# Play Begins Today in Western Amateur Golf Tilt

## YOUNG DON MOE WILL DEFEND HIS '31 CHAMPIONSHIP

### Two Hundred Crack Golfers Open Assault on His Crown at Rockford, Ill. Country Club.

(Associated Press Sports Writer)

ROCKFORD, Ill., Aug. 22 (AP) — Young Don Moe of Portland, Ore., felt the sword of Damocles dangling over his head today as a record crowd of 200 golfers opened assault on his prized western amateur crown over the Rockford country club battleground.

It was by far the largest and probably the smartest western field in 32 years of play and the champion knew he was in for a stiff week's struggle to be the first to successfully defend his crown since the veteran Charles "Chick" Evans Jr., of Chicago, turned the trick back in 1922 and '23. Three former champions, two Walker cup team members and a host of rising young stars from all sections of the nation, extending from Oregon and California to Georgia, were grouped in the championship field as the battle opened for qualifying berths.

**Sure of Playing**

Moe was sure of only one thing—a place among the 32 qualifiers, who will fight it out all week over the match play route for the title, one of the most elusive in golf. As champion, he automatically qualified. His rivals must play 36 holes, 18 today and as many tomorrow, to join him.

One could pick his most dangerous rivals almost at random from the bulging list of entries, but several stood out. Among them were Gus Moreland of Dallas, trans Mississippi champ; Johnny Lehman of Chicago, 1930 western titleholder; Evans, himself on the comeback road; Charlie Seaver, Los Angeles, Walker cup team member along with Moe; Keefe Carter of Oklahoma City, 1925 champ; Barry Eichelberger, Los Angeles, second low qualifier for the 1932 national amateur; Warren Dawson, of Chicago, twice Illinois state champ, and 19-year-old Rodney Bliss of Omaha, who beat the better known Johnny Goodman for the Nebraska state amateur title last week by clipping six shots from par.

Because of the large field, the starting time for the two 18 hole qualifying rounds was set at 7 a. m. (central standard time) with the two golfing journalists, Art Sweet of Chicago and Billy Sixty of Milwaukee starting the procession. After qualifying tests, the championship drive will proceed on the basis of the first two rounds at 18 holes each on Wednesday, followed by single rounds of 36 holes each on through the finals Saturday.

The championship course was considered comparatively easy. It was 6219 yards long with par 36-35—71.

Just a few odds and ends:

The Brooklyn Dodgers have the pennant fever. When they defeated the leading Pittsburgh Pirates Aug. 4 in a doubleheader it made 11 victories in the last 13 games.

Hack Wilson, who seems to have partially recovered his batting eye under the careful handling of Max Carey, was seen at the Yankee Stadium a few hours after the games watching the Jimmy McLarnin-Lou Brouillard fight.

"How are you feeling, Hack, and how are you going?" a fan asked the pudgy outfielder.

"Fine," boomed the Hack, "and so are the Dodgers. We'll be playing in the world series this fall. And right in this park." He waved his arm in a gesture embracing the far reaches of the big stadium where Babe Ruth and company entertain the populace on sundry sunny afternoons. Hack was given a good round cheer.

**THAT O'DOUL**

The feat of Francis (Lefty) O'Doul in knocking out three home runs in the Pirate-Dodger doubleheader Aug. 4, which also knocked the pirates out of the ball game, sent the Dodger slugger into second place in the league batting averages after a steady climb through the last month.

The former Yankee pitcher is hitting the ball again at the pace which gave him the National league leadership in 1929 with an average of .398.

O'Doul, then with the Phillies, was complimented by a friend one August day in 1929 on his batting leadership.

"You know," said Lefty, "I'm in the same position as a man with a 50 pound chunk of ice on his shoulder and no ice box. It's no good the way it is and I've got no place to put it away and save it. They pay off at the end of the season, not in August."

If present plans go through New York City will get an opportunity to see the Olympic record breakers, or at least some of them, in action. After the international meet in Chicago, most of the athletes will continue on to New York en route home, and another international track and field carnival is being planned there for August 23-24.

