

Portland Wins Coast League Title By Nosing Out Seattle

TWO HOME RUNS CLINCH PENNANT FOR OREGONIANS

First Flag For Beavers in 18 Years — Hollywood Wins Double Header From Angels.

By the Associated Press

Two mighty home run drives in the eighth inning gave Portland its first Pacific Coast championship in 18 years and a fourth straight victory over Seattle on the Ducks' home diamond Friday night, 11 to 10.

With but three more games to play, the second-place Hollywood Stars, four full games behind, have no chance of overthrowing the leaders.

Trailing by one run when the eighth inning began, the Ducks rallied like the champions they are to crack out two circuit clouts in succession and take a wild ball game that could not overcome in the remaining inning. Higgins and Johnson, in turn, lofted the ball over the right field fence, to clinch a wild ball game in which the lead changed several times. The Indians were credited with 17 hits and the Ducks with 16.

Stars Win Two

Regaining their winning stride too late to threaten Portland's lead, the Stars trounced the Angels at Los Angeles twice Friday night, 16 to 4 and 5 to 1. Behind Shellenback's 6-hit pitching in the first game, Hollywood was never in danger, touching three Angel tossers for 16 safeties. Sheehan turned in an even better mound performance for the Stars in the second game, allowing the Lelivets men only 4 hits.

Sacramento won both halves of a Friday night twin bill at Oakland, 17 to 0 and 9 to 2. Though pounding out just as many hits as the Senators in the opener—16—the Ouka couldn't convert them into enough runs to win. Four Oakland errors contributed to the Sacramento victory. Salvo, of the Senators, had the better of a pitching duel with Pieber in the 7-inning nightcap.

The Seals triumphantly turned on the last-place Missions after losing three in a row to them and took the fourth game of the series 5 to 4 at San Francisco Friday afternoon. The game was fairly even affair throughout, with the Seals scoring four runs in the third inning and one in the seventh. Three Mission tallies came in the fourth and another in the eighth.

MONMOUTH IS WINNER OVER WILLAMETTE

SALEM, Ore., Oct. 1 (AP)—Oregon normal defeated Willamette university, 6 to 0, in a football game here last night. The victory was in the nature of an upset, although the pre-season showing of the normal boys presented a real battle.

The lone touchdown came in the third period when Welter went over from the one-yard line after an aerial attack launched from mid-field.

Willamette was unable to show an effective offense when its scoring chances came, although it kept the ball in Oregon normal territory most of the game.

Heavier Orange Team Is Facing Stanford Today

PORTLAND, Ore., Oct. 1 (AP)—Outweighing their opponents twelve pounds to the man, the Oregon State college football eleven was ready for its struggle with the Stanford university team at the Civic stadium here this afternoon in the first Coast conference game for either school.

The men from Palo Alto, despite their weight disadvantage, ranked as slight favorites today, the chief reasons being the fact that Oregon State has never defeated or even tied them and the statement of Coach "Pop" Walter that the team he will present today is the fastest he has ever directed.

Coach Paul Schlusser frankly admitted that he considers today's game the crucial one of the season for his team and that the Orangemen are teamed for the affair. He said he will use the Notre Dame system for the bulk of his team, having a fast backfield reserve to supplement the power lineup with which he is starting.

The probable lineups as announced by Walter and Schlusser follow:

Stanford	Pos.	Oregon State
Colvin	LT	K. David
Grey	LT	Field
W. Bates (C)	C	C. Miller
Corbus	RG	Miles
Laubelle	RT	Hara
Tod	RE	Heikonen
Campbell	RE	Biancope
Sim	LT	Frankie
Caddell	RT	(C) Moe
Hillman	RE	Little

Officials: Sam Dolan, referee; Lloyd Yoder, umpire; Mike Moran, head linesman; J. C. Cave, field judge.

BRUSHING UP SPORTS...

UCLANS DEFEAT IDAHO TEAM 6-0

First Conference Football Game of Fall Season Played Last Night.

LOS ANGELES, Oct. 1 (AP)—For the first time in the history of the institution, the University of California at Los Angeles today found itself leading the Pacific Coast conference football standings.

The Bruins inaugurated conference play with a hard fought 6 to 0 victory over the University of Idaho in the Olympic stadium last night. Not until Oct. 15, when they play the University of Oregon, can the Bruins be forced out of their leadership.

Displaying remarkable defensive strength, the Bruins kept the Vandals from getting within their 34-yard line. The Bruins were in position to score several times but Joe Keeble, a hard driving fullback, seemed to be the only player on the field who could keep his feet. It was Keeble who crossed the Vandal line for the only score.

Field Slippery

The turf field was made slippery by rain which kept the crowd down to about 10,000 persons. The game, however, was not a financial loss as the Bruins collected \$5000 in rain insurance.

The Bruins got their score early in the second quarter, a 20-yard pass from Mike Frankovich to Bill Maxwell putting them on Idaho's 23-yard line. Keeble gained seven yards the first play thereafter, added two more on the next, and then, through a big hole over left tackle, crossed the goal line standing up.

He did they had better clear the track.

