

Portland in Rough Seas--Lead Reduced to Two Games

SEALS NOSE OUT BEAVERS 1 TO 0 IN TEN INNINGS

Hollywood Takes Third Consecutive Game From Sacramento to Gain On Leaders.

By the Associated Press
Portland's Ducks, who have been swimming steadily toward the Coast League pennant for many weeks, are in rough seas now. Two games behind are the Hollywood Stars, and coming fast. The Seals, by taking three straight games of the present series from Portland, have been the reason for the faltering of the leaders.

San Francisco won Thursday's game 1 to 0 in the tenth inning a combination of Beaver errors brought about the Seals' winning tally. Julian Wera, San Francisco third baseman, got on base on the first base, and advanced to third on another, scoring when Curt Davis hit a long outfield fly. Portland almost saved the game in the last of the tenth by filling the bases with nose out, but the side was retired scoreless by a double play and a caught fly.

Stars Win Again
Hollywood advanced by taking the third consecutive game from Sacramento, 5 to 2. Emil Yde, although wild at times, kept the Senators in check with eight hits. The Stars drove Nushida from the mound in the third, and Ed Bryan finished. Ote Brannan, Star second sacker, led the attack with a homer and a double which drove in two runs.

Carl Maggett, recruit left fielder of the Seattle Indians, hit a timely two-bagger in the sixth with the score tied and drove in two runs, clinching the 6 to 1 victory over Los Angeles. The tribe made three more in the eighth.

The Missions touched bill Phebus, Oakland hurler, for four runs in the first frame to win their third straight game, 5 to 2. Dick Gyselman, third sacker of the Reds, was the hero of the day, with a homer, a double and a single. His home run in the first meant three tallies.

Jack McLaughlin Wins Championship

VANCOUVER, B. C., Sept. 16 (Special)—Jack McLaughlin, 154, Vancouver, was awarded a belt emblematic of the Canadian middleweight wrestling championship after throwing Lachman, Singh, 156, Vancouver, in two falls of a wrestling exhibition here last night. Two body presses gave him the falls.

Ted Thye, 197, Portland took a one fall decision from Walker Muscovitch, 205, Cleveland, getting the fall in the third with a series of shoulder butts and a flying arm lock.

NEW YORK, Sept. 16 (Special)—Lon Warneke's flyer in cattle hardly netted him a fortune, but it got him a plethora of pets. Last winter, in Mount Ida, Ark., home town of the Cub pitcher, it was reported that the smart thing to buy scrawny cattle and fatten them for the spring market. Warneke bought 300, but, come spring, he said he could find no market. "Well," he said, "I guess I'll have to keep them for pets."

MAPLE RE-ELECTED
BALEM, Sept. 16 (Special)—Howard Balle, alternate catcher for the Washington Senators of the American League and former Oregon State luminary, has been re-elected as assistant to Coach Roy E. "Spec" Keene of Willamette university.

Keene wired Maple of the executive board's action, but had received no answer this morning. Maple, who came here last year, may return before the end of the Senators' playing season to help with football coaching, Keene says.

KIKI CUYLER IS HERO OF CUB WIN

Chicago Wins 11-Inning Contest—Starr Shines For St. Louis.

By Gayle Talbot
(Associated Press Sports Writer)
Hazen (Kiki) Cuyler sat on the bench while the Pittsburgh Pirates absorbed four successive beatings from the New York Yankees in 1927, but it's a safe bet the fleet outfielder will see plenty of service in the world's series this year, assuming the Chicago Cubs win the National league pennant.

As the Cubs drive toward the flag, Cuyler's sensational fielding and timely hitting have been the determining factor in many a game. Particularly has he been "poisonous" to the New York Giants. Almost single handed he beat them in two games of a recent series at Chicago and yesterday he was the hero of the Cubs' thrilling 11-inning, 8 to 7 victory over the same club at the Polo grounds.

Warneke Called In
The Giants had rallied to tie the score at 3-3 in the ninth only to see the Cubs blast two runs across in the 10th, but the Giants were far from beaten. The first three men to face Bob Smith in the last half of the 10th singled and Lonnie Marneke was called in to halt the stampede.

He did, but not until Hughie Critz had driven in the tying run with a double on which Joe Moore, carrying the winning run on his shoulders, was cut down at the plate by Cuyler's bullet-like throw. Having saved the game Kiki proceeded to win it in the next inning with a home run on Sam Gibson, third Giant pitcher of the day.

Pittsburgh recovered from a brief slump to trim the Boston Braves, 3 to 2, but failed to gain an inch. They still were 5½ games behind the Cubs today, with the schedule growing short. They would have to win all their remaining 11 games while the Cubs were losing six out of 10 to take the pennant.