The metropolitan area has never gotten very excited about its track and field athletes, but with the record-breaking feats at Los Angeles fresh in mind, it would not be surprising to see Yankee Stadium, where the meet probably will be held, well filled.

## — THIS CURIOUS WORLD —

THE YOUNG BALD EAGLE is larger than its parents, and the female is larger than the male. The eagle does not acquire the white plumage of the adults until it is about three years old. Until then it wears a dark brown or dark gray color, and is frequently taken for a seperate species altogether. While in this immature state the birds often put their elders to flight.

## Wilcy Moore Is Still Winning 'Em For Yanks

By Herbert W. Barker
(Associated Press Sports Writer)

Back in 1927 the New York Yankees won an American league pennant with the aid of Wilcy Moore, relief hurler extraordinary. He was 30 years old when the Yankees first bought him but he proceeded to win 19 games and lose only seven in 1927, his labors restricted almost entirely to relief roles.

A few weeks ago the Yankees picked him up again from the Boston Red Sox. He was shoved into the breach against the Detroit Tigers yesterday, his third relief job in the last five days, and promptly saved the game for the Yankees. The Tigers had won the first battle, 4-3, and the second game was tied up at 5-5 when Moore was sent in to hold the Tigers safe in the ninth. He did and the Yankees proceeded to win the game for him in the last half of the same frame, Tony Lazzeri's single driving in the winning run. Babe Ruth clouted his 35th homer.

**A's Whip Indians**

The Philadelphia Athletics strengthened their hold on second place by whipping the Cleveland Indians in a double header, 9-7 and 3-2, in 10 innings. Washington's Senators tripped the Chicago White Sox twice, 4-3, 3-1, but had valuable assistance from the Sox fielders who made six errors.

In the National league, the Brooklyn Dodgers moved into second place, two games behind the Chicago Cubs, by blanking the Cincinnati Reds, 6-0.

The Cubs dropped a 6-5 decision to the Boston Braves. Baxter Jordan batted in what proved to be the winning run in the sixth.

The New York Giants clouted Heinie Meinie and Leon Chagnon for six runs in the first inning and beat Pittsburgh, 10-4, dropping the Pirates into third place. Singles by Wilson and Flowers, with Sylvester Johnson's sacrifice bunt in between, gave the St. Louis Cardinals a 5-4 decision over the Phillies in an 11-inning game.

## *Joe Walcott, Ring King of 30 Years Ago, In Hospital*

NEW YORK, Aug. 22 (AP)—A heart condition has sent 60-year-old Joe Walcott, former world's welterweight champion, to Bellevue hospital.

The "Barbados Demon" of 30 years ago collapsed on the street yesterday and was taken to the hospital where the diagnosis was "arterio sclerosis and senile psychosis."

But the aged negro, called by many experts the greatest fighter of his weight in boxing history, is not worrying overmuch.

"I've had these attacks before," he said. "Maybe I'll be all right in a couple of days."

Walcott has been living for some time in the unlighted basement of a building on West 57th street, maintaining himself on the small sums he could pick up as a referee or an instructor to Harlem's ring aspirants.

At the peak of his form, Joe took on lightweights to heavyweights indiscriminately although he himself tipped the beam at no more than 137 pounds. The bigger fellows were easy for him but he often had trouble with men of his own weight, notably Kid Lavigne, Kid Carter, Tommy West and mysterious Billy Smith.

Probably his greatest feats were his knockout of Dan Creedon, redoubtable Australian, in one round, and his technical knockout in seven rounds of Joe Choyniski, the light heavyweight who gave Jim Corbett such a battle for 28 rounds. He fired challenge after challenge at Corbett, Tom Sharkey and Jim Jeffries but none of these would accept. Walcott was welterweight champion from 1901 to 1904.

