in downing the Miles City, Mont., team in yesterday's semi-finals here. Three errors by the Montana boys were costly, although their own pitcher, Mariana, turned back the Portland lads with only seven hits.

Meanwhile, the Seattle team was garnering 12 hits off two pitchers for the one hand and some timely hitting on the other—these sent the Portland Lincoln Cardinals, Oregon champions, and the Seattle University post, Washington state title holders, into the finals of the northwest regional American Legion junior baseball tournament today.

HOT LAKE (Special)—Last Friday, Mrs. Marcia Spencer, sister of Dr. Mark Phyl, terminated the object of her journey from her home in Denver, by a successful operation for appendicitis, from which she is making a good recovery.

Homer Marlow, a prominent landowner and farmer of Glenns Ferry, was much cheered by a weekend visit from his wife and three sons on Sunday. The older ones, Russell and Paul, who run the business during their father's absence and look quite capable of doing so, also small Dickey who seems to feel that he could do this equally well, if allowed to try.

Mrs. Sarah Casper dropped in Sunday, staying only long enough to greet her friends as she passed on to the fourth and last week of her vacation which will be spent in this valley and Baker.

Mrs. E. Pollock, of Long Beach, Cal., a former resident of La Grande, where she is now visiting, called on friends in the hospital on Monday. Mrs. Pollock was accompanied by Mrs. Grady, Mrs. Elbert Butler, of Ontario, who spent a few days last week with her husband, made a brief visit at home but returned on Monday and will remain with him until he is more permanently improved. Mr. Butler is a sufferer from acute asthma.

Mrs. Miles Edgill, now of La Grande but a former resident of Baker, is satisfactorily recovering from a major surgical operation which took place on Friday.

Mrs. Peter Thomason, of Chicago, but more recently of O. S. C. at Corvallis, was a dinner guest on Monday of Miss Marjorie Conroy.

CATON PILOT'S MARCHIONESS TO VICTORY

GOSHEN, N. Y., Aug. 18 (AP)—With Caton spent 22 years in Russia driving the greatest of European trotters to victory, but he returned to America to receive his greatest triumph.

Winner of 2342 races on the European continent, including the Grand Prix at Paris in 1901 and eight derbies, Caton, gray from 40 years on the sulky, got his biggest kick yesterday when he piloted Mrs. Ralph Keller's The Marchioness to victory in the richest of all harness racing stakes—the Hambletonian.

The 55-year-old suburban driver boasts one of the greatest winning records in history. He has scored with the horses of the former czar of Russia, but in his own words—"There was some as thrilling as winning the Hambletonian before a home crowd of 25,000 howling fans."

Caton, a son of a horse loving father, attracted the attention of Grand Duke Nicholas at the Chicago world's fair in 1892, when as a lad of 16 he won two races. He was immediately offered a chance to go to Russia where his American style of driving met with popular acclaim.

Accompanied by his youthful compatriot, Marcel Bernard, Cochet started at once for Boston to begin practice for the national doubles at Brookline next week. After that he will return to New York to practice for the national singles at Forest Hills where he hopes to lift Vines' title.

GEORGE WINS FROM KOLOFF IN PORTLAND

PORTLAND, Ore., Aug. 18 (AP)—Ed Don George, at one time heavyweight boxing champion, defeated Dan Koloff, Bulgaria, two out of three falls in Portland's first outdoor mat show at Multnomah stadium last night. Up to the final fall, it was anybody's match. George took the first fall in 24 minutes, 30 seconds with a flying tackle after both men had applied some hard holds. Koloff evened it in eight and a half minutes with a croch and half nelson. Koloff was prepared to execute the same hold in the final session when George placed a hefty poke to the Bulgarian's stomach. Koloff let go all holds and fell over backwards with the New Yorker on top.

Two Thighs shouldered and wrist-locked his way to victory over Wallace Muscovich with two straight falls. Bob Kruse won over Nick Elch with two straight falls, the first a body slam, and the second with a wristlock. John Freiburg and Harold Rumburg went 30 minutes to a draw in a rough bout.
