### The Commercial World is Electrified With New Confidence

—Awakened to a new and tremendous activity;  
—Startled to full realization of the position it is in after years of idleness and depression.

The Long Awaited Advance in Commodity Prices has Come—At Last.

In the manufacture of textiles the basic prices increased during the month of August sixteen percent on the average.

Leather, Metals, Rubber have likewise mounted and are centers of world-wide demand.

Surprising scarcities of materials for immediate delivery have come to light.

Manufacturers are leaping to buy raw materials for use now and in months to come.

Industry is employing or planning to employ increasing numbers of men and women to turn raw materials into finished goods.

Merchants and distributors are scrambling to buy and commit for merchandise to replenish empty shelves and provide for future needs.

Manufacturers, unprepared, are deluged with orders many of which may not be filled.

Montgomery Ward has not been idle as this condition developed—It has bought and committed heavily at low cost for your protection.

—For the Pacific Coast alone, it has, since September first, purchased or planned the purchase of Ten Million, Five Hundred and Thirty Six Thousand Dollars in merchandise to be delivered this year.

Approximately seventy percent of this comes from Coast industries.

Vast shipments of merchandise are being made and received daily at Mail Order Houses and Retail Stores.

—Montgomery Ward has acted quickly and effectively upon the advice it now gives You—