## Mighty Heave By Sexton Breaks Shotput Record

CLEVELAND, Aug. 22 (AP)—A new unofficial world's shotput record, 52 feet 11¼ inches was held today by Leo Sexton, of New York Athletic club.

Sexton, who won the recent Olympic shotput at 52 feet, 6 3-16 inches, tossed the greater distance yesterday in a track and field exhibition before 60,000 spectators in the Cleveland stadium. His previous unofficial record was 52 feet, 8⅝ inches, established at the Olympic trials in Boston several weeks ago. The recognized world's record is 52 feet 7½ inches, set by Emil Hirschfeld, of Germany.

Jesse Owens, of Cleveland, young negro high school junior, won the 100-yard dash in 9.6 seconds on a curved track that was both hard and bumpy. Owens defeated two Olympic sprinters, Erick Brockmeyer, of Germany, and Gabrielle Salvaiti, of Italy.

Numerous other Olympic athletes participated in various field and track events of the program.

## BEAVERS TAKE 2 IN DOUBLE BILL

### Portland's Lead in Coast League is Increased to Four Full Games.

By the Associated Press

Portland's Beavers demonstrated their right to lead the Pacific Coast league by taking a Sunday double header from Seattle, finishing the series with six victories in seven games. Conclusion of the series found the Ducks four games ahead of the second place Hollywood Stars.

The first Sunday game went fourteen innings, Portland winning 8 to 7. Five of the six pitchers who worked gave 31 bases on balls, and hits were plentiful, each team getting 16. The Ducks had an easier time in the seven-inning second contest, winning 7 to 3, as Shores held the Indians to four hits.

By dividing the Sunday double bill with the Missions, the Angels won the series, four games to three. The first game went twelve innings, with Los Angeles winning 6 to 5. The Missions contributed to their defeat by making seven errors. The nightcap, scheduled for seven innings, went eight, with the Reds breaking a tie at the last minute to win 3 to 2.

San Francisco took four of seven games from Hollywood during the series. The Seals won the first half of a double header, 7 to 4 by a six-run rally in the eighth inning, featured by Pitcher Jimmy Zinn's homer with the bases full. The Stars took the closing game 5 to 2, as Jim Turner outpitched Curtis Davis.

Sacramento finished the week with a double win over Oakland, 18 to 5, and 4 to 3, to take the series five games to two. The Oaks found Ben Tincup for 14 hits in the morning game at Stockton, but made five errors, and the batting of Camilli, Lahman and Woodall put the Senators over. In the afternoon game the Sacs scored all their runs in the eighth inning off Bill Phebus and Ed Walsh.

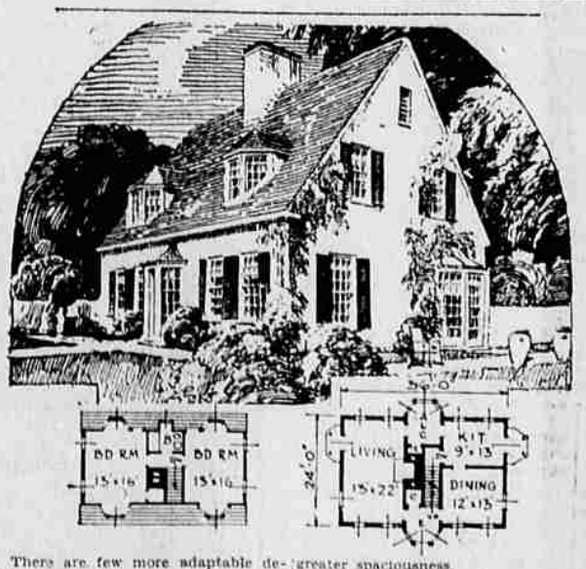
## EXCELLENT FOR ANY LOT



There are few more adaptable designs than this.

The architect has planned a house from any room of which one may command a good view of the surroundings. But it works the other way; generous window space and unusually well considered ventilation make the house fit more restricted situations quite as well.

