Large Company Of Women Meet To Discuss Work

All roads lead to Union Wednesday for members of the Ladies' Aids who gathered from the several towns in the valley—North Powder, Imbler, Cove, Alice, Elgin, Summerville, Island City, La Grande and Union—to attend their annual county convention. The attendance was about the usual average of 150 and the Woman's club house, where they assembled for the noon luncheon was hardly large enough to hold the crowd.

The morning session, presided over by the county president, Mrs. J. Orin Anson, of Island City, was started by a prayer by Rev. R. C. Lee of Union, followed by two hymns sung by the audience. Mrs. A. A. Axlerby, of Cove, secretary of the association, read the minutes of the last year's meeting and the nominating committee for the selection of officers for the new year was appointed as follows: Mrs. G. F. Hall, Union, Mrs. C. E. Sting, La Grande, and Mrs. Roy Baker, Cove.

Two solos, "Our Last Hour," and "Early Morning News" were sung by Mrs. Ray Fuller, of Alice, accompanied by Mrs. Franklin Wells. After the songs, Mrs. Anson called for the different Aid groups to stand and number and the count showed: 11 from Alice; 29 from Cove; 10 from Imbler; 11 from Island City; eight from North Powder; 39 from La Grande; and 29 from Union. The report of the nominating committee as given by Mrs. G. F. Hall was: Mrs. R. F. Tyler, of La Grande, for president; Miss Mabel Morton, of the valley, vice president; Mrs. Chas. Cleaver, of Imbler, recording secretary, and Mrs. O. H. Sloan, of North Powder, corresponding secretary. They were unanimously elected by the association.

Members of the different Aid societies gave short histories of their organizations and in every case the stories were similar. Their support of church activities and care of the church properties, their zeal in raising funds through chicken dinners, bazaars, food sales and what not, all showed the same spirit of faithful service. Mrs. Lydia Lantz said the Cove Aid started in 1898 with about 20 members, many of whom are still active workers. Mrs. Emma Kiddie said the Island City Aid started with 16 charter members and has had 7 presidents during the 19 years of its existence. Perhaps the oldest Aid in the county has its beginning some 62 years ago when Mrs. Bell Wright came to Union. Through there was no church organization of any kind a

Before the curtain goes up in the morning and after it falls in the afternoon, a tremendous amount of routine work must be accomplished by the bank in the interests of its customers.

Before opening the doors, the wheels must be set in motion to handle innumerable transactions during that day. After closing, all those transactions must be reconciled, deposits credited, withdrawals debited, transfers made, cash and currency checked and the books of the bank balanced regardless of the time required.