Starr Does Stuff
St. Louis turned up with another brilliant pitching prospect in Ray Starr, young right-hander from Rochester, who held Brooklyn to two widely spaced singles and won handily, 3 to 0. The Phillies downed Cincinnati, 7 to 4, to make a sweep of the three-game series.

The Yankees suffered their first defeat since clinching the American league flag when the Chicago White Sox beat them, 8 to 5. Lefty Gomez was the victim, breaking a seven-game winning streak for the Gasillians. Walter Stewart of the St. Louis Browns came out heat in a tight mound duel with George Earnshaw of the Athletics, 3 to 2.

Cleveland pounded two Boston pitchers for 12 hits, including home runs by Kamin and Cissell, to win their 18th game of the year from the Red Sox, 7 to 2. The Detroit Tigers noosed out Washington, 8 to 7, in 10 innings. Tommy Bridges didn't allow the Senators a hit in the last four frames.

PORTLAND, Ore., Sept. 16 (Special)—Harry Kane, 56, of Oakland, Cal., veteran umpire in the Pacific Coast baseball league, died at his hotel here last night from a heart attack.

Kane was born in the seventh inning of the game between San Francisco and Portland here Tuesday night and had to leave the field. He apparently was recovering yesterday but suffered another attack last night.

Eddie McLaughlin, another Coast league umpire, said Kane formerly was a pitcher in the Coast league and also in the major leagues.

Speech on Farm Relief Is Long Time in Making

By Walter T. Brown
(Associated Press Staff Writer)
ABOARD ROOSEVELT SPECIAL, En Route to Denver, Sept. 16 (Special)—An adviser to Governor Roosevelt on the Democratic presidential nominee's speech on the farm problem, delivered yesterday at Topeka, has been several months in the making and was reviewed in the making by economists and financiers.

The Associated Press was advised that Mr. Roosevelt began assembling information on the farm situation as early as last April so it would be immediately available in event the New York governor was nominated.

Mr. Roosevelt, who has farms in New York and Georgia, said yesterday he had studied the various relief plans proposed in the past few years such as the McNary-Haugen bill, the export debenture proposal, the domestic allotment plan and others.

Within the past few months the leaders of the farm bureau, the farm cultural organizations of producers, and heads of the outstanding co-operative marketing agencies, have conferred with Mr. Roosevelt in Albany.

Henry Morgenthau Jr., conservation commissioner in Mr. Roosevelt's state cabinet on a business trip to New York and last Monday interviewed Raymond Moley of Columbia university assembled the views of economists and Joseph P. Kennedy, former all these sources. Mr. Roosevelt obtained data and made the first draft of the Topeka speech a week ago.

In a press conference after the address, Mr. Roosevelt was asked how the six-point plan, outlined in his talk, coincided with the equalization proposal. He advised the questioner to make his own interpretation.

Mr. Roosevelt intends to deal further with the farm problem and the tariff at Sioux City, Iowa, on Sept. 29. Governor Roosevelt has planned to deliver three more major speeches during his tour of duty around the United States. There will be one dealing with the railroads—either in Salt Lake City or in San Francisco, he had not decided which last night—one on public utilities in Portland, Ore., and the third at Sioux City.

Word's Changed Meaning

The word "nail" has come to English, through the Germanic languages ultimately, from Sanskrit and Greek. It is nagel in German, unguis in Latin and onyx in Greek. This latter word, which we think of as meaning a precious stone, originally meant a claw, or fingernail, and then, by extension, a polished gem.

Lobsters Cheap in Cuba

Lobster may be an expensive delicacy in metropolitan centers of the United States, but in Havana, Cuba, it is a commonplace. And small wonder, for vendors along the Malecon, the famous seaside drive, take lobsters fresh and kicking from the sea and sell them to passing motorists for ten cents each.

"Contrary" Japanese

Japanese folk do many things in "contrary" ways. For instance, during the day the Japanese housewife opens wide the sliding walls of wood and paper which form her house, but at night they are enclosed by solid board shutters, and people sleep virtually without ventilation.

Jewelry of Glass

The Egyptians made glass of superior texture which gave the appearance of being traced delicately with gold. It is interesting to note in this day when the glass jewelry of Chanel is so much in vogue that it was also esteemed in Cleopatra's time.

Free Placing Important

The most conspicuous examples of bad landscape arrangements are to be found in trees. It is impossible to overcome or disguise a badly planted tree. Nothing gives more beauty to the home than a well-placed tree or detracts more than badly placed trees.

"Washington" Stamps

The ten-cent postage stamp of the series of 1847 was the first that bore the portrait of George Washington.
