

Enterprise High to Play at Union Friday Afternoon at 2:45

SAVAGES FACING SECOND CONTEST IN TITLE MARCH

Other Games This Week-End Include Mac-Hi Vs. La Grande and Wa-Hi Vs. Pendleton.

Two of the weekend high school football games in Eastern Oregon stand out as of much importance in the annual struggle for district honors.

One, to be played at Union Friday afternoon beginning at 2:45 o'clock at the stock show grounds, will give Enterprise a test of strength.

The other, to be played at Milton-Prewitter Saturday afternoon, will pit two of the strongest teams against each other, the Pioneers of Mac-Hi and the Tigers of La Grande. Dope indicates an even contest, and the winner of the game will be rated as one of the favorites for the title.

Savages Fought

The Savages of Enterprise, 1931 champions by virtue of victories over Baker and La Grande in a three-way playoff, defeated Baker two weeks ago 7 to 0 at Enterprise, to give promise of making a serious bid for the 1932 title.

Following the game at Union this Friday, the Enterprise team will—if victorious—begin work for an all-important game in La Grande Saturday, Oct. 15. If Enterprise wins from Union, a victory over the Tigers would give the Savages almost clear sailing for an undefeated season with either the championship or a tie for the championship practically assured.

Baker Plays Nysaa

While Union and Enterprise are fighting it out, the much defeated Baker eleven will journey to Nysaa to try the Southeastern Oregon eleven. The game is important for the reason that it will shed much light on the relative strength of teams in the southern section of Eastern Oregon.

Buckley Test

The Pendleton Buckaroos, under the guidance of a new coach, took Kennewick, Wash. into camp last Saturday 7 to 0, and this Saturday Wednesday will play at North Powder.

117 OUT FOR FOOTBALL

With the class games now under way, a total of 117 boys are out for football at La Grande High.

In addition to the 40 on the first team, there are 25 freshmen, 10 sophomores, 18 juniors and 15 seniors practicing and playing regularly.

Tuesday the seniors defeated the rookies 15 to 0 and tomorrow night the sophomores and juniors will play, the game to begin at 4:30 o'clock. Greenwood and Riviera grade schools played a scoreless tie yesterday evening.

R. S. Dixon is coaching the freshmen, Paul Walker the sophomores, Tom Zivkovich the juniors and Howard Lyman the seniors.

Oregon Staters En Route South To Play Trojans

CORVALLIS, Ore., Oct. 6 (AP)—Following secret practice against the freshman Oregon State college football squad of 30 left here last night with Coach Paul Schleier for Los Angeles, where they meet the Southern California Trojans Saturday. The team was showing much fire in the final workout and running their plays smoothly.

Coach Schleier did not announce his starting lineup, other than to say that Frank Little will be fullback and acting captain. He said, however, that somewhat the same eleven that started against Stanford at Portland Saturday will open against the Trojans.

The squad includes center, Curtin Danforth; King, left guards, Stanfield, Miller, Tomcheck; right guards, Kenma, Miles, Leaf; left tackles, Field, Beers, Wagner; right tackles, Haru, Schwammel; ends, K. Davis, E. Davis, Ed Adams, Mitola, McDonald; halfbacks, More, Pangie, Franklin, Bowman; Jarvis, quarterbacks; Atchison, Biancone; Ward; fullbacks, Little, Joslin, McIntosh.

40-Minute Dispute In "Little World Series" Contest

MINNEAPOLIS, Oct. 6 (AP)—A first class problem was referred to the stove league today as Newark went into the sixth game of the little world series needing only one victory to win the annual duel between the International League and the American association.

Doc Brennan, Newark's right handed ace who has delivered two of his club's three victories, was assigned to pitch against Dutch Henry, Minneapolis southpaw who accounted for one of his team's two wins.

Through the stove league, echoes of yesterday's 12 to 9 victory for Newark are bound to roll, for it marked the longest dispute in the history of the series, instituted in 1917.

There was a 40-minute argument on the field on a question which decided the game and this dispute was carried over into a hot debate lasting more than two hours before the advisory commission which split it on the most point.

In the first half of the ninth with the score 8 to 8 and two Newark batters out, Harry Rice, Minneapolis center fielder, dashed towards short in an effort to catch a low fly from the bat of Johnny Neun, Newark first baseman.

Rice made what amounted to a flying tackle, rolled over several times and came up with the ball in his hands. Before he arose Jack Saltzger, Bear second sacker, ran him from behind.

Umpire Johnston at third ruled that Rice caught the ball, that Neun was out and refused to allow Saltzger to be listed as having scored. The umpire's decision was upheld and the Bears clustered around the umpire. The argument followed.

After several reversals the last decision was reversed and Saltzger was awarded a run. The Milwaukee scored only once in their half.

NEGRO SCHOOL BOY BATTERS FRED LENHART

SAN FRANCISCO, Oct. 6 (AP)—John Henry Lewis, 18-year-old negro school boy from Prescott, Ariz., continued his pugilistic climb here last night as he took a technical knockout victory from Fred Lenhart, 24-year-old, Wash., in the fourth round of their scheduled ten-round bout.

Lewis, who weighed 172½ pounds to Lenhart's 174½, opened a gash over his opponent's eye in the fourth session. At the end of the round, Lenhart's handlers were unable to check the flow of blood and referee Steve Burns stopped the battle.

HUNTER CLIMBS TREE, IS SHOT

BOONE, Ia., Oct. 6 (AP)—The squirrel Oscar R. Pearson shot at and hit failed to come tumbling down as he expected, so he climbed the tree to see if he couldn't shake it loose.

