

House of David Team Wins With Ease, 7 to 3

EVANS' CIRCUIT DRIVE ACCOUNTS FOR TWO SCORES

Visitors Belt Wilson's Offerings in First Inning For Six Hits and Five Counters.

The La Grande Eagles baseball team came out second best in their meeting with the world champion House of David traveling baseball team yesterday afternoon at the High school field when rain stopped the game at the end of the first half of the sixth inning with the score at 7 to 3 in favor of the whickered gent.

In the first inning the superiority of the hairy men was plain to be seen when they apparently with little effort, touched C. Wilson, Eagles' chucker, for six hits and five runs. From then on the House of Davidites gave the crowd an exhibition of baseball with fancy trimmings that gave the spectators their money's worth although the game did not go the full nine frames.

The Eagles brought in their three runs in the third frame when Maple, hairy hurler, eased up. Hall led off with a two-base drive over center field, and scored with Evans when the latter plastered a sizzling drive down the third base line for a homer. Posey followed with two beautiful hits through short and scored on Nelson's scratch hit just over third. Cochran singled over second advancing Nelson to third. Nichols was out unassisted to first. Braden lined out, short to first, and Wilson grounded out catcher to first, retiring the side.

At the end of the first half of the sixth inning Tally, Atwell and Savage of the House of David squad staged their pepper game in the infield, juggling the ball from one to another with such speed and deception that it was impossible at times to tell who had the ball. This exhibition lasted for nearly five minutes, and then the game was called.

The visitors left immediately after the game for Boise where they are scheduled to meet an all-star team this afternoon.

It was the Bearded Beauties, as they are sometimes called, first appearance in La Grande since 1928, when they clashed twice with Tony La Salle's Pirates, champions of the Blue Mountain league. The Pirates took the opening game 8 to 2 and lost the second 11 to 6. Both games were slugfests, although in the first of the two the La Grande hurler kept the Davidites hitting more or less ineffectively. That was the year Sylvester, Marlow, Goleman, Davis, and others of their caliber played for La Grande.

EIGHT GAMES SCHEDULED BY IDAHO COLLEGE

COLLEGE OF IDAHO, Caldwell, Aug. 30—Eight games, three of them home night games, are on the schedule for College of Idaho Coyotes when the football season opens Sept. 24. Beginning with the traditional Washington State college game at Pullman, the Coyotes will have just one idle week end until the season closes Nov. 19 at Portland with a game against Pacific university.

Prospects for the grid season are fairly bright, Anse Cornell, guide of Coyote football teams for 15 years, says. If he had a center, a guard or two and an end he would have all most no worries, he admits, for enough veterans are returning for the remaining berths to assure adequate material.

Six backfield veterans will be on hand when practice starts Sept. 12. The schedule follows:
Sept. 24—Washington State college at Pullman.
Sept. 30—Albany college at Caldwell (night game).
Oct. 7—Eastern Oregon Normal at Caldwell (night game).
Oct. 14—Willamette university at Caldwell (night game).
Oct. 21—College of Puget Sound at Tacoma.
Oct. 28—Columbia university at Portland.
Nov. 11—Whitman college at Walla Walla.
Nov. 19—Pacific university at Portland.

Golfers Begin Final Practice For Cup Matches

BROOKLINE, Mass., Aug. 30 (AP)—Golf balls whizzed over the country club course today as American and British Walker Cup teams began final preparations for their matches Thursday and Friday.

Captain Francis Ouimet, just out of a sickbed, was still in a weakened condition but was hoping to be in sufficient condition to lead the Americans.

Another American team member who was hoping to overcome the injury jinx was "Jimmy" Johnston, of St. Paul. He twisted an ankle invading the tennis field but said he would play Thursday.

Neither Captain Tony Torrance, of the British team, nor Ouimet was prepared to announce team selections until time for the play to begin Thursday. Ouimet appeared to have at least five of the American starters chosen. They were himself, George Voigt, Gus Moreland, Jess Sweetser and Charlie Seaver. He has three more choices to make.

Torrance was having a bit harder time as three of his place have been none too impressive since they came to these shores. John Bookless, representing Scottish golf; Eric Fiddian, runner-up in the British championship plan; and Leonard Crawley, English champion of 1931, have yet to hit their best stride. From all appearances it seemed as if Torrance would name himself, John Burke, Rex Hartley, John De Forest, Bill Stout, Eric McArthur and Lester Hartley. De Forest is the British champion.

Pro Golfers In Opening Lap Of Annual Tourney

By Paul Mickelson (Associated Press Sports Writer) St. Paul, Aug. 30 (AP)—Golf's longest marathon, the annual professional golfers' association championship, moved into its first lap today with 103 of America's stars struggling to win 31 holes that lead toward the throne room.

Only one pro had his place won and that was the defending champion, Tom Creavy of Albany, N. Y., an automatic qualifier. All the others, among them far more famed marketers of golf, were confronted with a hole qualifying test that 73 had to lose.

