Sport Finals

CHICK EVANS JR. IN TROUBLE— ROCKFORD, Ill., Aug. 24 (AP)—Johnny Lehman, of Chicago, tournament medalist, was four up on A. J. Hunt, De Kalb, Ill., at nine holes in their second round match in the western amateur golf championship today. Lehman had a medal score of 38, two over par to Hurta's shaky 44.

"Chick" Evans of Chicago, who defeated the defending champion, Don Moo, of Portland, Ore., in the first round, fell one down to the veteran Arthur Bartlett of Ottumwa, Iowa, at nine. Bartlett shot a par 36 out to Evans 37.

Charlie Seaver, Stanford university football and golf star, set a dazzling pace of 33 on his outward journey to run up a four hole lead over Billy Sixty, Milwaukee sports writer.

LOS ANGELES TEAM WINS— OMAHA, Aug. 24 (AP)—The Los Angeles Junior American Legion team trounced the Boulder, Colo., team by the score of 21 to 0 in the western regional tournament here today. The Los Angeles sluggers connected for 21 hits and played errorless ball. Boulder got six hits and made nine errors, most of which counted in the Los Angeles scoring.

50 OFFICERS HALT GROUP AT SWANWICK

ers at Pinckneyville is successful, it will cut the invading caravan off from Dowell in Franklin county, where they had planned to camp tonight. Once they reach Dowell, however, it would be considered a tactical victory, as Jackson county officers have said they would not interfere with the strikers. Sheriff Robinson's deputies going to the Mt. Vernon road carried three machine guns, revolvers and shot guns.

By Lathrop Mack (Associated Press Staff Writer) BENTON, Ill., Aug. 24 (AP)—Talk of martial law entered a conference today of Illinois national guard officers and Franklin county officials over the mounting problem presented by the impending invasion of strike-agitating coal miners from other sections.

A conflict loomed between civil officials determined to keep the invaders out of the county and military men bent on keeping the peace. State's Attorney John Hanson of Pezz county, adjacent to Franklin county, suggested to Major O. J. McMackin of the national guard that martial law be declared with one officer in nominal charge and deputy sheriffs to enforce it.

Major McMackin, ordered here last night as an observer by Adjutant General Carlos E. Black of Springfield, pointed out that only the governor could declare martial law, and that civil authorities would be supplanted. He relayed to General Black a request of a sergeant of the Illinois highway police that all available motorcycle patrolmen be rushed into adjoining counties to keep peace on the highways.

The sergeant asked for six men in this county. States Attorney Marlon Hart of Franklin county suggested that local miners, bent on protecting their jobs, create traffic jams at all highway entrances into the county when the invading miners arrive and "let the state police work on the traffic tie-up."

The town was full of armed men who have elected to accept the new wage of \$5 a day, against which the invaders are protesting. They lined the county borders to the north and west, watching for the advance guard of invaders.

Major McMackin said General Black told him only 1800 men and six women left Springfield at 6 a. m., in 218 cars for the coal fields. There were no children, he said.

3 WITNESSES TESTIFY IN SMITH CASE (Continued from Page One)

time saw an axe in their possession. The axe was shown as evidence at the hearing and Dr. Branner stated that according to the size of the head, it is possible that the lacerations on Smith's head were caused by an instrument of that type. The three left La Grande on a freight train before dark on the evening of Aug. 4 and remained together until the train stopped at Hilgard.

Woodward stated in a conversation with Moore that he had heard of "Umatilla Red," as Smith was known among the transients, and that he had a reputation for putting men off the train. Woodward had heard, he stated, that there was a \$100 reward for anybody that would "blind" a passenger train.

When the "bull" approached the train, he added, he jumped off and ran toward the engine where he talked to the engineers, immediately after having heard shots fired on the other side of the train. About two and one-half miles above Hilgard, Woodward boarded the train with Newman's pack, which he was looking after for him, and met the owner of the equipment bound for Pendleton where they were arrested, although he never saw Shorty again, he stated.

Mr. Snodgrass testified that he arrived at the scene of the shooting a few minutes after 12 o'clock, when he found the body, still warm, lying in the cinders at the road bed after having rolled in the grass on the incline of the track. He found four wounds in the body and one which cut the left arm. An examination of the ground showed Smith's hat about 15 feet from his body, and that the cinders had been kicked into it. The contents of the ground also indicated a scuffle.

Dr. Branner Testifies In the autopsy which was performed by Dr. Branner, he stated, that there was found one bullet that shattered the arm bone, one lacerated the arm about one and one-half inches above the elbow, another entered the face at the left base of the nose and pierced the brain. A bullet also entered the anterior portion of the thigh. Three deep scalp wounds about seven-eighths of an inch long which cut the scalp down to the skull and two slighter wounds on the forehead also were found upon examination.

Dr. Branner stated that indications are that the head wounds were inflicted after death. Since there were practically no blood clots in the wounds, it is supposed that the circulation had stopped.

Both Dr. Branner and Mr. Snodgrass were of the opinion that the bullets found in the body were from .32 caliber guns, two of them weighing four penny weight, and the other slightly less.

The hearing was continued at 1:30 this afternoon.

THREE ARRESTS MADE COUNCIL BLUFFS, Iowa, Aug. 24 (AP)—Three men were arrested on a highway near here last night during a clash between farm picketers and Bluffs officers.

The officers went to the scene when four trucks were reported held there. Officer McGowan, ordered W. L. Schwery of Panama, Iowa, a picket,

from a truck. Schwery resisted the order and the officer hauled him bodily from the vehicle.

The officers said the pickets then attempted to upset the police car but desisted after McGowan had fired a warning shot into the ground.

MILK PRICES RAISED DES MOINES, Ia., Aug. 24 (AP)—Two victories marked the course of the mid-west farm strike for higher prices today, as the movement spread in some quarters and receded in others. Interference with rail transportation continued.