The kitchen is made more cheerful by its bay window entry; there is a light dining alcove as well as a dining room, and the lower floor is arranged so that one may circle it—a feature the housewife will approve. Few small houses have the feeling of greater spaciousness.

Upstairs there is again the utmost simplicity and symmetry. The dormer windows are very well handled.

A choice of materials is indicated. The exterior might be whitewashed brick, stucco, or shiplap siding exposed six inches to the weather.

Slate, shingles or flat tile will be suitable for the roof. Shutters should preferably be dark blue green, the trim white.

Starting with $5,000 as a minimum, the cost might easily go two or more thousand higher, depending on the choice of materials and local price variations. A lot 50 by 125 feet is sufficient.

## Old Timers Win From Eagles In Sunday Tilt, 8-2

After having his local Old Timers baseball team beaten by the Eagles three games in succession, Bill Workman, captain of the squad, scoured the countryside last week and got together an aggregation of All Stars that put the trimmings on the Eagles team yesterday afternoon by a score of 8 to 2.

Both teams played a fine brand of baseball before a good-sized crowd. Lewis, pitcher from Summerville, was the outstanding star of the game. He pitched the entire nine frames for the All Stars and set the Eagles down with but four hits—Hall's three-bagger in the first inning; Nelson's single in the fourth; Posey's single in the fifth; and Hartman's home run over deep center field in the eighth frame. Lewis fanned eight Eagles and kept them hitting easily fielded balls to his infielders who gave him stellar support.

Hall started on the mound for the Eagles but was forced to retire in the second when the All Stars found him for five hits and four earned runs. Chuck Wilson then took over the mound duties and allowed but six hits during the ensuing seven frames and but four runs. Both Hall and Wilson were considerably handicapped with sore arms, it is said. "Red" Courtney was scheduled to hurl for the Eagles but was unable to get into the game.

The Eagles worked on a signal system during yesterday's game in preparation for the coming clash with the House of David whiskered team here next Monday afternoon. One play that worked out nicely was Posey's sacrifice in the first frame to score Hall who was on third by virtue of a three-bagger. Letting the first ball go for a called strike, Posey neatly bunted the second thrown ball into the dirt along the third base line. Hall was more than half way in when the ball was hit and although the play at home was made for him he was easily safe. Posey reached first on the play.

Twice during the game men reached third and lack of attention to signals on the part of base-runners or failure of batters to signal their next plays were responsible for put-outs.

## Ferrell Chalks Up 20th Win Of Current Season

By Herbert W. Barker
(Associated Press Sports Writer)

Wesley Cheek Ferrell, tall, husky North Carolinian, has chalked up his 20th victory of the season, the first pitcher in major league history to win 20 or more games in his first four full seasons in the big leagues.

The Cleveland right-hander won 21 games and lost 10 in his first full season with the Indians, in 1929; won 25 and lost 13 in 1930, and 22 and 12 last year.

His 20th triumph of the current campaign was gained yesterday over the Washington Senators, 11-5, in a loosely-played game in which 15 passes were given. Ferrell went the route although he was walloped for 11 hits and gave six walks. Brown and Edelen, Senator hurlers, handed out nine free tickets.

**Yanks Gain**

The New York Yankees stretched their American league lead to 10½ games over the idle Philadelphia Athletics by beating the St. Louis Browns 3-1. Each team made only three hits but the Yankees bunched all of theirs in the third inning for two runs.

Detroit and Boston split a doubleheader. Bob Weiland gave the Tigers only four hits in the opener which the Red Sox won, 3-1. Vic Sorrell limited the Red Sox to seven blows in the second battle and won, 4-2.

Chicago's Cubs strengthened their hold on the National league lead, beating the Phillies, 2-0, while their closest rivals, the Brooklyn Dodgers and Pittsburgh Pirates, both were beaten.

The Cubs had the benefit of four-hit-pitching from the sensational rookie, Lon Warneke, who hung up his 18th victory of the season. A single by Warneke, doubles by Herman and Cuyler and a long fly by Jurges gave the Cubs both their runs in the fifth.