Down the stretch old man O'Doul's boy certainly hit up a terrific pace. There is no more determined batsman in baseball, not a more dangerous one than Lefty who has "feels" his hits. He takes excellent care of himself and carries a keen competitive spirit.

Butter Rumors Denied; Prices Are Unchanged

PORTLAND, Oct. 1 (AP)—Rumors of great shortage in supplies of butter in storage here appears the chief factor in the trade at the moment. Most of the rumors which appear to come from one source, indicate that there are no available stocks in ice houses here and that former specu-

lative holders are scrambling for their needs.

Survey of the situation fails to disclose this alleged shortage. The rumors name several leading storage interests as being sold out, but these stoutly deny that they have sold. The rumors come chiefly from one party said to have great stocks of butter piled up in store.

There was no change in the price of butter for the weekend season of the produce exchange. Butterfat values continue steady.

Trade in the egg market remains of very favorable character. At the weekend there was no change in val-

Oregon Tackles Santa Clara On Eugene Gridiron

EUGENE, Ore., Oct. 1 (AP)—Football fans that had been watching the town into a bustling metropolis were waiting impatiently today to see what success the University of Oregon could meet the invasion of Santa Clara.

Despite their two-touchdown victory over California's Bear last Saturday, the bucking Bronchos were given no odds against the visitors in their clash here this afternoon.

Coach Clipper Smith of Santa Clara and Coach Frank Callison of Oregon both reported their men in good shape with one or two exceptions and both were looking forward with pleasure to the prospect of a dry, fast field.

Santa Clara will start the same lineup it did against California with the exception of Judnich at left half instead of O'Donnell. Captain Bill Moran, with an injured right hand, will not be in the opening lineup, though he may get in later. Eagle will start in his place at left tackle.

Probable lineups as given out by Smith and Callison follow:

Santa Clara	Pos.	Oregon
Slavich	LT	Wishard
Danz	LT	Eagle
Molinari	LO	Pyre
A. Dowd	LT	Hughes
Ashley	RO	Clark
Mantz	RT	Nilsen
Spotswood	RE	Bailey
Beckrich	Q	Bowenon
Judnich	LT	Tomple
Denser	RT	Ge
Paglia	F	Mkulak

Officials: Referee, George Varnell; umpire, Wade W. Williams; head linesman, K. K. Jones; field judge, Bill Smyth.

Sport Slants

By Alan J. Gould (Associated Press Sports Editor)

The Philadelphia Athletics showed no disposition to use half-way measures in removing themselves this year from the pennant picture and the world series scramble.

Not only did the club that finished something like 13 1/2 games in front last year skid so far as to wind up about a dozen games behind the Yankees this season, but Lefty Grove conceded the year's pitching honors to younger rivals and Al Simmons, the celebrated Polish slugger, yielded the batting crown he has worn for two straight years.

True, Jimmie Foxx moved up around the top of the batting class and won the home run honors by wide margin with the best performance of his career, but otherwise the Mack ace did not distinguish themselves.

No pitcher who wins 25 games or more, Grove did, can be considered "through", even though ten defeats show on his record. This is short of the great southpaw's 1931 record of 31 victories against only four defeats, but the circumstances of making it four pennants in a row would have been bright, indeed, if George Barnhart, Rube Walberg and Roy Mahaffey had shown the same effectiveness as Robert Moses Grove.

Somewhere the A's lost quite a bit of the championship fire that burned so brightly for them through the 1929-30-31 campaigns.

Karnshaw acted as though he was still brooding this season over the hard-locked defeats he sustained at the hands of the Cardinals. Simmons and Cochrane failed to deliver as often as usual at the plate. The combination of these factors, plus the great early rush of the Yankees, proved too much for Mr. Mack's machine. It bogged down with too much weight for age.

(Continued from Page One)

states on the Atlantic seaboard and the middle west.

Speaks Tonight

At the banquet tonight Mr. Roosevelt will speak briefly. He is scheduled to talk at 8 o'clock (Central time).

Mayor Anton J. Cermak, of Chicago, who greeted Mr. Roosevelt at Milwaukee yesterday, told the candidate that Illinois would be "feeling his hits." He takes excellent care of himself and carries a keen competitive spirit.

Tonight Mr. Roosevelt will leave for Detroit where he will spend Sunday. On Monday morning he will be in Albany, facting a fight in the Democratic state convention to obtain the nomination for governor of Lieut. Gov. Herbert H. Lehman. Opposing the Lehman nomination is a group headed by the O'Connell organization of Albany, which advanced Mayor John Boyd Thacher, of the capital city. The issue likely will turn on the action of the Tammany Hall and Brooklyn delegations, which with scant up-state support can name the nominee.

Yesterday Tammany rejected the candidacy of Supreme Court Justice Samuel J. Rosenman and gave its endorsement to State Senator Samuel Horstater, who headed the Republican controlled legislative committee which investigated former Mayor James J. Walker. Rosenman, a close personal friend of Roosevelt, formerly was counsel to the governor.