Except for Gene Sarazen and Leo Diegel, who failed to qualify in the metropolitan test, virtually every professional of note was in the big drive over the Keller course and one guess as to the ultimate winner in the 216 holes, six-day championship battle, was as good as another.

Creavy as champion ranked among the favorites but was somewhat overshadowed by such veterans as "Light Horse" Harry Cooper of Chicago, Canadian open champion and winner of the \$10,000 St. Paul open over the same layout in 1930; Walter Hagen of Detroit, five times champion of the P. G. A. event and so determined to add another that he came on the scene a day ahead of time for practice; Tommy Armour of Detroit, master iron shot-maker; Billy Burke of Greenwich, Conn., 1931 national open champion; and a host of others including Horton Smith, winner of the St. Paul open last year; Denny Shute, runner-up to Creavy in the championship in 1930; and Johnny Farrell, Paul Runyan, John Golden, Olin Dutra, Ed Dudley, Al Watrous and Joe Turnesa.

The championship Keller course a different looking layout today than it was when almost the same field toured it during the St. Paul opens of 1930 and 31. Its fairways were lined with 32 new traps while the grass in the rough was thicker and tougher. Pars' greatest ally, a stiff westerly wind, also threatened to be on hand along with a spell of rain much of the week.

After today's qualifying round, the 31 low scorers will join Creavy in the struggle over the match play route. One round will be played daily at 36 holes through the finals on Sunday.

WOOL MARKET

BOSTON, Aug. 30 (AP)—Trading in wool is beginning to show a little quieter tendency at the higher prices. Recent advances in asking prices, however, have been established by sales in a number of cases. Choice lines of Texas 12-months wools, have been marked up to 45 scoured basis, and some sales at this figure have been reported. Around 43 scoured basis is readily obtainable for choice Texas lines, while average wools of about a year's growth bring around 41.

PORTLAND FACES TOUGH SCHEDULE

Three First Division Teams Listed During Five Remaining Weeks

By the Associated Press (With five weeks remaining of the Coast league season, managers and fans are scanning the schedule in figuring what competition the four leading teams will have to face in the final rush for the wire.

Portland, leading by four games, plays the tail-end Missions in San Francisco this week, then takes on Hollywood, San Francisco and Los Angeles, three first division teams. If the Ducks are still ahead after these engagements, they should have easy sailing, as they close against Seattle.

The Seals, in second place by one percentage point over Los Angeles, have a good chance to win the pennant, declares Manager Jimmy Gaveny. He pointed out the team was farther behind at this time last year and came through to win the second half of the split season and go on to trim Hollywood in the playoff.

Torrance was having a bit harder time as three of his place have been none too impressive since they came to these shores. John Bookless, representing Scottish golf; Eric Fiddian, runner-up in the British championship plan; and Leonard Crawley, English champion of 1931, have yet to hit their best stride. From all appearances it seemed as if Torrance would name himself, John Burke, Rex Hartley, John De Forest, Bill Stout, Eric McArthur and Lester Hartley. De Forest is the British champion.

Another American team member who was hoping to overcome the injury jinx was "Jimmy" Johnston, of St. Paul. He twisted an ankle invading the tennis field but said he would play Thursday.

Neither Captain Tony Torrance, of the British team, nor Ouimet was prepared to announce team selections until time for the play to begin Thursday. Ouimet appeared to have at least five of the American starters chosen. They were himself, George Voigt, Gus Moreland, Jess Sweetser and Charlie Seaver. He has three more choices to make.

Senators Take Eleven of Last Fourteen Games

By Gayle Talbot (Associated Press Sports Writer) Having gotten wind, perhaps, of the rumor that their manager is in active danger of losing his job at the close of the current race, the Washington Senators have started a belated drive that promises to do Walter Johnson a lot of good.

In winning 11 of their last 14 games the Senators at least have gained a re-hearing for the "big train," and if they sustain that clip up to the last day it is doubtful that Owner Clark Griffith would give further thought to a change of pilots.

Up to the time they began their onslaught on the western clubs, the Senators had made a disappointing race of it. Picked to finish at or near the top, they barely were clinging to the first division a fortnight ago. Those on the inside confidently predicted Bucky Harris would be back in the clubhouse in the playoffs.

The Athletics staged a six-run rally in the eighth round to beat Detroit in the first, 8 to 3, but the Tigers came back to win the second game, 10 to 7, with a three-run outburst in the ninth. Bay Haysworth, Detroit catcher, made his first error of the season in the second game.

Although they made only five hits off Rhodes and McNaughton, the Cleveland Indians cashed in on 12 passes to defeat the Boston Red Sox, 4 to 3. Earl Averill drew five free trips.

National league turnstiles were idle for the day. Only one game was scheduled, between Boston and Pittsburgh, and that was erased by wet grounds.