**Giants Victorious**

Three Dodger pitchers were pounded for 17 hits as the New York Giants whipped Max Carey's pennant hopefuls, 9-3. Eppa Jeptha Rixey, 41-year-old left-hander of the Cincinnati Reds, tamed the Pirates for the fourth time this season, scattering eight hits in a 2-0 victory.

The Boston Braves battled 14 innings to achieve a 7-5 verdict over the St. Louis Cardinals and then darkness halted the second game of a scheduled double-header with the score tied at 2-2 in the sixth. Dizzy Dean relieved Bill Hallahan in the ninth inning of the opener and struck out 10 men in six innings only to lose in the 14th on a walk to Maranville, a triple by Urbanski and a single by Jordan.

## Grain Markets Show Weakness On Slow Demand

WASHINGTON, Aug. 22 — Domestic grain markets remained unsettled during the week ending August 19, but weakness predominated toward the close of the period, with prices mostly below a week ago, according to the weekly grain market review of the U. S. bureau of agricultural economics. A continued dull demand featured the markets for both bread and feed grains. Receipts of wheat were relatively light, but with the lack of an export outlet, offerings were easily sufficient for current trade requirements. A continued slack shipping inquiry for feed grains weakened the corn, oats and barley markets, despite only moderate offerings. Rye was featureless and mostly followed wheat. Flax was independently firm under the influence of unfavorable prospects for late-sown fields and a fair crusher demand for current offerings of seed.

No outstanding changes occurred in the general wheat market situation during the week. Preliminary estimates of northern hemisphere wheat crops indicate outturns about equal to last season. World wheat stocks, which have held at high levels since the abnormally large accumulations in 1929, have been reduced and at the first of August this season showed below those of a year ago. The record North American stocks appear to be more than offset by reductions in other areas, particularly in Continental Europe, where supplies are reported at a minimum.

Pacific coast wheat markets were weak, but price declines were less marked than at Eastern points. Threshing became general over Eastern Washington during the week with yields below earlier expectations but quality about equal to average. Marketings remained relatively light, with receipts at Puget Sound and Columbia river terminals totaling only 764 cars, compared with 1,201 cars for the corresponding week last year. In addition to the car receipts, over 27,000 bushels of wheat were received at Portland by river boat and nearly 17,000 wushels by truck. Demand was fairly active from local mills but inquiry for export grades was rather dull. No export sales of either wheat or flour were reported during the week since local prices were several cents above current export bids. At the close of the market Aug. 19, B. B. bluestem hard white was quoted at Portland at 62c, soft and western white at 55c, hard winter, northern spring and western red at 54c per bushel sacked, basis No. 1. No. 1 dark hard winter, 12 per cent protein, sold at 58c per bu., sacked. No. 1 hard white was quoted at Seattle at 62c, western white and western red at 55c, sacked, No. 1 basis. No. 1 dark northern spring, 16 per cent protein, from Montana was quoted in bulk at 69c. Several cars of new Montana spring wheat received at Spokane during the week were reported of good quality but the test weight averaged about 1 lb. per bu. less than early receipts last season.

California wheat markets were quiet and slightly lower than a week ago. Offerings of local wheat continued light with holders in the Sacramento and San Joaquin valleys asking about 10c per 100 over terminal market bids. Milling demand was of fair volume at San Francisco but supplies were being obtained principally from northern markets. Use of feed barley continued to restrict feeding of wheat so that demand for feed grades was limited. At the close of the market Aug. 19, No. 1 hard white wheat was quoted at San Francisco at $1.15 per 100, sacked, and No. 1 soft white wheat at $1.12½. Washington and Oregon shippers were offering No. 2 western white and No. 2 soft white at $1.07½ @$1.10 and bluestem No. 1 hard white at $1.20 per 100, sacked, delivered dock San Francisco. No 1 dark northern spring, 14 per cent protein, was quoted at $1.25 per 100 in bulk. Idaho and Utah shippers were quoting No. 2 dark hard winter, 13 per cent protein, at $1.12 per 100 in bulk, delivered Central California points. The Los Angeles market was slightly weaker reflecting principally the situation in outside markets. A fair trade prevailed in feed wheat but purchases were mostly limited to light current requirements. Mills were generally drawing upon previously purchased supplies and were taking only moderate amounts from current offerings. No. 1 hard white sacked was quoted at Los Angeles Aug. 19 at $1.15, No. 1 soft white at $1.12½@$1.15 and No. 2 or better western white at $1.10 per 100.

