At The La Grande Theatres

LOCAL THEATRE TO OPEN SEASON

Movie Jubilee Celebration Planned — Stellar Pictures Are Booked.

Coincident with the opening of the new motion picture theatrical season at the Liberty comes the announcement of a "Movie Jubilee," which celebrates a new era in screen entertainment. The inspiration for the jubilee, which incidentally is nationwide in scope, is the releasing of a group of motion pictures that, according to reliable information, individually and collectively offer a new high standard in excellence of entertainment.

For months past representative producers in Hollywood and other production centers have been concerted, yet competitively, striving to create motion pictures especially designed to inspire a "go-to-the-theatre" movement on the part of the public, it is said.

The theatre, in company with most other enterprises, has felt the heavy hand of depression during the past year, and this movement toward a higher excellence in product, is the motion picture industry's effort to re-establish attendance to the theatres of the country through the presentation of entertainment whose sheer merit demands the support which it seeks, movie leaders state.

Marx Boys in New Comedy "Horse Feathers," latest of the mad, merry comedies of the four Marx brothers, opens tomorrow at the Liberty. Groucho, Chico, Harpo and Zeppo are again cast together in a picture that affords them opportunities for the same type of nonsense they presented in "Animal Crackers," and their previous movie efforts. An amusing plot holds the picture together. Groucho is a college president because that's the only way, it seems, he can get his son, Zeppo, out of college. With the co-operation of Chico, village bootlegger, and Harpo, village dogcatcher, he ultimately accomplishes his object.

"Okay America" The second picture of the Movie Jubilee season is to be "Okay America" with Lew Ayres and Maureen O-

Honors Bestowed On Okpe Members

Several honors were bestowed on members of the Okpe Camp Fire circle at a council firm held Saturday at the home of the guardian, Mrs. Leon W. Berry. Misses Ella and Norman Berry received their woodgathers rank, and received the national tree honor, and the latter also received a local honor for wearing her middy and skirt for 13 times. All the girls present were presented with honor beads.

W. B. A. Event To Be Held Tonight

The 40th anniversary of the founding of the Women's Benefit association will be celebrated today at the Sacajawea Inn, with Miss Frances D. Miss Partridge will meet the members this afternoon at the Sacajawea Inn, while this evening a banquet will be served, with a meeting to follow.

Mrs. Ida Hamblin Will Visit Lodge

Mrs. Ida Hamblin, state supervisor of the Royal Neighbors of America, will pay an official visit to the local chapter tonight at 7:30 at the Odd Fellows hall, Mrs. Velma Vedder announced this morning. A short program has also been planned with music and skits.

Auxiliary Meets Saturday Night

Mrs. Jessie Nelson, who attended a meeting of the United Spanish war veterans auxiliary council in Portland last week, reported on the session Saturday evening when the local auxiliary met at 7:30 at the K. of P. hall. Mrs. Mae Gump presided.

A cooked food and apron sale was planned and will be held on Oct. 15. Refreshments were served at a joint meeting with the veterans by Mrs. Rose Matheson and Mrs. Fanny Henry, and a social hour was enjoyed.

The auxiliary will meet again on Oct. 22, and the hostesses will be Mrs. Zeilpha Nibler, Mrs. Jessie Nelson and the Misses Florence and Marion Nelson.

Ethel Carman, of Perry, and Lieut. George M. Winch, of La Grande, were married Saturday evening at the

Mt. Glen Personals.

MT. GLEN (Special) — Victor Waite has returned to his home at Hyde Park, Utah, after spending six weeks visiting at the home of his aunt, Mrs. Ella Waite.

Clarence Berry and family have moved to the Frank Russel farm for the winter. The place was, until recently, occupied by the Robert Clarke family of La Grande.

Clarence DeGraw, accompanied by his mother and brother, Jacob, of La Grande, drove to Nampa Thursday, called there by the death of Mrs. DeGraw's sister.

Mr. and Mrs. Frank Russel were business visitors in the neighborhood Saturday.

Although a number of hunters have been in the hills this week, deer are reported to be very scarce in this section. Vernon Waite shot a four pointer Thursday while Floyd Berry brought in a three pointer Saturday evening. A party of local hunters saw a bear near their camp at the foot of Mt. Emily although it was not close enough to kill.

Leo, Vernon and Victor Waite, accompanied by Vern Nebeker, returned recently from a motor vacation trip to various Washington and Western Oregon cities. They were gone two weeks.

Clifford Lyons, who has been spending the summer and early fall with relatives here, returned recently to his home at Nampa.

Earnest Snyder received word last week of the death of his mother in Southern California.

Mrs. Annie H. Nebeker spent the past two weeks at the home of her son, Alexander in La Grande. Mr. and Mrs. Alexander Nebeker are receiving congratulations on the birth of a son recently at the Grande Ronde hospital.
