## MISSIONS AGAIN DEFEATED WITH ZAHNISER IN BOX

Hollywood Whips Oakland to go Into Tie With Los Angeles For Third Place.

ANGELS RELEASE FOUR LOS ANGELES, Sept. 1 (AP)—A reorganization of the Los Angeles baseball club was under way today with announcement of the unconditional release of four veterans of the team.

By The Associated Press—Hollywood went into a tie with Los Angeles for third place in the Coast League by beating Oakland 6 to 1 Wednesday, as the Angels lost to Seattle.

Paul Zahniser accounted for Portland's 4 to 1 victory over the Missions by holding his former teammate in check throughout the game.

Tom Sheehan held the Oaks to seven hits. The Stars made no runs for five innings against Ed Walsh's pitching, and then the spell broke.

Phil Page was responsible for the fall of the Angels, allowing only seven hits to win 5 to 2, for Seattle. Burns, who helped Lynn Nelson win Tuesday's game, obliged Page by knocking in a home run and batting in three runs.

Sacramento avenged the previous evening's defeat by trimming the Seals 10 to 2 in a closely played game. Ed Bryan pitched six-hit ball for the Seals, while McDougal and Simoni gave the Senators 10 hits, as well as receiving raged support.

Yesterday's results: R. H. E. Portland 4 8 1 Missions 1 10 1 Batteries: Zahniser and Palmisano; Cole and Melisaca.

R. H. E. Hollywood 6 14 0 Oakland 1 7 3 Batteries: Sheehan and Bassler; E. Walsh, Phebus and Raimondi, Peneb-sky.

R. H. E. Seattle 5 14 1 Los Angeles 2 7 0 Batteries: Page and Cox; Moncrief and Cronin.

R. H. E. San Francisco 2 6 2 Sacramento 10 10 0 Batteries: McDougal, Simoni and Waigren; Bryan and Woodall.

ARMY, NAVY TO RESUME GRID RIVALRY DEC. 3 NEW YORK, Sept. 1 (AP)—The Army and Navy will resume gridiron relations at Franklin Field, Philadelphia, Dec. 3.

Five years ago—in December, 1927, the two service academies decided they couldn't agree upon a common basis of eligibility requirements and broke off all relations.

The demands of charity, which brought them together in 1930 and 1931 for post season games, was a primary cause of the resumption.

Navy still stands on its rule of three-year eligibility and Army holds its theory that all cadets must be considered an equal no matter how long they have played elsewhere.

## Dayton Rifleman Leads With 298

CAMP PERRY, Ohio, Sept. 1 (AP)—A target score rarely equalled was chalked up yesterday by Homer H. Jacobs, of Dayton, Ohio, in winning the Camp Perry individual small bore contest of the national rifle matches.

In the individual long range small bore match, Edson Klinkel of Butler, Ind., was the winner with a score of 194 out of a possible 200. Sumner also scored 194 but was ranked in second place.

SANTA MONICA, Cal. (AP)—Fed for years by surplus fish caught by coast fishermen, pelicans of Santa Monica bay are believed to have forgotten the art of catching their own food.

A scarcity of fish this season made it impossible to continue the habit of feeding the big billed birds.

A number of pelicans from sections where they were unimpeded then were imported and by watching the new arrivals dive for their food, fishermen say, the local colony again is learning the art.

## Schaaf Knocked Cold As Tenth Round Is Ended

By William Weekes (Associated Press Sports Writer) CHICAGO, Sept. 1 (AP)—Max Baer, California's contender for the heavy-weight championship of the world, today had a knockout over Ernie Schaaf of Boston—but it will never find its way into the record books.

After one of the most astonishing flurries seen in any ring, Schaaf, the protégé of Jack Sharkey, went heavy-weight titleholder, was stretched out cold in the Chicago stadium last night just as the bell sounded ending their ten round contest.

From the second to the ninth round it had not been so much of a fight. Both boxers, big powerful fellows, had done their work with such deliberation and study that Referee Tommy Thomas warned them to put more spirit into their efforts.

Schaaf had fought his way out of a few similar flurries earlier in the bout, but this time Baer kept firing, smothering the Boston blond's efforts to fight free. Schaaf was a tired bewildered fighter when the round opened.

In the tenth Baer cupped Schaaf with short, numbing shots to the chin and jaw with both hands, and Ernie's legs began to buckle.

Two more bruising rights landed on Schaaf's unprotected jaw and down he went just as the final bell sounded.

Nearly five minutes of frantic work by his handlers was required to bring him to and get him to his corner.

Schaaf, with a nine and one-half pound pull in weight, scaling 209½ to 200 for Baer, made the fight most of the way, thumping Baer with both hands to head and body.

It was their second meeting, Schaaf having won a decision victory in New York nearly two years ago.

WASHINGTON (AP)—An all-time record for Canadian gold production is forecast by the commerce department on the basis of increased gold mining operations.

It is estimated that at the current rate of increase in gold production the total value of Ontario's yield in 1932 will reach \$50,000,000 and the total Canadian yield to \$62,000,000.

MAN, 81, SEES FIRST MOVIE PORTLAND, Ore., Sept. 1 (AP)—James Anderson, who said he had "lived in the sticks" all his life came to Portland last night and for the first time in his 84 years saw a motion picture show. He liked it.