Harvesting of spring wheat in the United States is practically completed except in Montana and is well under way in Canada. Weather during the week was almost ideal for harvesting in that country but a further decline in yield prospects occurred as a result of dry weather and high temperatures. Trade estimates now place the Canadian outturn at around 425,000,000 bushels. Harvesting in Russia continued backward with only a little over half of the harvesting plan completed at the 10th of August. Serious rust damage was reported in Czechoslovakia and along the German Polish border as far north as East Prussia. Harvesting made good progress during the week in Germany and most of France and the yield in Central Europe is generally above that of last season, according to late estimate reports.

## Butterfat Tone Steady to Firm As Week Begins

PORTLAND, Aug. 22 (AP) — General steadiness is reflected in the market for cheese at leading American distributive points. The same applies generally to values at the source.

Maintainance of the recent advances at Wisconsin points appears the chief factor at the moment. The previous week's rise was rather spirited and that it was maintained, indicates that the entire cheese structure is on more hopeful grounds although primary points indicated that the strength was not quite so pronounced.

Locally there was no change in the cheese market situation for the day. Coos Bay and Tillamook showed maintained values with the latter still quoting the highest price in the country for its various types.

General trading in the butter market is just about steady despite the weakening influence of the heavy withdrawals from storage. Butterfat values are steady to firm.

Prices are being generally maintained in the market for eggs here despite the flooding of the restaurant and hotel trade by outsiders with undergrades, which act as a detriment to sales of good quality.

Despite the attitude of cash buyers in trying to depress the situation, the market for all chickens is very active with prices firm to 1c higher all around. Buyers are freely paying handlers here that much more than they are quoting and scrambling for their needs.

Trade in country killed meats is at least steady here although the situation is better in veal and lambs as well as mutton than in hogs. The latter appear to be just holding their own.

First muscat grapes of the season have been received in Portland. The initial supply from Fresno, Cal., sold at 75c lug. Other grapes are inclined to show weakness.

Still another downward swing is generally showing in peach prices here. Increasing supplies of Elbertas, Crawfords and J. H. Hale from northwest points and a desire to move supplies are the chief reasons.

The same reason applies to the cantaloupe trade. Dillards are down to $1.10 for standard crates and prices are steady to a fraction lower for cantaloupes and muskmelons from other sections. Quality generally good.

Notes of wholesale trading:

Potato prices are down about a nickel.

Tomatoes are steady to a nickel lower.

Watermelons are down in protest against the weather.

First offerings of little or coast huckleberries at 7c with mountain or large berries at 9c lb.

Lemons are down about 25c case.

Sweet potatoes are lower at $3.00@$3.10 cental.

Onions are weaker with the bulk of Walla Walla to retailers 75c.

## *CANADIANS TO GET SIX-CENT PREFERENCE*

REGINA, Sask., Aug. 22 (AP) — Indications that Canadian wheat will be given a six-cent preference in the British market were received with satisfaction by Saskatchewan's wheat producers.

Regina's grain trade officials, however, were loath to comment, in view of a drop of more than one cent recorded in prices at the Winnipeg grain exchange.

Premier Anderson said: "I feel confident of material results from the imperial conference. We will know definitely when the details are announced.

"We took no definite stand on a wheat preference. Our problem is to sell more to the old country, and we'll likely do that as a result of the conference."
