

Oaks Whitewash Portland

HOLLYWOOD GAINS ON PORTLAND BY WINNING 9 TO 8

Los Angeles Also Loses Ground as Frisco Chalks Up Win—Senators Subdue Seattle.

By the Associated Press
The lowly Oaks whitewashed the first place Portland club, 4 to 0 as Ludolph held the Ducks to four hits.

Butch Demaggio, San Francisco center fielder, batted the Seals into a third place tie with Los Angeles Tuesday night. Coming up in the ninth with the score tied and the bases full, he knocked a home run which precipitated a six-run rally, and San Francisco won the ball game, 11 to 6.

Finals are scheduled for tomorrow, with the winner eligible to enter the national finals at Manchester, N. H., Aug. 30 to Sept. 1. Each of the teams entered here represents a champion of four states.

Sacramento got away to a good start on another series by beating Seattle, 7 to 2. Before Rudy Kallio, tribe pitcher, settled down in the first inning, the Senators had three runs. Then Kallio held them scoreless until the ninth, when they broke away for four more.

De Shong held the Indians to two hits and no runs for eight innings. Four hits in the ninth gave the tribe its two tallies.

Despite four errors, the Missions nearly won a ball game, but Hollywood needed them out 9 to 8 when outfielder McWeeley tripled in the ninth. The Stars got away to a big lead with six runs in the second frame, but the Reds tied the score in the eighth, and had the tying run on third base when the game ended.

Finals are scheduled for tomorrow, with the winner eligible to enter the national finals at Manchester, N. H., Aug. 30 to Sept. 1. Each of the teams entered here represents a champion of four states.

Moe And Evans In Feature Tilt In Rockford, Ill.

ROCKFORD, Ill., Aug. 24 (AP)—Don Moe of Portland, Ore., ran into that famous veteran of the fairways, Charles "Chick" Evans of Chicago, in his first battle to hold his western amateur golf crown today.

The young champion and the past master of golf, who was winning the national open and amateur titles when Moe was dashing around in a go-cart, were paired against each other in the initial struggle of the long match play grind, which doesn't let up until a new titleholder is crowned Saturday. It was an 18-hole struggle, one of the best starting "natural" in many years for the western classic.

It was Johnny who came marching home yesterday as the tussle for the medal ended and how he marched. Johnny Lehman, tall Chicagoan, who captured the western in 1930 and lost it back to Moe last year, came in with a rousing 66 on his final jaunt to clinch the medal with a record-breaking score of 137. His total was the lowest in 32 years of qualifying play, chipping two shots from the former mark set by Dexter Cummings, another Chicago star of yesterday, at Lochmoor, Detroit, in 1925.

Archiving spectacular pitch shots for a rash of birdies, Lehman skirted the championship Rockford country club stretch in 34-52-66. His tally tied the competitive course record established two years ago by Larry Moeller of Notre Dame and Quincy, Ill.

Cubs, Dodgers In Three-Game 'Key Series' Today

By Gayle Talbot
(Associated Press Sports Writer)
Having been given a vote of confidence in the form of a contract to pilot the Chicago Cubs next season, Charley Grimm is afforded an opportunity the next three afternoons to thank his employers in the big, expansive manner.

All Grimm needs do to repay all favors from the front office is to drive his Cubs to victory over the second place Brooklyn Dodgers in their three-game "key series" starting today. Three straight from the Dodgers and they can just about start measuring Wrigley field for a world series that should break all attendance figures.

Three and a half games in front today, a clean sweep would place the Cubs virtually out of reach of the Dodgers and in fine position to withstand any closing drive Pittsburgh might summon. Brooklyn goes into the vital series fortified by a two-day rest, determined to crack the Cubs and start a drive that will carry them to the pennant.

Cubs Win Tuesday
The Cubs beat the Phillies for the fourth straight time yesterday, 6 to 1, as Pat Malone gave a warm, but weird, demonstration of pitching skill. So successful was the veteran at making the Phils pop up that his aide made only one assist, tying the major league record. He struck out eight and would have scored a shut-out but for Hal Lee's home run.

Pittsburgh beat the Giants, 4 to 3, to climb within a game of the idle Dodgers. Larry French pitched the second victory of the series, while Gus Suhr supplied the winning runs with a double that came with the bases filled.

The Boston Braves climbed into fourth place by defeating St. Louis 6 to 3. Wally Berger gave the feature performance in the American league, the Senators winning a 13-inning struggle, 5 to 4, when Sam Rice singled to drive in Manush with the deciding run.

Tony Lazzari's triple, a towering drive that Garma lost in the sun in the last of the ninth inning, drove across two runs and gave the Yankees an 8 to 7 decision over the St. Louis Browns.
Mickey Cochrane smote two home runs and two singles and drove in five runs as the Philadelphia Athletics buffeted the White Sox, 15 to 7. Simmons, McNair and Miller also

hit for the circuit for the winners. Although Uhle and Bridges held Boston to five hits, the Detroit Tigers had to stage a two-run rally in the eighth to nose out the Red Sox, 5-4.

