

STANFORD GOLF STAR IN FRONT

Harry Eichelberger Leads Field at End of First Half of Qualifying Round.

By Paul Mickelson (Associated Press Sports Writer) ROCKFORD, Ill., Aug. 23 (AP) — A stampede was on today for qualifying berths in the western amateur golf championship tournament.

Harry Eichelberger, Stanford university senior, was out in front of the closely bunched field of the medalist campaign.

Two Chicagoans of note, George Dawson and Johnny Lehman, pressed him with 71 while six others, including shotmakers like Gus Moreland of Dallas, Texas, and Dick Martin, Chicago district champion, trailed with 72s.

Many found their nemesis on that hole yesterday, notably Dawson, who came to that spot three under par, got tangled up with the traps, and wound up with a seven.

The only semblance of an upset in the first day's round was the play of Keefe Carter, Oklahoma City, former champion of the event.

MRS. HILL LEADS FIELD PEORIA, Ill., Aug. 23 (AP)—Medalist and owner of a new course record, Mrs. Opal B. Hill, of Kansas City, today was more than ever the favorite to win her second straight women's western golf title.

Mrs. Hill led the field in the qualifying round yesterday, scoring a fine 75, a stroke better than women's par, and five strokes under the tournament record established by Mrs. Lee Mida, of Chicago, several years ago.

Just back of the Kansas City star came Mrs. J. Walter Beyer of Tulsa, Okla., holder of the Oklahoma state championship, who carded a 77.

Mrs. Hill's opponent today was Marion Callahan, of Madison, Wis., who qualified with an 80.

Mrs. Beyer was matched against Mrs. A. W. Clapp, of St. Paul, who also shot an 80.

Ranocas Stable, Owned by Sinclair, Offered For Sale

SARATOGA SPRINGS, N. Y., Aug. 23 (AP)—One of the greatest racing establishments in history—Harry P. Sinclair's Ranocas stable—is being broken up through a dispersal sale.

The first half of the Ranocas stock—10 yearlings and 21 brood mares—was auctioned off last night and brought \$41,125, an average of \$1028.

The Greentree stable paid high price of \$7000 for the famous mare, Nedana, winner of 18 races and \$20,885.

A yearling daughter of Bud Lerner-Karina, and thus full sister to Mokkari, brought a bid of \$4000 from Harry Giddings. The Belair stud paid \$2800 for a yearling by Zev-Nedana.

U. S. C. Grid Coach 47 Years Of Age

LOS ANGELES, Aug. 23 (AP)—Howard Harding Jones, University of Southern California football coach whose team won the national championship in 1931, celebrated his 47th birthday today, by laying plans for the coming grid season.

During his twenty years of coaching, Jones coached teams have won 136 games, lost 37 and tied nine for a .778 average.

In his seven years at Southern California, his teams have won 64 games and lost 10, five of them by one point.

Yankees May Go Through Season Without Shutout

By Gayle Talbot (Associated Press Sports Writer) It seems likely the Yankees, in addition to winning the American league flag in a canter, will go right on and round out the campaign without having tasted a shutout defeat.

They have scored at least one run in each of their 119 engagements to date, and with the big guns of their attack, Ruth and Gehrig, going better every day, opposing pitchers apparently face a hopeless task in trying to blank Joe McCarthy's slugging.

The big league club ever has completed a season without at least one shutout and only two, Pittsburgh of 1901 and the Yankees of 1927, have had the minimum of one whitewash.

Yanks Held to Four Hits Irving (Bump) Hadley, journeyman righthander of the St. Louis Browns, came mighty near applying the brakes yesterday when he set the leaders down, 5 to 1, on four widely scattered hits.

The next most startling performance of the day was that of Lefty Grove in piloting the Athletics to an 8 to 1 victory over the White Sox. In addition to pitching very high class ball, he belted a homerun with two aboard and scored two runs.

Washington Senators, turned Cleveland back with one hit, a single by Dick Porter in the first inning, and beat the Indians, 4 to 0. Only four men reached first base off the Senators, the other three on walks, and he never was in danger of being scored upon.

Tom Cliver's double in the ninth inning, with two on base, gave the Boston Red Sox a 6 to 5 triumph over Detroit.

The Chicago Cubs went three full lengths ahead of the field in the National league by trouncing the Phillies, 8 to 4, while Brooklyn was idle and Pittsburgh was splitting a tie with the Giants.

Heinie Meine allowed but five hits in pitching the Pirates to a 6 to 1 win over the Giants in the first tilt and was helped along by Adam Comoroski, who hit a homerun in the second, 3 to 0, as Tex Carleton gained his second triumph of the series.

Boston and St. Louis likewise broke even, the Braves slugging Derringer and Haines for a 7 to 2 victory in the first and the Cardinals taking the second, 3 to 0, as Tex Carleton gained his second triumph of the series.

Brooklyn and Cincinnati were idle.

CHICAGO LIVESTOCK CHICAGO, Aug. 23 (U. S. D. A.)—Hogs 20,000; slow, 10c lower; 180-220 lbs. \$4.00 to \$4.70.

Sheep 10,000; slow, steady; good choice natives \$5.25 to \$5.75; bidding \$5.50 for desirable westerns; throwouts \$3.50 to \$4.00; fat ewes \$1.50 to \$2.00.

Spears Injects Hope in Badgers; Grid Fans Back Coach Win or Lose MADISON, Wis. (AP)—University of Wisconsin football partisans are extraordinarily optimistic this year, yet they don't expect the Badger eleven to be above average.

The cause of this paradox is Dr. Clarence W. Spears, Wisconsin's new grid coach who is expected to produce a fighting if not victorious eleven this fall.

Coach Spears declines to label his prospects as more than "just ordinary," but since his arrival from the University of Oregon hot-stove league discussions indicate the entire state is behind him regardless of the Badgers' standing in the final conference rating.

Long before he came to Wisconsin, Badger fans learned to respect Spears' teams. From 1925 to 1929 his Minnesota teams defeated the Badgers four times and were defeated once. The 1928 Gophers ruled Wisconsin's chances for a Big Ten championship—and on this record Wisconsin bases its football optimism. Although "Doc" has not prom-

ised a winning team, he has made clear his intention to have a team of men who like to play football. He has put all candidates on their own — and those not enthusiastic about the game won't be in the lineup, he says.

In the face of this policy one of the largest squads that ever turned out at Wisconsin greeted him for spring practice, and an even larger turnout is expected when fall practice begins.

"Doc" will have about 12 letter-men for the nucleus of his 1932 Badger machine, and on their form displayed last spring, several sophomores are expected to carry most of the work.

Two of Wisconsin's eight games this fall are classed as naturals. Intense rivalry between Marquette and Wisconsin will start the season here October 1, while the Minnesota-Wisconsin game November 12 is expected to be a classic because of Dr. Spears' relationship with the Gophers in the past.
