Hot Lake Personals

By Harriet MacDonald (Observer Correspondent) HOT LAKE (Special)—Dr. F. Gill Edwards, of the hospital staff attended the annual state medical convention of the Oregon State society at Klamath Falls last week. He was elected a delegate from Union county and opened the discussion on Dr. Marr Beall's paper, "The Differentiation and Prevention of Post-Operative Pulmonary Complications." Dr. Edwards returned on Tuesday by way of Portland.

Hot Lake people are looking forward with much pleasure to a musical and dramatic program to be given at this place next Monday evening at 7:30 by Mrs. Lynn Wright and Mrs. Phyllis Sherwood, of La Grande. The public is cordially invited.

Mrs. Mary Meyers, of Newport, Wash., accompanied by her friend, Mrs. Corinne Ford, returned here a few days of treatment.

Mrs. Dora Nelson, of Twin Falls, who is taking treatment at Hot Lake, spent the weekend with Mr. and Mrs. Bailey, of La Grande, who were her friends at Twin Falls.

Harold Busick, of Union, who was operated on for appendicitis last week, is making an excellent recovery.

Mrs. Jack Brandt returned to her home in La Grande on Sunday after a good convalescence from her recent surgical operation.

Clyde Pennington and Frank Apple, of La Grande, are both reported to be improving.

Mrs. Fred Spaeth Sr. is at Hot Lake taking treatment. Mrs. Spaeth is the mother of Fred Spaeth, of La Grande.

Former guests of the sanatorium seldom pass the place without stopping for a moment to see the young children who are being treated here, who are being treated on the highway towards Union. They were all laden more or less heavily and the young children appeared to be nearly exhausted. Where they were from, or what their destination, no one seemed to know.

Handit Marks Mistake— HOLDS UP POLICEMAN

LY LOUIS (P)—A handit operating in Forest Park after nightfall picked a parked car occupied by the wrong couple. The man was a member of the St. Louis metropolitan police, off duty.

Setting his service revolver, which officers are required to carry at all times, he gave chase to the fleeing robber, who was captured after a pistol duel along a main thoroughfare.

Cupid Busy In Wallowa County During Weekend

By W. L. Flower (Observer Correspondent) ENTERPRISE (Special)—After a decided lull of several weeks during which only one marriage license was issued by the county clerk's office, business picked up and three couples were licensed last week.

Cressie Weaver, popular young woman of Enterprise, was united in wedlock to Warren E. Boner, of Joseph, on Friday. Rev. Simultz, of Enterprise, officiated at the ceremony in the presence of Lyle K. Boner and Alice A. Amey. Miss Weaver has been employed for a considerable time in the Enterprise telephone exchange and her friends are all well wishers. Mr. Boner is a young farmer of the Joseph area, a fine young man with a host of friends. The young couple will live near Joseph.

Justice of the Peace A. B. Conway, of Enterprise, performed the ceremony that united Edna Finnamy and Dane B. Clark in marriage on Friday. Witnesses were Speed Trump and Mrs. Lulu Victor. The couple are residents of the north part of the county where they will make their home.

Leona Whitmore and Albert E. Nye, both of Enterprise, were granted a marriage license on Thursday and according to reports were married Sunday, Sept. 25 though no return had been made at the clerk's office.

Mary Kline, of near Enterprise, was brought to the Enterprise hospital the first of the week in preparation for an operation. She is reported as being quite ill.

Mr. and Mrs. Ted Halbrook and children, of Yakima, Wash., come in last week for a visit with Mrs. Halbrook's parents, Mr. and Mrs. Chas. Boswell, of Enterprise. They left for their home Friday.

The Enterprise High school Savages will engage with the Union eleven at 7:30 p. m. on Sept. 27 and are not expecting an easy game. Union always has had a heavy, hard playing reputation and given a good account of themselves.

The Savages realize that as champions of the district last year and with the start they made last week against Baker, they have a real chance to repeat but it is going to be no cinch as all eleven they play will be out to upset them if possible. Coach Schiller is overlooking no bets and will take his full lineup with him to Union.

Clara E. Odle, foreman of the Record-Chief mechanical staff at Enterprise, suffered an attack of appendicitis last Thursday and Monday was taken to the Enterprise hospital where an operation was performed. The patient is doing very well.

Marvin Hess, former Wallowa county boy and graduate of the Enterprise High school, was visiting old friends at Hot Lake, especially Mrs. G. Hatcliff and son, Leland. He spent a great deal of his time while attending school with the Hatcliff family. He came in Monday by way of Lewiston, Idaho, with Fred Erickson, sheepman. They left Monday evening. Mr. Hess is a cement salesman.

Miss Jean Williams went to her home in La Grande Friday afternoon after school but returned for the freshening party at the home of "Tony" on Saturday evening. Music will be furnished by the High school glee club, the children of the grades will contribute to the program and a group of readings will be presented by the Woman's club. It is a library benefit.

Miss Jean Williams was hostess to the Dorcas society of the Baptist church Thursday afternoon. The time was spent quilting. Mrs. D. B. Williams, of Enterprise, was present and they will continue their quilting.

Mrs. G. E. Barker entertained her bridge club Saturday afternoon with four tables in play and Miss Vin Conley making high score. Guests were Mrs. Leona Mehl, of Glens Ferry; Mrs. J. E. Mills, Mrs. E. E. Pond and Mrs. P. A. Conklin.

A. B. Daniel was quite seriously ill a few days last week but is now recovering nicely.

Mr. and Mrs. Theodore McCallin left Thursday for Union where they will work in the apples.

PLANT EVERGREENS THIS FALL. BY COLOR ALL WINTER Early fall is looked upon as an ideal time to plant evergreens. These plants of the plant world are no longer a luxury. Present day low prices put them within reach of everyone.

There are various ways to use evergreens in foundation planting. They will lend dignity and accent to a doorway entrance. When used on each side of a doorway a pleasing arrangement is shown in Chart 1, in which an upright variety is placed on each side of the entrance and faced by two lower growers of the more spreading type.

The next step to further plant the foundation with evergreens is to add corner groups such as shown in Chart 2. At the corners where height is needed and where no windows interfere, one or two tall growing varieties, faced with lower growers, should be used.

These two groups may then be connected with other evergreens to complete the foundation planting as shown in Chart 3. Usually there are windows to consider in a complete foundation planting so it is wise to select low growing varieties for the middle planting. The charts further show the shape of various varieties which can be had at most any nursery.

It will be seen from these charts that groups may be added from time to time, thus enabling one to budget the planting over two or three seasons. With fall such a desirable season to plant, no better time could be found to start the evergreen planting.

ATLANTA GASOLINE 'WELL' PROVES ONLY A LEAK

ATLANTA (P)—Dreams of riches filled the minds of half a dozen Atlanta boys, who found a flowing "oil well" in the midst of a north side residential section here.

Further investigation showed freely-chemists analyzed it—and these youngsters immediately profited from their find by using the fluid in their "rattle-trap" automobiles they had salvaged from junk heaps, principally.

News of this discovery of oil spread and older heads began an investigation. A filling station operator solved the mystery—1500 gallons of gasoline had seeped from one of his underground tanks, and saturated the hard clay subsoil below. He estimates the boys' "wells" will flow for several weeks longer.

Marx Brothers In Comedy; Mt. Everest Tragedy is Filmed

High comedy characterizes "Horse-Feathers" in which the Four Marx Brothers display a lot of new antics and crack some good jokes, and which started yesterday for a three-day run at the Liberty theatre.