NEAR 2500 VICTORIES

CHICAGO, Aug. 24 (AP)—Twenty-five hundred triumphs on the field of baseball. That will be the achievement of Connie Mack, 69 year old manager of the Philadelphia Athletics, if his players conquer St. Louis today and tomorrow.

Tomorrow's game will be needed to round out the 2500 mark. Mack's players are determined to reward him with glorious victories.
Mack, oldest manager in the game, started piloting the A's 31 years ago. He says he won't quit until he feels he has become a handicap to the club.

Butter Steady; Peach Supply On East Side Heavy

PORTLAND, Aug. 24 (AP)—Receipts of butter on the Portland market recently have continued their previous decrease but along the coast conditions are a trifle mixed in this regard. While both Portland and San Francisco butter offerings have of late decreased, there has been a slight gain in offerings at Los Angeles for a like period.

Trade in butter is generally steady without price change.
There continues a steady tone in the egg trade here. Some added strength is suggested in late trading in the California markets. Receipts here have been decreased recently.

Firm prices continue for chickens with the late advance of 1c lb. in buying prices in practically all lines, fairly well held. For lights cash buyers are generally offering 8c with medium 10c and heavy stuff 14 to 15c lb.
Indications were that peach prices were about on the stabilized margin suggested by the Yakima valley peach growers for a resale value to consumer of 50c with jobbers selling 40c in lots for Elbertas.

Quality cantaloupes out of the Dillard section are showing a steady movement at \$1.10 top. The Dalles and Yakima stock is practically unchanged.
Market for huckleberries is weaker. Sales of coast stocks are reported around 6 1/2c with mountain offerings around 6 1/2c lb. Quality is very good.
Market for country killed hogs appears a trifle easier. Sales are generally 6 1/2c for best blockers. Top

calves are steady but heavy stuff is easier to lower. Lamb market continues firm.
There continues a lack of movement in mohair in the local territory with much the same situation shown in the country generally. The big sales to mills have not created desire from competitors to pay more.

Slightly better feeling continues in hides.
Turkeys of the old crop are in good call at least for hens.
Northwest watermelons have crowded California out of the field and the warm weather has aided the price. Lig Bartlett pears continue congested with prices steady to easy.

Fresh crabs continue in oversupply with prices steady to lower.
Peaches overwhelmed the east side farmers' wholesale market today. Peaches from Yakima, from Wapato, from Milton-Freewater, from Southern Oregon and the Willamette valley, were all there and in plenty. There was very good quality in general but prices were weak to generally lower.

Sales of Crawford's ruled generally 30 to 45c for Willamette valley boxes with most sales of bushel boxes at 60 to 75c. Yakima Crawford-Elbertas were mostly 35 to 45c with a few 50c. The Dalles had a few very large sized Crawford's which moved at 50c as did a very few of the Willamette valley. Yakima J. H. Hale sold around 50c generally top for large sized fruit.

Pears were in further abundance during the day, Bartlett's moving slowly at 40 to 50c bushel box.

PRESIDENT ON COMMON GROUND WITH DRY GROUP

(Continued from Page One)
Hlicitly dry." He then described Governor Franklin D. Roosevelt as "personally dry and politically wet."

He added:
"The president's letter confirms us in the judgment and good faith with which we reached, by an overwhelming national vote, our conclusion to support his candidacy. . . . It is Mr. Hoover's determination to meet our great issue constructively. . . .
"Since our vote was taken, some have expressed their dissent, but allied forces throughout the country have given our action overwhelming endorsement. This endorsement is already a rising tide that will, I believe, directly and largely affect election results in many states."

Reorganization Of C.P.S.C. Announced

PORTLAND, Aug. 24 (AP)—A voluntary reorganization of the final structure of the Central Public Service corporation was announced here last night by Franklin T. Griffith, president of the Pacific Northwest Public Service company, the regional holding of the \$37,000,000 Chicago-controlled utility. The Portland company operates the street car and system and an electric system here.

The new companies have been formed under the revision plans, Griffith said, and these have acquired certain assets of the Central Public Service corporation, enabling the latter to accomplish a scaling down of fixed charges.

HEAR ARGUMENTS ON ROUTE TO SEA

(Continued from Page One)
Proponents for the northern route attacked the recommendation of the engineer, argued the Scappoose-Vernonia location would cost \$500,000 less, would be a level route and would put the beaches even closer for one-third of the people of Portland.
Highway commissioners and engineers of the department remained in Portland for conferences today.

If she only knew it, she could quickly pad those bones with adorable flesh and have the feminine figure men admire.
One skinny girl did it—gained 14 pounds in 3 weeks. Just by taking a tablespoonful of mentha pepsin with her meals. (It acts like gastric juice to draw out the good of what you eat, so you don't have to stuff on heavy foods you don't like, or take tonics.) Cost her only \$1.00 for a big bottle of mentha pepsin. Now she's got such a lovely form, all the men are running after her.
Be sure to get genuine mentha pepsin by asking for Darc's. Red Cross Drug Store and other first-class druggists always sell it with a guarantee of money back if even one bottle doesn't help.—Adv.