No North American Monkey

There is no native species of monkey in North America north of the Rio Grande, although many species of monkeys inhabit Mexico, Central America and South America. The petrified remains of monkey-like animals which lived in prehistoric times have been found in different parts of the United States.

At The La Grande Theatres

CHEVALIER OPENS THEATRE PROGRAM

Three Strong Pictures Coming to La Grande During Next Week.

Owners which recently have been generally sustained at the high mark. Market price on chickens here is still kept at the weak point with California and direct shippers to California getting the benefit of the situation. Portland continues to lose shipments to the south.

With the one confirmed shipping order reported as filled, the market for turkeys has again drifted into a most nominal position here. An early resumption of shipping is expected.

Owners of oyster beds engaged in the production of the so-called large Pacific or Japanese seed oysters, are getting together to eliminate the demoralizing consignments which have practically wrecked the industry. No effort is being made to hold up consumers, however.

Home and domestic apple movement is slowly gaining with more cash buyers appearing in the Hood River-Mosier districts as a result of the reports of record damage to the Wenatchee-Yakima crops by worms. This damage was the result of lack of proper spraying.

There is some improvement suggested in the shipping demand for celery with as high as 70c a half crate reported received for a carload during the day. This is a nickel better than previous highest transactions.

PROGRAM FOR THE WEEK AT THE LIBERTY

Sunday and Monday: "Love Me Tonight," with Maurice Chevalier, Jeanette MacDonald and Charles Ruggles.

Tuesday, Wednesday, Thursday: "Doctor X," all in natural color, with Lionel Atwill and Fay Wray.

Friday and Saturday: "Guilty as Hell" with Edmund Lowe, Victor McLaglen, Richard Arlen and Noel Francis.

Three strong pictures—a melodious comedy, a murder story and a mystery melodrama in technicolor—are booked for the coming week at the Liberty theatre.

The first of the trio is Maurice Chevalier's "Love Me Tonight," a delightful concoction of melody and comedy. It is the fairy tale of a princess and a tailor based on the old French story and is a triumph. Glamorous in setting, with deft, subtle touches of comedy, the acting, dialogue and lyrics move to an enchanted rhythm that never falters. Critics declare it is easily the best of the Chevalier-Jeanette MacDonald pictures.

Others in the cast include Charles Ruggles, Charles Butterworth, Myrna Loy and C. Aubrey Smith.

"Doctor X," a mystery thriller, will be shown Tuesday, Wednesday and Thursday and features Lee Tracy, Lionel Atwill and Fay Wray. Others in the cast include Preston Foster, Harry Beresford, Robert Warwick, John Wray and Lella Bennett.

The picture is entirely in color and was made with the ambition to out-mystery all previous screen mysteries.

Here you find the famous comedy pair, Edmund Lowe and Victor McLaglen, featured in "Guilty as Hell," scheduled for showing Friday and Saturday. Richard Arlen and Noel Francis also are in the all-star cast.

The picture opens with a murder being committed. The audience knows who is guilty, but McLaglen and Lowe don't, and in their blundering to find the truth, they get into numerous comedy situations.

TRADING DULL IN EXCHANGE; SOME GAINS

NEW YORK, Oct. 1 (AP)—The stock market stood virtually still until the last quarter hour today when late short covering gave the list a mild flip.

Activity was at the lowest ebb since early summer, or before the July-August boom got under way, and what trading there was appeared to consist almost entirely of professional operations. Transactions approximated 400,000 shares for the two dull hours.

Net advances of a point or thereabouts appeared in U. S. Steel, Allied Chemical and American Telephone.

Closing figures for 14 of the leading stocks follow:

American Tele. and Tele.	113 1/2
American Chem. and Dye	80 3/4
Bethlehem Steel	24 1/2
General Motors	17 3/4
John Manville	30
Liggett & Myers B.	98
Montgomery Ward & Co.	18 1/2
J. C. Penney Co.	24 1/4
United Aircraft	30 3/8
Public Service of N. J.	51
Southern Pacific	29
United Corp.	11 1/2
Union Pacific	78 1/4
United States Steel	43 3/4

Bricks Pharaoh Made

Bricks dating back to the reign of King Ashurnasirpal, over 3,500 years ago, were recently used in the construction of a station at Tell Billaah, on the Khonsabad railway, in Mesopotamia.

Newark Baseball Team Minus Its Uniforms Today

PHILADELPHIA, Oct. 1 (AP)—Somewhere in the middle west the Newark baseball team of the International league is speeding on toward Minneapolis and the fourth game of the little world series probably wondering what it's going to do for uniforms.

Four trunks containing the team's uniforms were found early today along the Pennsylvania railroad tracks at Deans, N. J., south of New Brunswick, and W. J. Chipman of New York is held here on a charge of illegal train riding after telling police he pushed the trunks off the train carrying the ball club west.

Chipman told police he boarded the train at Newark, seeking a place to rest in the baggage car. He failed to find sufficient space for himself, police said he told them, so he pushed four of the trunks off the train as it sped on toward Trenton. He was arrested when the train arrived here.

Sugar Offsets Noise

Scientists investigating the effect of noise on indigestion have found that sugar counterbalances the loss of saliva caused by din.