Two other squirrel hunters came along. Not noticing Pearson was in the tree, one of them blazed away.

Pearson's wounds are not serious, but there are many of them.

Will Meet for First Time at Portland Saturday

When the Oregon and Washington football teams play at Portland next Saturday it will be the first meeting of the two coaches, Jimmy Phelan, left, and Prink Callison, right. Phelan is starting his third season as coach at Washington; this is Callison's first at Oregon. The Webfoots have defeated the Huskies four consecutive times and hope to repeat.

Flying Tackle, Block Illegal Under New Rule

(Note: This is the second of a series of four explanatory articles on the 1932 football rule changes, written especially for The Associated Press.)

By William S. Langford (Secretary, National Football Rules Committee)

NEW YORK, Oct. 6 (AP)—Prohibition against the use of the flying tackle and the flying block was adopted for the protection of the tackler and the flier rather than of the opponents whom they were trying to bring down.

The new rule states: "It is illegal to use a flying tackle in which a player dives or throws his body through the air at the ball carrier. It is legal for the tackler to leave his feet at the instant he makes contact with the ball carrier."

The only change in the rule governing the use of hands and arms by players on defense is that which further restricts these players from striking above the shoulders with the palms of the hands.

Defensive players are permitted to use the palms of their hands above the shoulders of opponents only to push them out of the way in order to get at the ball or the player carrying it or to ward off interferers who are trying to block them.

UCLAN TACKLE INELIGIBLE TO PLAY, REPORT

LOS ANGELES, Oct. 6 (AP)—The University of California at Los Angeles Bruins' hopes of victory in their game with the University of Oregon a week from Saturday suffered a setback when Mike Dimas, left tackle, on the ineligible list today. Dimas failed to make up required subjects in summer school.

Dimas is the second regular to be lost to the Bruins since the season opened. Leonard Bergdahl, quarterback, being out with the injured elbow.

Coach Bill Spaulding is giving his men offensive practice this week, believing his team well drilled in the defensive end of the game. The Bruins have held their two opponents this season, California Aggies and the University of Idaho, scoreless.

Joliet Convicts Out For Football

JOLIET, Ill., Oct. 6 (AP)—The football spirit is running high among the convicts of the state penitentiary, but there are going to be some drawbacks.

There won't be any cheer leaders, for one thing, and even if there were, there wouldn't be anyone to cheer for. The players are to be known only by their numbers and not by their names.

Practice got under way yesterday, for the opening of the season Saturday when five teams will begin play in an intra-mural tournament.

For a time Walter Nerstheimer, assistant warden, was worried about his prospects, but that's all over now.

"Last spring," he said, "after the parole board had graduated some of our best halfbacks, we were afraid that this year's squads would be pretty weak."

"However, the judges of the criminal courts have sent a number of our old stars back to us."

HARD TIMES HIT HALFBACK

DALLAS, Tex. (AP)—Economic conditions east Southern Methodist university a needed halfback a few days after practice began this fall. "Curly" Woodward left school to hunt a job when his father lost his position.

OREGON GOES TO PORTLAND FRIDAY

Webfoot Players to Try Out Multnomah Gridiron—Bill Morgan to Start

EUGENE, Ore., Oct. 6 (AP)—Oregon's hope of victory over University of Washington in next Saturday's football game at Portland underwent a setback today when it was learned that Stanley Koska, 200-pound halfback, will probably watch the game from the bench.

Koska who scored Oregon's only touchdown against Santa Clara last Saturday, and who made 129 yards from scrimmage, suffered a dislocated shoulder in scrimmage yesterday.

EUGENE, Ore., Oct. 6 (AP)—As the Coast conference clash with the Washington Huskies loomed but two brief days in the offing, Coach Prink Callison planned to send his Oregon university Webfoots into two stiff scrimmages today: one physical and one mental.

On the gridiron he prepared to buff them against what known plays the Huskies may spring in the Saturday afternoon struggle at the civic stadium in Portland.

In the conference room he planned to send them into a tussle against any inclination to over-confidence they might have because of their defeat at Santa Clara university last Saturday and the flood of flattering comments that since has been loosed against them.

The squad will go to Portland tomorrow morning for a brisk workout at the scene of Saturday's offensive. The same lineup that opened against Santa Clara probably will start against the Huskies, except that Captain Bill Morgan will be in at tackle instead of Eagle.

Turkish Wrestler Downs At Sparks

PORTLAND, Ore., Oct. 6 (AP)—Mustapha Pasha, Turkish 166-pound wrestler, continued his winning streak here last night when he defeated Al Sparks, 208 pounds, Logan, Utah. Two straight falls within 30 minutes of actual wrestling.

Pasha took the first fall in 20 minutes, 41 seconds with a crashing body slam and the second in 6 minutes 22 seconds with the same hold. It was a rough exhibition throughout.

Bob Kruse and Al Pereira staged a hectic five round draw, each taking a fall. Pereira won the first fall when he hooked Kruse with a rib-cracking body scissors. Kruse won his fall with a series of headlocks.

Nick Volkoff defeated Roland Blake with a body slam in the preliminary.

Clark Griffith May Manage Club

WASHINGTON, Oct. 6 (AP)—Clark Griffith—the "Old Fox" who piloted the Washington Senators from 1912 to 1929—may appear next year in the dual role of owner and manager of the capital's American league baseball team.

It depends, Griffith said last night, on whether he can get the man he wants to succeed Walter Johnson, let out this week after four years as manager.

Johnson's elimination started the usual burst of speculation over who would be the next boss. Asked about filling the managerial shoes himself, Griffith said:

"Only if I am unable to find the man I want will I take over the management myself."