With the second of a series of articles on football prospects at Oregon State college for the coming season.

OREGON STATE COLLEGE, Corvallis, Aug. 30—While three letterman tackles are lost to the Oregon State college football squad by graduation, three more are available for this year's team. Bill Byington and Harry Kent, who started in most of the games last season, and Herald Hylton, who alternated with Kent on the left side of the line, have completed their college competition.

Adolph Schwammel of Oakland, Cal., and Wayne Harn of Fontana, Cal., are the two letterman candidates for Byington's place at right tackle. Schwammel weighs 205 pounds and Harn 225. They are about of equal ability. Schwammel has a little more speed and Harn more power.

Other right tackle prospects are John King of Cottage Grove, a varsity reserve; George Svendsen of Minneapolis and Harold Brown of Corvallis, both members of last year's freshman squad. All three showed possibilities during spring practice and should see action this season.

Curly Miller of The Dalles, a two-year letterman, is the only monogram wearer available for the left tackle position vacated by Kent and Hylton. He is a big, tough aggressive boy with plenty of experience. Another outstanding left tackle prospect is Harry Field, a transfer from University of Idaho. Wagner weighs 208 pounds and Bears 212.

Official Oyster Season To Open On September 1

PORTLAND, Aug. 30 (AP)—Both the butter and egg markets today held their firm position of the week's opening. Trading was active on the exchange and all grades of butter were steady on good call. Pirata advanced half a cent to 17c but others remained unchanged.

The egg demand continues to hold up and the market is considered firm all along the coast. Country receipts are falling off steadily at all north-west points. Prices are firm at unchanged levels.

With the unofficial "oyster season" opening Thursday, Olympias are being quoted to the trade at \$5 a gallon as compared with \$8 at this time last year. Clams are fully 75 cents a box cheaper.

All lines of poultry are in normal supply with the exception of light springs which are becoming somewhat scarce and quotable at around 15c. Hens are about unchanged.

Expect Price Advance
Dealers are looking for some advance in chicken prices with the Columbia season closed until September 10. Supplies are diminishing.

Peach receipts are heavy locally but the fruit is moving out at a steady pace. Home canners appear to be heading the advice not to wait until after Labor day.

Fresh arrivals of onions are heavier and the market is in an irregular position with the stuff turning over at uncertain prices and as equally uncertain and narrow profits.

Wholesale prices for the day on most lines were unchanged. Local head lettuce is moving at 55c. New sweet potatoes are quotable at \$1.35 a crate. Root vegetables unchanged at 12c.

Fall-Sown Grain Plantings Will Show No Change

PORTLAND, Ore., Aug. 30—The estimated acreage of winter wheat which will be planted in Oregon this fall is 774,000 acres according to the regular August acreage report of the division of crop and livestock estimates. This is the same acreage as was planted to winter wheat last fall for harvest this year from which an estimated 3.9 per cent or 30,000 acres were abandoned, leaving 751,000 acres for harvest.

Winter wheat harvest is being rapidly carried to completion in the Pacific northwest, under favorable conditions generally. It has been evident for some time that smut would be bad in some sections but it was not until harvest was started that the full extent of the effect of late hot weather and winds became evident. Shrinkage of grain from this cause was serious and test weights are running unusually low in some sections. Seeding has not gotten under way to any extent as yet but with reasonable fall weather it is anticipated that approximately the same acreage will go in as was planted a year ago.

Winter wheat acreage in the United States, as estimated from the August acreage survey will amount to 99,805,000 acres compared to the revised fall sown acreage in 1931 of 40,172,000 acres from which 33,745,000 acres have been or will be harvested. The decrease in fall sown acreage this year as compared to last amounts to less than one per cent.

STOCK MARKET FLUCTUATING UNCERTAINLY

NEW YORK, Aug. 30 (AP)—The stock market fluctuated rather uncertainly today, but managed to register a number of new highs for the year, particularly in the copper issue, despite a slump in some leading commodities.

Stocks had a moderate upswing, under leadership of the rails, for a time late, but sagged again in the final dealings, and closed with mixed, and mostly narrow changes. Sales approximated 3,100,000 shares.

The wheat market was heavy, with futures closing 1 to 1 1/4 a bushel lower at Chicago, or around the lows of the day. The cotton market made some recovery, after extreme declines of around \$3 a bale in profit taking on its recent advance.

which will run in this section is "Our Boarding House," otherwise known as "Major Hoople." The others are "The Nut Brothers," "Wash Tubbs," "Flapper Fanny," "Salesman Sam," and "Mom'n Pop." Some are short strips and others are long and some of them will vary from week to week. But at any rate there will be "bits of fun for everyone." Watch for the new comic section next Saturday!

Decline Noted In Potato Loadings

CORVALLIS, Aug. 30 (AP)—A decided decline in carrot potato loadings was apparent during the past week,