ATHLETICS LOSE In the American league the Tigers broke Tony Pretzer's winning streak at ten straight, when Elton Hoggsett hit two homers and Gehring one to defeat the Athletics, 5 to 4.

The Dodgers took two from the Yankees, winning the three-game series with the Browns, winning 7 to 6 with the aid of hard and timely hitting and six St. Louis errors.

## Gibson Determined to Make Real Club Out of Pittsburgh Pirates

By Leo W. Sheridan PITTSBURGH (AP)—Manager George Gibson is determined to make a winning ball club out of the Pittsburgh Pirates even if he drops into the second division doing it.

After an amazing start that carried the Bucs from last place to first in a few weeks, the team collapsed and many are the reasons advanced for the blow-up.

Floyd Vaughan, youthful shortstop, has shouldered much of the blame. In a big measure, it was Vaughan's spectacular work afield and his heavy and timely hitting that carried the team to the top of the National League.

Blow Sky High His early summer showing stamped him as one of the finds of the season. And as Vaughan went, so went the Pirates.

Vaughan struck a slump on the last eastern invasion. He jumbled drives that formerly he was able to take without effort, and pitchers he slaughtered in May and June had him waving at the plate.

But Gibby, insisting Vaughan yet will be one of the National League's greats, kept the youngster in there "taking it."

How for Thevenow Howls for Thevenow have been heard almost daily at Forbes field. The veteran Tommy meanwhile has warmed the bench. Baseball men have protested that a call for Tommy to relieve the slipping youngster still might put the Pirates out there.

Pirates, Cubs Hang Up Wins In National League By Orlo Robertson The Pittsburgh Pirates, fighting to hold their runner-up position in the National League pennant race, are away on another winning streak. They accounted for their fifth consecutive victory Wednesday when Captain Pie Traynor parked a home run in the belchers with Comorosky aboard to defeat the Braves, 2 to 1.

The Chicago Cubs ran their winning record to 12 consecutive games in a 10 to 9 decision over the New York Giants. The Giants chased Lon Warneke, the league's leading hurler, to the showers in the first inning only to have the Cubs tie the count in the ninth. The Giants came back with four runs, but Mark Koenig and Cuyler teamed to give the league leaders five in their half of the frame.

The Dodgers took two from the Athletics, winning the three-game series with the Browns, winning 7 to 6 with the aid of hard and timely hitting and six St. Louis errors.

## COX MISSED IN BEAVER LINEUP

Graduation of Two Leaves Big Hole in Oregon State College Line

(Following is the third of a series of stories on football prospects at Oregon State college for the coming season.)

OREGON STATE COLLEGE, Corvallis, Sept. 1—Loss by graduation of Jack Cox and Gil Bergersness, first string guards, has left a big hole in the Oregon State line. Only one letterman, Loren Tuttle of Grants Pass, is available for the guard positions on the Orange football team.

Tuttle, a two-year letterman, alternated with Cox on the right side of the line last year and has more experience than the other candidates. He is a good interlayer and defensive player. He weighs 174 pounds. Another outstanding candidate for right guard is Bill Kenna of Minneapolis, a varsity reserve last year. Kenna is one of the smallest men on the squad weighing only 163 pounds. He is fast, shifty, hard to block, and a great interference runner.

Other prospective right guards who should see plenty of action this year are Warren Powers of Parma, Ind.; John Pitts of Beaverton Beach, Cal.; and Charles Bartos of Wundburn. All three were outstanding linemen on the freshman team last year.

With no letterman available at left guard, Herman Leaf of Los Angeles, who won his letter at left end last season, has been switched to the guard position to help plug the hole made by the loss of Bergersness. Leaf is a big, rugged lad weighing over 200 pounds and is good at any position on the left side of the line.

Tommy Miles of Honolulu, who was ineligible last year, is another strong bidder for left guard. He weighs 205 pounds. Other outstanding left guards are High Stanfield of Baker and Vinton Medley of Portland, varsity reserves; John Pilipoff of Los Angeles, from the freshman squad, and Dudley Nelson, of Portland, a transfer.

LESS BOYS CONFINED SALEM, Sept. 1 (AP)—The state training school for boys is the only state institution which has shown a population decrease during the past 10 years, figures tabulated by the state board of control reveal.

All the other institutions have experienced large increases. On July 1 of this year there were 89 boys at the training school compared to 142 for July 1, 1922.

Political Party Symbols The original use of the mule to signify the Democratic party, and of the elephant for the Republican party is said to have been in a cartoon by Thomas Nast which appeared in Harper's Weekly of January 15, 1857. This cartoon showed the animals identified with the various political parties of the time escaping from a zoo.

Manochester, N. H., Sept. 1 (AP)—The New Orleans and Springfield, Mass., baseball teams, finalists in the American Legion's "little world series" met today for their third game.

New Orleans drew first blood in the opener Tuesday and yesterday a 5 to 5 score was chalked up when darkness halted festivities after the 12th inning.

Turtle, Weighing 510 Pounds, Taken MONMOUTH BEACH, N. J., Sept. 1 (AP)—A 510-pound "leatherback" turtle, which strayed far from its tropic haunts, started today on a ride to the American museum of natural history in New York.

The turtle, known also as the Brazilian luth, was caught 20 miles offshore by two lobster fishermen after a fierce tussle they laboriously towed it to shore.