Both victories were scored in Nebraska, where milk producers gained higher prices for their products. At Omaha, officials of the Iowa-Nebraska co-operative milk association consented to pay \$2.22 per hundredweight for milk, compared with a previous top of \$1.45, while at Lincoln milk dealers agreed to pay \$1.50, an increase of 40 cents.

More than 1000 agriculturalists were camped along the main highways leading into Omaha, but there were reports that some of the picketers were in a dispute as to the best method of enforcing the farmers' holiday.

ROOSEVELT RULES AGAINST POLITICS (Continued from Page One)

publican leaders, subpoenaed by Walker, to take the stand. Roosevelt immediately challenged the relevancy of his appearance.

Walker intends to show, his counsel, John J. Curtin, said "the general" of this Hofstadter committee—the motives behind it.

"But suppose you do go to the genesis and establish motives," Mr. Roosevelt replied, "What of it? What relevancy has it in this case?"

The mayor contends the Hofstadter investigation was a political move.

Westall was one of nine Republican leaders the mayor summoned to testify. Others included W. Kingsland Macy, state chairman, William Ward, Westchester leader, and Federal District Judge John Knight, former state senate leader. Macy was in the executive chamber when Westall was called.

Evans squared the match again on the treacherous twelfth where Moe's drive hit a bank and gave him an almost unplayable lie, costing him six strokes. Chick got a par five.

The thirteenth was another half in for four but Evans speared a birdie four on the long 14th, with two perfect wood shots and two putts to go one up again.

Holds One Up Margin Evans hit his tee shot on the 15th, into a trap but recovered nicely and then sank an eight foot putt for a par four, keeping one up and three to go.

Both missed the green on the 130-yard 16th but got halves in par three by sinking eight foot putts.

Evans chipped in a 20 footer from the edge of the green to score a birdie on 17 but Moe equalled him by sinking an eight footer. Evans was one up and one to go.

Both played the final hole in five, one over par, Evans winning the match, one up. Par 344-454 344-35-71. Evans in 454 444 335-36-72. Moe in 345 454 335-36-73.

OSLO-BOUND PLANE FLOPS; FLIERS SAFE (Continued from Page One)

the progress of the "Flying Hutchinsons" who arrived at St. John yesterday from New York on a leisurely flight to London over the Arctic route.

George Hutchinson, leading the party of eight, disclosed the spring had been broken on the way up yesterday and that he would not go on until it could be repaired, for he expects to make several thousand feet of film on the way.

He hoped it might be fixed before night, he said, but spare parts were not available at St. John.

William Ulrich, Dr. Leon M. Picculli and Miss Edna Newcomer delayed until tomorrow the start from New York of an announced non-stop flight to Rome. They had intended getting away today.

Capt. J. A. Mollison, famous British flier who recently flew solo from Ireland to New York, expected to start his flight back Britain Friday. The London Express said his wife, Amy Johnson, was planning to duplicate his feat.

The German airman, Capt. Wolfgang von Gronau, who is flying from Germany westward around the world, pointed at Cordova, Alaska, with two companions for the next hop in his unburied progress.

AIRMAN'S CODE HALTS FLIGHT HARBOR GRACE, N. F., Aug. 24 (AP)—What at first was an impromptu race from the United States to Norway today was halted by a mishap and the airman's code.

The weakest airplane of Thor Solberg and Carl Petersen is at Darby's harbor, Placencia bay, while "the Green Mountain boy" Oslo bound from Barre, Vt., rested on the air field here with his fliers, Clyde A. Lee and John Bochkon, under orders to delay their hop for Europe so as to give any possible help to Petersen and Solberg.

Both planes had struggled through a heavy fog last night in vain efforts to locate the Harbor Grace airport. Lee and Bochkon brought their plane safely down on the beach at Burgeo and at daylight continued their flight to Harbor Grace. Petersen and Solberg, the meagre details of a harbor without Darby's harbor but with considerable damage to their plane.

Lee and Bochkon, on reaching here, immediately began to fuel their plane for the long hop across the ocean and planned to take off this afternoon or tomorrow morning for Oslo. Their intention was turned to a definite start to start the flight tomorrow when Hubert Huntington, the plane's navigator, who is directing the flight from the Barre-Montpelier airport in Vermont sent them orders to delay their hop until tomorrow morning and in the meanwhile lend all possible assistance to Petersen and Solberg.

AMY RECONSIDERS LONDON, Aug. 24 (AP)—Amy Johnson, who did a lot of long distance flying before she was married, said today she had reconsidered her plan to fly across the Atlantic.

This, she said, in reference to the wishes of her husband, Capt. J. A. Mollison, who made the first westward solo flight across the North Atlantic last week and who is now in New York preparing to fly back.

HUTCHINSONS TAKE-OFF ST. JOHN, N. B., Aug. 24 (AP)—The "Flying Hutchinsons" bound from New York to London over the Arctic route, took off this afternoon for Anticosti Island, their second stop.

EVANS DETHRONES MOE IN SIZZLING 1ST ROUND MATCH (Continued from Page One)

even. Moe was hitting prodigious drives and Evans was putting him.

"Chick" bounded one up by spearing a par four on six, Moe missing a shot as his second blow hit the rough and his third was short.

They halved the seventh in par three and the eighth in fours, but "Chick" had to arch his third to within one foot of the flag to break even in the eighth.

The ninth was another half in par fives and the veteran Evans rounded the turn in even par 36 and one up. Par out 544 434 345-36. Evans out 544 435 345-37. Moe out 544 435 345-37.

Moe started back by taking the first two holes with perfect golf to go one up as "Chick" hit his tee shot on the tenth into a trap and was short on the eleventh.
